IV DAILY PROCEEDINGS

Laity Session

June 3, 2018 5:30pm

Ms. Mary Shumard, Conference Co-Lay Leader, opened the Laity Session of the 2018 West Ohio Annual Conference by introducing a video in which lay persons invited other lay persons to share the love of Jesus and to answer God's call.

Three lay persons then shared their experience in answering God's call.

Mr. Alex Giffin from Scioto Ridge UMC spoke of how being a P.K. [Preacher's Kid] influenced his life. He was given the opportunity to follow Christ in his own way, and did wonder if God was calling him into ministry. He is now in ministry at a local church as a lay person as well as working at a long-term care facility, happily living out God's call on his life.

Ms. Sue Hey from Stillwater UMC felt called to help, and did so for the facility in which she works as an occupational therapist. She launched a fundraising plan that included physical activities, including swimming and biking. While biking she fell off twice and the chain broke twice. Yet she heard God say, "It's not about you." She thanked God for breaking the chains that awakened her to what God was calling her to do.

Ms. Tracy Chambers from Wesley Foundation at the University of Cincinnati prayed for God's will to be revealed to her. Also a P.K., Tracey looked for a more meaningful experience throughout college, law school, and the corporate world. She felt unworthy as she prayed, then realized she was not listening to God. When Tracey listened, God called her to become a Certified Lay Minister as well as a faithful follower of Jesus.

Ms. Shumard thanked the three for sharing their call stories, then encouraged all laity to focus on God's call on their lives, which comes and is expressed in a variety of ways. Ms. Shumard reminded the laity that, "You are called, and we are laity strong!"

Ms. Shumard then introduced Mr. Mitchell Harper, Conference Co-Lay leader. He encouraged laity to wear a "Laity Strong" button, and to identify persons to be recognized for being receptive to God's call. Rev. Brent Watson prayed for all who have answered God's call, followed by Ms. Shumard challenging a call to action to move from listening to obedience.

Bishop Gregory V. Palmer was then welcomed and addressed the laity, asking them to cultivate the skill of listening for the paths we are all called to. He called the laity once more into a "power in partnership" with clergy, as we need one another. Bishop Palmer then closed the Laity Session with prayer.

Opening Worship Memorial Celebration with Communion

June 3, 2018 7:30pm

The West Ohio Conference Gospel Choir, a combination of seven church choirs from throughout the conference, offered their gift of music as clergy, laity, spouses and guests gathered for the opening worship service of Annual Conference. Rev. Mark Chow, chair of the Annual Conference Worship Committee, welcomed everyone to worship then introduced our Conference Worship Leader Mr. Chuck Bell.

After instructions from Rev. Chow, Bishop Gregory Vaughn Palmer officially opened the 49th Session of the West Ohio Conference. The processional song was *God of Creation*, followed by an invocation led by Rev. Kate Smith. The opening hymn was *Praise to the Lord, the Almighty* followed by a collective profession of faith led by Rev. Adebowale Onabanjo.

Rev. Amy Haines, Annual Conference Secretary, read the Roll Call of the Victorious, while a bell tolled and candles were lit in memory of clergy (listed on page 210 in the BAC), spouses, children of clergy, and the laity of our districts who have all died since the prior annual conference session. A prayer of commendation followed led by Rev. Smith.

After an introduction of Rev. Holmes by Bishop Palmer, Rev. Onabanjo read the Scripture lesson from Hebrews 12:1-2 followed by a sung response *God's Grace* from the Gospel Choir. Guest preacher The Rev. Dr. Zan Holmes, Jr. preached the sermon "How Well Are We Running in the Race that God Has Set Before Us?"

Following a collective response to the message and a prayer of confession, Bishop Palmer and Rev. Smith presided over the table of Holy Communion, which was then shared throughout the auditorium. Following communion Bishop Palmer led everyone in The Lord's Prayer. Worship concluded with the song *Guide My Feet*, led by the Gospel Choir, and Rev. Dr. Zan Holmes, Jr offered the benediction.

Clergy Session
June 4, 2018 8:00am

Bishop Palmer called the Clergy Session of the 2018 West Ohio Annual Conference to order.

Rev. Steve Rath invited the clergy to join in singing *Come Thou Fount of Every Blessing, Blessed Assurance, O For a Thousand Tongues to Sing* and *My Hope is Built*. Rev. Brian Law read from Luke 9:10-17. Bishop Palmer then offered a prayer for our time together.

Morning Worship Service

June 4, 2018 10:18am

Mr. Chuck Bell and the Annual Conference Worship Band began our morning worship with a meditation on *Great is Thy Faithfulness* followed by a call to worship led by Rev. Elizabeth Heft. The Conference theme, "Be Not Afraid- There is Enough" was proclaimed via video, followed by the song *Enough*. Rev. Heft read Matthew 14:13-21 then a dramatic meditation on the Scripture was presented by Rev. Amy Aspey, Mr. Kirk Paisley, Ms. Tracy Van Winkle and Mr. James Van Winkle. Worship concluded in a time of silence, the chorus of *Great Is Thy Faithfulness*, a collective prayer response and a sending forth to the work of the day.

Monday Morning Session

June 4, 2018 11:05am

The morning session began with greetings from Lakeside Chautauqua President/CEO Mr. Kevin Sibbring, who then introduced Mr. Dakota Harkings, manager of operations for the Lakeside Heritage Society. Mr. Harkings shared that an application to nominate seven locations within Lakeside as a Cluster United Methodist Heritage Landmark will go to a vote next week at East Ohio Conference.

Conference Secretary Rev. Amy Haines moved to set the bar for the conference as the permanent seats, usher tables, stage, thrust, camera stands, sight and sound booths, first aid station, information/lost and found station, and wheel chair positions. (The steps, aisles, and milling areas do not count.) The bar was affirmed by verbal vote.

Rev. Haines moved to nominate the following people for the secretarial staff: Ruth Lawson, Rachel Miller, Donnetta Peaks, Steve Putka, Matthew Overman, Dani Ortega, Nancy Riley, Katharine Pack, and Grace Gerber. They were elected by verbal vote. She then moved to nominate Jack Frost and Joy Perry as the co-registrars. They were elected by verbal vote. Rev. Haines recognized the Parliamentary Team of Jim Waugh, Angela Meeks, Brian Gath and Don Wallick and thanked them for their service. They were affirmed by verbal vote.

Rev. Haines reminded the conference of protocol and basic parliamentary procedure, as well as protocol for the Revote on Constitutional Amendment #1. She explained that an error was found in May that the amendment voted on in 2017 was not the same wording as approved by General Conference 2016.

She explained that only full member deacons/elders and lay members of the annual conference are eligible to vote on the constitutional amendment and that it is debatable but not amendable. As Conference Secretary she will send West Ohio's tally to the Executive Secretary of the Council of Bishops. No public announcement of the tallies will be made since it is the cumulative total that determines the outcome and the official results will come from the Council of Bishops.

Rev. Jocelyn Roper, Agenda Coach, moved the adoption of the agenda as printed in the *Book of Reports* on pages 8-9. The agenda was adopted by verbal vote.

Rules Committee Report

The Rules Committee Report was presented by chair Rev. Kim Pope-Seiberling as found in the *Book of Reports* on pages 10-12. Rules Committee members were then recognized.

Fear Less Talk #1- Addiction

Rev. Dee Stickley-Miner, Director of Connectional Ministries, introduced the “Fear Less” talks with a reminder of the power of the Holy Spirit at Pentecost, a power that continues to propel God’s people head on into the messiness and chaos of life to find Christ there. Whereas fear pushes us into polarizing realities of “us vs. them”, the Spirit’s wooing grace binds “us and them” into community together. And wherever Jesus is, there is always enough.

Rev. Stickley-Miner then invited us to suspend our own lived realities long enough to hear the real stories from real people in West Ohio who know what it means to be fearless in facing the harsh realities of our world. She invited us to honor their willingness to be vulnerable and trusting with their stories, stories that risk making us uncomfortable. She then invited us to ponder how we will follow God’s Spirit so that God’s love will be unleashed in our communities and lives of faith.

As recovering alcoholics and addicts, Rev. Chris and Mrs. Tammy Reese from New City Church in Dayton know firsthand how addiction affects one in three Americans and crosses all boundaries. They shared their own stories of fear and struggle, of invitation and welcome. Mrs. Reese reminded us that most addicts don’t feel that anyone cares. Yet if the people who love Jesus would step out of their comfort zones and show kindness to a stranger, it would make all the difference to an addict. Rev. Reese reminded us that the people of the church acting as the hands, feet and heart of Christ are the hope that this world needs. He challenged us by asking, “If an addict were brave enough to walk into your church, will he or she feel welcomed?”

Rev. Reese encouraged us to do five things to make a difference: 1. Pray about how your church can help, 2. Open your building to recovery groups, 3. Listen to those in recovery, 4. Provide educational programs, 5. Visit a recovery program. He also reminded us that we don’t have to be an addict to help an addict, and to not be afraid to share our own faith stories.

After their powerful witness, the House Band led us in singing *I Am Redeemed*.

Light the Way Campaign

Co-chairs Mr. Tom Hofmann and Rev. Doug Johns gave an update on the first year of *Light the Way*, a five-year vision of the West Ohio Conference to develop new faith communities and increase the number of highly vital existing faith communities. Of the total goal of \$5 million, already over \$2 million has been contributed or pledged.

Video stories were shared of five new expressions of church across the conference. They included: Little Arrows Play Café, Newark; Lifeline Community Dinner, Toledo; Mosaic Multicultural Bible Study, Dayton; The Gloria Theatre, Urbana; and Short North Church YOWO, Columbus.

Three of the new church start pastors who are being trained through Greenhouse gave their “elevator talks” from the floor of conference. Those pastors included Brady Feltz, DJ Kim, and Carly Brewster. Don Wilson asked anyone to stand who is or has participated in Greenhouse, MCCI, Traction Tracks and New Church Starts. Following their recognition, the conference joined together in a Breakthrough Prayer.

Rev. Jim Wilson brought courtesies before the lunch hour. Bishop Palmer then prayed for lunch.

**Monday Afternoon Session
June 4, 2018 1:45pm**

The afternoon session began with a video from the United Methodist Credit Union.

Recognition & Awards

Rev. Dani Ortega introduced the recognition and awards with a word from 2 Corinthians 9:8-10 and reminded the conference that through their generosity there is enough passion and vision, enough energy and compassion, and even enough faithfulness when the future is uncertain. Those recognized know what it means to be afraid and still step out in faith. She then introduced the following awards and recipients, who were greeted by Bishop Palmer and received their awards/certificates on stage.

Freedom Schools seek to build strong, literate, confident children through a summer literacy program serving at-risk children and youth. West Ohio's nine Freedom Schools served 708 scholars at 15 different sites in 2017. Leadership teams were honored from the following Freedom Schools: Maumee Watershed, Lima Trinity, Covenant, Grace, School for all People, Licking County, Southside Kingdom of Hope, and Heart of the City.

The Camp Changes Lives Award is a new award presented to a person or church that has shown outstanding dedication and support for the camping and retreat ministries of the West Ohio Conference. This year's inaugural recipient was Rev. Doug Thompson from West Mansfield UMC and Big Springs UMC (CAN) who spends six weeks each summer as "Pastor of the Week" and has served in all three West Ohio Camps for as long as anyone can remember.

West Ohio continues to reach out to our Hispanic neighbors through our conference Hispanic Youth Intern program. This year's Hispanic Youth Interns include Angel Rivera, Estrella Bautista, and David Ortega from Middletown First (ORV) and Astrid Aviles, Edwin Marroquin, and Zair Pacheco from Esperanza Viva (ORV).

The Global Young Peoples Convocation will be held in South Africa in July, and West Ohio Conference will be well represented. Even though they were unable to attend Annual Conference, the following participants were honored: Andres de Arco, Emily Kvalheim, Dominic Mejia, and Allison Stickley-Miner.

Emily Burns from Circleville Community (CAS) will spend the next two years in ministry through the Global Mission Fellows program.

The Francis Asbury Campus Ministry Award is offered through the General Board of Higher Education and Ministry to recognize those who have made a contribution to United Methodist Church ministries in higher education. This year's recipient was Rev. Benji Sayre, Executive Director of the University of Cincinnati Wesley Foundation (ORV).

Mr. Alex Giffin introduced the next recognitions and awards.

Cultural Coaches have been trained to equip leaders, churches and ministry teams to work across our rich diversity. Recognized as West Ohio Cultural Coaches: Todd Anderson, Reba Collins, Rae Lynn Schleif, Doug Damron, Rebekah Clapp, Sherri Blackwell, Karen Cook, Donnetta Peaks, April Casperson, Rebecca Hug, Deanna Stickley-Miner, and Harris Tay.

The United Methodist Rural Advocates (UMRA) William B. Murray Vital Church Award recognizes rural churches who worship less than 100 for displaying the five fruitful practices of ministry. District Award Recipients included Albany UMC (FTH), Anna-Botkins UMC (MIV), Continental UMC (NWP), Hopewell UMC (CAS), Liberty Chapel UMC (SHV), and Oregonia UMC (ORV). The overall West Ohio Conference recipient was Pharisburg UMC (CAN) with Pastor Judy Cramer.

Light of the World churches are recognized for reaching new people for Christ in 2017 after having no professions of faith or baptisms in 2016. Those recognized were Cloverdale UMC (MWD), Findlay St Paul's UMC (NWP), Lockington UMC (MIV), Esperanza Viva UMC (ORV), Fruitdale UMC (SHV), Smith Chapel UMC (FTH), and Ebenezer UMC (CAN).

One Matters is offered through the General Board of Discipleship to celebrate churches extending the love of Christ into the community and bringing in new members. This year's recipient was Hopewell UMC (CAS).

Rev. Kristin Langstraat introduced the next recognitions and awards.

The Harry Denman Evangelism Award is given to those who display a passion and commitment for sharing the love of Jesus Christ with others. This year's clergy recipient was Rev. Dr. Harley E Roston, pastor of Piketon UMC (SHV). This year's lay recipient was Ms. Trish McKinney from Lima Forest Park UMC (NWP).

Mission Excellence Awards were given to Mr. Chad Stoltz and Mr. George "Tater" Jensen. Mr. Stoltz is West Ohio's liaison for medical mission teams to Mexico. He also provides conference leadership around clergy wellness, the opiate epidemic, and suicide awareness. Mr. Jensen has advocated for hunger issues for over 20 years, which has resulted in the donation of over 6 million pounds of food to assist the hungry in Ohio.

Bringing us back from a short break was a video from the General Board of Higher Education and Ministry.

Fear Less Talk #2- Race

Rev. Barbara Sholis, who is Caucasian and born in Louisville, Kentucky, and Rev. Karen Cook, who is African-American and born in Columbus, Ohio, shared two very different realities of growing up in that late 50s and 60s. Stories of a grandfather who did not approve of the integration of the local pool, a 500-mile road trip with few places to stop where the family would be welcome, a new friend in junior high who looked different yet with whom had so much in common, the driving while black conversation with sons that stresses the importance of making it home.

Rev. Sholis and Rev. Cook wished that all of their stories of fearing another simply because of race were all from the distant past, but their experiences on the Cabinet and in district offices reminded us that there are still churches in West Ohio who have stated they do not want a black pastor, or a woman. Rev. Sholis knows we “can, and must, do better.”

Mr. Andreas de Arco then shared his experience growing up as a pastor’s kid in a Hispanic/Latino ministry housed in an Anglo congregation that rarely crossed paths. He called us as the church to follow Jesus who demanded that love be at the center of everything. He challenged us to be the church God wants us to be, a diverse community that goes beyond Sunday mornings. Mr. de Arco called us to invite others who may not look like us into our homes, or out to dinner, to listen to and learn one another’s stories.

Bishop Palmer introduced two guests from our greater connection. He recognized Rev. Meg Lassiat, Executive Director of Candidacy and Conference Relations, Division of Ordained Ministry, from the General Board of Higher Education and Ministry. He also recognized Mr. David Nuckols, Conference Lay Leader from the Minnesota Annual Conference, who was also a member of the *Commission on a Way Forward*.

Order of the Day: Corporate Session

Mrs. Ann Baird moved to adjourn the annual conference to convene the corporate session. At 3:18pm the motion to adjourn was affirmed by voice vote.

Mrs. Baird presented the conference Board of Trustees Report, which can be found in its entirety on page 246. She thanked Ms. Ann Hartmann for leading the Affiliated Organizations Committee on creating a new covenant template. She also thanked Mr. Marlen Yost for leading the Investment Policy Committee.

On behalf of the real estate sub-committee, Dr. Julie Hurtig reported upgrades to the Conference Center will cost a little over \$5 million and over \$640,000 has been spent in major capital improvements at our West Ohio camps.

Mr. Chris Hogan was then introduced to give the Chancellor’s Report. He discussed incorporation of the Board of Pensions in order to better protect our pension money behind a corporate wall. That is to be accomplished by 1/1/19. Mr. Hogan also promoted the Legal Forum in October.

On behalf of the Archives and History Commission, which is now under the Board of Trustees, Mr. Tom Slack was introduced to inform us that July 9-12 United Seminary will host the North Central Jurisdiction Archives and History convocation.

Since last Annual Conference, churches recommended for closure due to abandonment or loss of missional connection include: Murray City, FTH, effective 9/15; New Life, CAN, 9/30; Embrace, CAN, 10/31; Springfield Faith, MIV, 11/15; Brownsville, FTH, 3/8, Maxville, FTH, 3/9; New Salem, CAS, 3/20; Pymont, MIV, 3/31; and Bethel, SHV, 5/1.

Mrs. Baird recognized all who serve on Conference Trustees. She then moved the Trustees Report, including the recommendations for church closures. The report was approved by hand vote. Bishop Palmer prayed over the closed churches.

Mrs. Baird then moved to adjourn the corporate session and reconvene the annual conference. At 3:31pm the motion to reconvene was affirmed by voice vote.

Conference Council on Finance and Administration Report

The Conference Council on Finance and Administration report was presented by Ms. Christine Clough, chair. Her full report may be found on page 248. Ms. Clough updated the conference on progress made with the 2015 recommendation to review the West Ohio Conference financial and apportionment strategies. A stewardship education program began last fall, and the total apportioned giving for 2019 is a 10% reduction.

Receipts on apportioned connectional giving for 2017 came in at 74%, not 76% as budgeted, with 561 churches contributing 100% of their connectional giving. West Ohio remains committed to paying 100% of its General Church apportionments.

Ms. Clough then discussed Recommendation #1 and thanked the conference staff members who work closely with CF&A.

He encouraged room for new ideas, new people and new voices in ministry and worship, even if that means not being afraid to step out of our comfort zones, like getting stronger at the gym means adding more weight. Naming some ways he has seen lay people around this conference empower others, Mr. Harper invited everyone to continue to work, fight, serve and grow to reach new people.

Before the next report, Mr. Bill Brownson introduced two staff members present with us from the investment side of Wespath, Carrie Shoemaker and Karen Manko.

Recommendation #4- Clergy Vacation Policy

Rev. Mark Weatherman, chair of the Conference Commission on Equitable Compensation, provided an overview of their work over the past year as it pertained to the clergy vacation policy referred to them during the 2017 annual conference session, including examining other conference's policies and consulting with various West Ohio teams. The proposal presented seeks a better way to provide healthy and balanced lives for clergy.

Rev. April Blaine from the Wellness Task Force offered an amendment, and printed copies were handed out to conference members. The amendment was seconded.

After several questions on the amendment, Josh Tissot, clergy, NWP, tried to amend lines 21-24, the number of vacation days, yet was ruled out of order trying to amend the amendment before the amendment was perfected.

After a brief recess, Bishop Palmer reminded the house about the three year history of this recommendation. Bishop Palmer then requested a motion to table in order to permit Committee on Rules, Equitable Compensation, and Wellness Task Force to draft a printed clarification on this amendment amenable to the three groups. Rev. Kim Pope-Seiberling motioned to table until later in this annual conference session. The vote to table was affirmed.

Commission on a Way Forward

Bishop Palmer shared some of his experience as a member of the *Commission on a Way Forward*, and emphasized the power of sharing and listening to one another's stories, which the commission had done as they began their work. Conference members were then invited to move into small groups to reflect on the following questions with one another:

1. What has been your personal experience with people who are LGBTQ?
2. How does our global nature strengthen the United Methodist identity and help us live into the Great Commission?
3. How does the church provide a unified witness in a world defined by divisiveness?

Jim Wilson offered courtesies before the lunch hour.

Sharing Ohio's statistics as well as #3428 from the *Book of Resolutions*, he invited us to listen, love and learn in order to take action and stop the ripple effects of gun violence.

Ms. Kimberly Milliken was the mayor of Colton, Ohio, a village of 479 people in Jackson County, when flooding inundated their village in July 2015. She described the horror of that evening, and the struggle of the following days to find anyone who would help, as many agencies said the damage was not bad enough. Then Mrs. Roberta Eddy with UMCOR showed up to help. She organized ten work crews along with UMCOR grants and donations that saved 10% of the homes in Colton and most importantly brought hope. Ms. Milliken said the people of Colton will be forever grateful.

Mr. Joe Blundo from North Broadway UMC then shared his experiences participating in mission trips through the church. While getting the work done is important, he reminded us the most important skill is listening. He encouraged us that there is often enough love, patience, resources and skills in most congregations to do something to make a difference in loving our neighbor. He then reminded us that even though most recovery takes years, give thanks that UMCOR will still be there.

Rev. Dee Stickley-Miner concluded our "Fear Less" talks by encouraging us to choose to be generous with our welcome and hospitality, to love with reckless abandon, to listen enough to learn one another's names, and to join God out in the world. She challenged us to risk, to dare to love others as Christ has loved us, and to do something.

All four "Fear Less" talks can be found on the WestOhioUMC YouTube channel, and small group curriculum can be found at westohioumc.org/fearless.

VII REPORTS OF ANNUAL CONFERENCE

A. EPISCOPAL ADDRESS

[TRANSCRIPT] Original video found at the following link: <https://www.youtube.com/watch?v=r7hP8W0cwKA&feature=youtu.be>

Transcribed from the video recording of the Episcopal address at the 2018 West Ohio Annual Conference on Monday, June 4, 2018.

One of the great mistakes of episcopal addresses is they're sort of like State of the Union addresses by presidents of the United States. And they've just gotten longer and longer over time. And really no particular president in mind, but I mean just over time. And I love to see those comparison charts of who was shorter and who was longer. So, they just get longer and longer over time. Because I have, in this case, the bad habit of going back and trying to recapitulate everything that I've said before. And that's dangerous and adds to the length.

So, here's where I'd like to go tonight. I just want to say thank you. Thank you. Thank you. Thank you.

One of the things I try to do when I travel, when I'm going somewhere where I meet a new group of people. I try to learn how to do it, say at least 3 things in a language that is native to those people. The first is some form of greeting. Hello will do. Good morning. I try to learn how to say thank you in that language. And I try to learn how to navigate my way to some essentials like how can I get to the bathroom. I mean, it's pretty simple. But at the core of our language, those two words held together, thank you, say it all. And it occurred to me as I was listening to everything that we did today, but particularly in the varying times of witness that the only thing I could say is thank you.

I said to Cynthia not long ago, everything that I've asked the West Ohio Conference to try to do you have tried. And sometimes we've just gone over the top with, let me use the word, success with a small 's.' I mean your responsiveness to mission, globally and locally, is over the top. And so, when we ask you to respond to those who are in need, whether immediate sort of disaster-kind of need, or chronic on-going need across decades and even centuries in some parts of the world, you respond with generosity. Wings

of the Morning which I inherited gratefully. Imagine No Malaria.

Four years ago, I stood on this stage and I asked every congregation to find some way to be engaged with people whose lives had been touched by incarceration. So, whether or not they were a returning citizen or whether or not their loved ones were in the penitentiary. And everywhere I go.... I didn't think it was going anywhere initially. Then after about two and a half years I see some signs. We get some reports. Now everywhere I go people say, Bishop, we want you to know...we want you to know what we're doing to be in relationship with people whose lives have been disrupted by incarceration. I came by tonight to say thank you.

I've been pushing, in my years here, not because it hadn't been done before, for how we could be and how we could equip ourselves to be the church of the future in terms of meeting the new neighbors all around us. And today when those folks walked across the stage, having been trained and certified in a certain level of being, cultural competency coaches, it occurred to me everything that I've asked you to try to do and whether or not staff has initiative or whether or not it's happening more from the ground up, when we began to dream together about how could we see the future with new congregations and renewed congregations...and I'll say more about that in a minute. Everything, everything, everything, everything, everything, everything I've asked you to do, by God's grace, even if you didn't think it was a good idea, you didn't get in the way. And some of you went above and beyond expectation. So tonight, I just want to say thank you. 'Merci beaucoup.' 'Mucho gracias.' If I was Russian 'spasibo.' If I was Portuguese, I would say 'obrigado.' And on and on and on. Thank you. Thank you for being you, for being responsive, for paying attention to the mission of the church.

Now there are 3 things...3 categories of things I'd like to get at tonight. And the first is to update you a bit on the Commission on the Way Forward work—not because you don't any sense of what's going on. We live in a flat world. We've got so much news in the church and in the secular environment as well. And to speak nothing, I mean, beyond hard news, we have so much opinion and punditry, you know, blogs and everybody's got an angle of view. That's neither a good nor a bad thing. I simply accept it as a part of the landscape. But I want to say to you thank you for releasing me to do that work in your behalf and you're being broad—not just West Ohio, but folks all over this world. There's a fabulous picture coming up on the screen at our closing devotions, we were in the Upper Room Chapel at Discipleship Ministries in Nashville, Tennessee. And we were engaging in a little bit of ritualistic blessing of each other, offering each other words of apology if they were necessary, receiving and offering words of forgiveness about all of the intense work and deep and robust conversations that we had had together across what then was getting very close to 18 months. I mean, I spent...and I by no means was a workhorse in terms of people who actually had to organize the meetings, who were on the writing teams, including travel 45 days outside of the episcopal area since January of 2017, doing the work of the Commission on a Way Forward because I believe in what the General Conference delegates had voted. I believed that I had something to contribute though it was not my first response when invited. And I believe that once I'd begun the journey I ought to stick with it to the end. My life has been changed and renewed and transformed by stories and narratives and relationships. And I've watched that happen across the globe. I do not know that I have ever been in as diverse a group in more ways of defining diversity, ever in the Commission on the Way Forward. And so, I thank you and I thank the delegates to the General Conference who offered that up and who voted it by however narrow a margin, that that work be done in behalf of the church—not because it's perfect but because people gave themselves to the task.

When we set out to do that work as a commission we framed it and were framed for the work by this vision statement that says: The commission will design a way for being church that maximizes the presence of the United Methodist witness in as many places in the world as possible, that allows for as much contextual differentiation as possible, and that balances an approach to different theological understanding of human sexuality with a desire for as much unity as possible. This unity will not be grounded in our conceptions of human sexuality but in our affirmation of the triune God who calls us to be a grace-filled and holy people in the Wesleyan tradition.

And the next slide teases out what's been highlighted in yellow. Maximize the presence of the United Methodist witness, allow for as much contextual differentiation, balance different perspectives...theological perspectives...and seek the unity of the body as much and as deeply as we can. And what I want to report to you.... you...you already know what's out there, but what I want to report to you, and I believe the brother...Brother Nuckol who's here from the commission (the brother that's the conference lay leader) can affirm this.... And this is not about affirming the jots and the tittles of a report that will go forth to the whole church through the General Conference. But what I want to say to you is we approach that work and through many dangers, toils and snares, we at every stage sought to do that work (listen to these two key words) with earnestness and with diligence, which is not to say that we were a group of perfect people or that there were any perfect people among us. It is not to say that there were not disagreements among us, and not profound places of celebration about the things that could be agreed to as would be the case with any diverse group, which, by the way, would be any local church in this Annual Conference. If you think everybody in your local church thinks like you...you know...you know in your head and in your heart that it is absolutely not true. But did we go about that work with earnestness and with diligence and sought to be shaped to be a people (to quote from the work of "The Anatomy of Peace" in The Arbinger Institute to be a people who approached one another and approach the work with a heart of peace.

The church will see all of this work coming out. It's being shaped now in terms of translation and moving around of the jots and tittles, so everything makes sense. And the preference has been expressed by me and the colleagues on the Council of Bishops, through the process of voting, for a one-church plan which you have heard about. But all of the work that was considered will be work product that is given to the church. But what's being worked on by way of petition from the angle from which I've been working

will be a petition about the so-called one-church plan, which I don't want to go into great detail about tonight because I know you've read about it and will have other opportunities to be in conversation about it.

What I want to say is, we need to affirm and embrace together what our task is now that the work of the commission and this piece of the work in collaboration with the Council of Bishops is now behind us. And the deadline for petitions to the General Conference, of which there are likely to be more than one (shall we say?) are sure to be the case. Our task will be in this conference, but I think it's true in every conference, to stay on mission. Right now, we are one church. Are there people who move or push the envelope in different directions? That's true in every local church. It's true in every annual conference of the United Methodist Church. It would be true in every denomination of the Christian church, and it's true in all of the churches that say they're non-denominational. Whatever the parameters are, whatever the framing is, whatever the narrative is, there are always people and groups of people and sometimes to the blessed glory of God, who are pushing the envelope in one direction or another. And so, our task has to be always to study and to listen and to learn from one another along that journey, and to refuse...to refuse...to give in to the low bar of narrating our neighbors as if the person that disagrees with us is deserving of our judgment and our castigation.

I said in a sermon at the General Board of Global Ministries.... I said in a sermon I delivered in April at the General Board of Global Ministries, I said, We seem to have a human habit.... And I gotta say to you.... I mean, I hope we're talking to the inside crowd tonight in the Christian community. We Christians have a peculiar way of doing it. I mean, sometimes we can take the work of tearing stuff up better than folks that say they don't know the Lord. I'm just puzzled by that. But let me not tarry there too long. I don't want to put a quarter in the meter there right now.

But we have the peculiar habit in the human community and sometimes in the Christian community of just needing someone to hate on. You know I'm right about it tonight. We say our life would be better if it wasn't for...and then you fill in the blank. And we do that all the time. We've done it culturally with race, with gender, with new neighbors. Are you hearing me? Our neighborhood was better before those folks moved in. those are illustrative because I know you all are multi-culturally competent. So, it's all good.

But what is it about we human beings that every thought we have sometimes we've got to bring to speech and to behavior, so as to nullify the reality of the people around us? I mean, that's our problem. For example, let me use race as an illustration. The difficulty and the discomfort that's caused by people of different races, ethnicities, national origins, sometimes language groups, and sometimes just good old lifelong Americans, but who do not look like the majority, the discomfort caused at those folks inhabiting our space.

The tragedy is I've lived long enough sometimes to see that thing move in reverse. And it makes me weak. "We need to get over ourselves. We need to get over ourselves and open ourselves to all of the people around us. I mean, you can take for just a moment conversations around human sexuality out and we still got issues, which is the delusional thinking that should we reach a good result in St. Louis or in Minneapolis or whenever where we find a way to live together, that somehow or another the whole fullness of the reign of God will have come. Are you kidding me? I mean, I know that's all we can talk about right now as United Methodists. But the reign of God will not have come in complete fullness just because we reach a good place there. If we do, pray God it's really a bridge until we get to the next bridge that we need to cross, to deal with all of the other pains and separations and isms in our lives. We need to strengthen our capacity going forward particularly to St. Louis, but I think it's all-the-time work to do life together.

I saw something the other day and I tweeted it out for those of you that do follow WOC Bishops. So just get @WOCbishop. I promise I won't tell you when I'm in the barbershop, at dentist and all of that. I'm just not gonna waste your time. And why do you need to know all of that? Hint. Hint. Hint. Can I just pick up on the comedian Sinbad? You don't have to tell everything about...we don't need to know everything about you all the time. Hallelujah.

Mother Teresa said this: If we have no peace it is because we have forgotten that we belong to one another. I wish you'd read that with me. "If we have no peace it is because we have forgotten that we belong to one another."

When I refer to the earnestness with which we tried to go about our work in the commission and learning what it meant to be in difficult conversations about Christian faith and human sexuality with a heart of peace, one of the on-going questions that ties so deeply into our theme and this theme was set long before the commission convened... I can testify to that. ...was is there enough room and depending upon how you use the term room, it's also about capacity...do we have enough capacity, spiritually, emotionally, culturally, psychologically, etc. etc. to dream a new future not apart, but together?

I know almost all are tired of just talking. You don't have to raise your hands. I'm not asking for that. But sometimes you're just worn out. Just tell the truth. You're just worn out whenever there's been a difficult conversation in a family, in an institution, in an organization. You just...you just get tired after a while. You need some respite. And we ought to be tired. I mean, 50 years is a long time. So, we ought to be tired institutionally. So, I want you...I want you to hear me. Fifty years is a long time. It's 46...technically from language insertion into the Discipline in 1972. But the conversation preceded that. Fifty years, roughly speaking, almost the whole time we've been the United Methodist Church. We've been carrying on this conversation. But what I want to say to you is just when we get to that point of weariness is exactly the wrong time to stop building our relationships, listening to our stories, increasing our capacity and opening our hearts toward one another and refusing...refusing to unhitch ourselves from each other. If we have no peace, could it be that we have forgotten that we belong to one another?

So, in the next 2 days there'll be two 45-minute opportunities where we will organize conversations during the plenary session in this room. You'll be asked, with some guided questions, to be in conversation with at least one and no more than 2 other people because, you know, we cannot rearrange the space in which we choose to have Annual Conference. And we need to be praying going forward. The kind of work that we need to do as a judicatory of the United Methodist Church, what's the kind of space we need to do it in in order to turn toward one another. I have no... I have no agenda around that. My agenda is how to help us do conference well. And I am... I am convinced that three and a half days of looking at the back of one another's heads is not in the modern era exactly the best way to build community, relationships and have conversations. So, at 11 o'clock.... At 11 o'clock on the next 2 days there'll be an opportunity for us, however awkward the physicality of doing that will be, to be in conversation. And I'll say more about that tomorrow morning. So that's the first thing I'm asking you to do that's very specific, is to make yourself available to that.

The second is to begin to lean into the phase 3 of praying our way forward as we move toward St. Louis. General Conference is scheduled for February 23, 26, 2019 in St. Louis, Missouri. We have asked by the Praying our way Forward team for every United Methodist that can to engage in a Wesleyan fast beginning late afternoon or evening on Thursday and proceeding until at least mid-day on Friday. We are capacitated in different ways around that. But those who can, when they can, we encourage you to do and find a way to devote that time to prayer and reflection and opening your heart to God about what does it mean to live into the future church and to face the world with a heart of peace?

And finally, every United Methodist and every United Methodist organization, local churches etc. is being asked to the extent possible, to observe 2/23 to 2/26 a.m. and or p.m. (some of you are night owls; some of you work the night shift) three minutes of prayer. Three minutes of prayer at those times during the day or night as you are able. More will be coming out from ...through our website that reminds you of this. But these are fairly simple asks. Talk to neighbors. Fast if you can. And pray with regularity. I'm asking you to do those things as we move forward and claim together a new future.

I live in the conviction that there is enough—enough room for all of us, enough room for some differentiation and difference and always enough room for vibrant expressions of our unity. I've been thinking about what's been going on in...in...in the church at large around this and many other things. I think about as different things come across the...my desk, and as I see different report out here, even on the stage at Hoover Auditorium. And you heard today in the Conference Trustees' Report an update, and you saw some photos. You're gonna see some similar ones again. ...on the renovation that you authorized and affirmed on multiple occasions to the conference center. So, it's acquisition and it's renovation. And I got to thinking about that. And I was thinking about the work of Phyllis Tickle. I was thinking about all of these events we had around the conference on fresh expressions. My mind went back 25 or 30 years to the worship wars in local churches, which by the way have not ceased in some of your local churches, about what kind of music will make us just right and saved with Jesus. But you know, you know, what.... Have mercy. I better leave that alone.

But when I thought about Phyllis Tickle's image or metaphor...and there are other folks that have weighed in on this...that says if you look back on Christian history it seems that there might be a pattern that roughly speaking every 500 years there is a great rummage sale in the Christian faith. And the rummage sale is the cleaning out of the attic. And usually it is the institutional church responding to ways in which to be church in the world in which they find themselves, not to be church for another era. That's not to say that the core of the gospel changes. That's not to say that what the triune God asks of us changes. It is not to do away with the summons of the crucified and risen Christ who says 'follow me' that that ever changes. But the form, sometimes the format, the shape, the communication of it changes. And she takes us across those epochs of Christian history. Late 4th and early 5th century, apostolic era is over. The era of Constantinian Christian faith. Eleventh century, the great schism, east and west. Sixteenth century, the Reformation which we spent some time reflecting on across the Christian community particularly in 2017, and now the 21st century in this era of modernity where there are any number of notable changes. They didn't just start in 2000 or 2001. They emerge over time. But roughly speaking, if you look at the demarcation of when these things happened, roughly speaking 500 years. Tickle goes on to point out that Jewish sisters and brothers say they can see the same thing in Jewish history. And our Muslim sisters and brothers say they see a similar pattern. So, I don't know if there's something endemic about our state as human beings that there's some kind of internal clock. But roughly speaking about every 500 years big change is going on.

So, the question for us, in every way, whether or not it is whether we're gonna start a new faith community in Starbucks or in a yoga studio, or in a farmhouse, or...You add to the list. New forms are emerging, and the question of enough-ness is, do we have room and capacity (watch this) to see it, to support it and to validate it as authentic? The only thing you need from me to validate it is not some of the usual institutional props of which I've been a huge beneficiary. And I don't intend not to be a bureaucrat tomorrow. I mean, I didn't.... that's not how I dreamed myself when I was struggling with the call to ministry. But it's how I've ended up. It's okay because even bureaucrats get to do some creative things.

Do you know that under our Book of Discipline you cannot start a new church without the bishop saying what? Yes. The bishop has to say yes. Now, I don't do any of the work, but I get to say 'yes.' The office of new church and missional development. The district superintendents, your dream teams in your districts. You do all the leg work. Your district boards of church building and location. And then it's vetted in a variety of places, but you cannot start a new United Methodist ministry that you intend to be a church without the bishop clearing her or his throat and saying, Let's give it a try.

I'm excited about what's going on because there are new forms of church emerging—not all of them float my boat. Sometimes I gotta contort my face and then get my game face on and say I'm so glad to be here this morning or this afternoon or this evening. And what I say to you is when I say it, I mean it. When I get to 'I'm glad to be here,' I mean it because something other than my peculiarities and my preferences is transcended by the presence of the Holy Ghost. And I say, I see God at work in here.

I mean, haven't you seen folks sit up in a church service of some style of music or liturgy that they didn't like, and after a while if they tarry long enough, if they just don't get up and run out the door, after a while you look, and their foot is moving. And if you're sitting behind them you can see their head swaying. I say something got to them. They didn't like hip hop, they didn't like the blues, they didn't like rock-n-roll, but after while their foot got light because something was moving on the inside. The message of who God in Christ was and is has not changed. If they could open themselves just for a nanosecond to a new form they could be interrogated by the question, Is God in this place? Is this the work of the Holy Spirit? Do we see the work of the triune God authentically at work in this new faith community or this person that represents a different demographic than we happen to be? That's really the question. That's the question we have to wrestle with every day of our lives as members of an institutional church.

So, I think the attic is being cleaned out. I showed you those pictures because at the conference center one of the things we're doing.... And Brother Bill Bronson has organized this along with teams of our staff members. And some are more zealous than others. I don't happen to be one of the more zealous ones. But I had to get with the program because you know, I'm a pack rat. I like books. I like my stuff. I like bric-a-brac. I like paper. So, you all will have to forgive me. But digitization of our records is coming. There was a good sister in there and several good folks that have come in, male and female. And they sat sometimes for hours, days upon days, upon days, just taking files, from Connectional Ministries, from the Office of Ministry, etc. and just running them through a scanner and loading them to a secure cloud. The attic is getting cleaned out.

We have to interrogate ourselves as to why do we need this piece of furniture, which we are holding together with duct tape, is no longer safe, if somebody fell what we have to pay out in a claim would cost far more than a dozen new chairs. The attic is being cleaned out. So, I want you to start working on cleaning out the attic at your church and ask is there room for some new form which does not mean everything that's old school goes. But it means you interrogate it say, is this any longer meaningful. If so, to whom, for whom and why. But you must interrogate the new with the same scrutiny. Is this meaningful? If so, for whom and with whom and why is it meaningful.

I never was more moved today than when we heard one of the witnesses from New City Church and then we had...some other folks there and then we had the 'Light the Way' report. They reported to us that we are north of 2 million dollars in a 5-million-dollar campaign. I want to say to y'all, Let's come on and get this thing finished up. Let's get this thing finished up. In the next...in the next year let's finish this thing up. I know that the resource is there because there is enough. And you are beginning to see, through the events we're having, through Light the Way, through Annual Conference, through the website, through Facebook and through Twitter, what is happening in the transformation of people with new expressions of ministry whether in reframed congregational and missional life, or whether in the starting of new faith communities.

One of our district superintendents said to me today in a break...that person said to me, If we had the money in this district where I serve, I could start 10 new congregations in the next 12 months. The opportunity is rife. And in spite of the craziness of the church and the world never have we had a better opportunity. I'm glad we gotta go back to work and ask people to follow Jesus and not just assume they're gonna show up in Sunday school, and expect that they're going to ask us, Why should I follow Jesus? Why do I need to be a Christian and live my life in Christian community? If we're not the answer to that we ought to get out of business—not only not start any new churches, but close down maybe the one thousand that we have—if we're not in the business of entering into people's lives and letting them enter our lives in ways in which we are both transformed by the living Christ who is in our midst.

You see, what's happening at this Annual Conference that's messing us up and why the tears keep falling down our eyes, is because we have recovered the old art of testifying. Let the redeemed of the Lord say so. If the Lord has done anything for you, you ought to testify to the Lord's goodness. We get up here and mouth, talk about God is good. And somebody says, 'all the time.' I want somebody to tell me how good has he been to you? I mean, I don't have enough time to tell you how good the Lord's been to me. But every now and again I got to testify. I just start with 'he woke me up this morning.' And he started me on my way, gave me food to eat, put shoes on my feet, put running in my feet, ??? in my hand, gave me joy, gave me hope, gave me a meaning and purpose of living. I'm just trying to illustrate.

Testify. You don't have to testify, give my testimony. Give your testimony. I mean, the power of Wesleyan covenantal life was and any authentic Christian small groups, part of what they're doing in being accountable to one another is opening themselves... opening themselves to narrate and to receive the narration of their sisters and brothers along the way, about how God is active and present in their lives—not when they got confirmed and not when they got baptized, and not when they got converted. Janet Jackson used to sing 'what have you done for me lately?' If you could hear God ask.... If you could ask God that question you wouldn't have enough capacity to receive it. Testify. Which simply means don't think you're going to turn into something that you're not. It is developing voice and capacity to speak openly and explicitly and with gratitude and acknowledgement of the activity of the triune God in your life.

I mean, if we had time tonight, I'd have you turn to your neighbor.... In fact, I think I'm going to take the time. I'll get you out before the ice cream melts. Just take a moment and speak to one neighbor about how you've experienced the presence of God in the last week. Would you do that? Just take a moment.

I want to I have felt his presence just in here.

All right, my friends. Thank you for giving way to that. I knew a minute would not be enough. But let me just give you a stretch break. And in thanksgiving for what you said and what you heard, would just join me, as you stand as able, in The Doxology. ...God from whom all blessings flow. ...creatures here below. Praise God above ye heavenly hosts. Praise Father, Son and Holy Ghost. Let the church say, Amen. Get back in your seats. I'm almost done. I know that'll be shock to you. But....

In order to continue to stir that conversation and in response to some nudging's of the Spirit and of people that I work with all the time, let me say I'm not going to throw her under the bus, I'm taking ownership. But Kay Panovec, our Communications Director, who said to me a number of months ago...she said, Bishop, we're going to choke on our current narrative. Let me see if I can say that another way. We're just going to talk ourselves into institutional failure. Let me see if I can say it another way. I'm owning the last 2 parts. We're going to gaze in an awkward position at our own ecclesiastical navels until we're nauseous.

We keep telling ourselves not only the world, but the church is going to heaven...going to hell in a hand basket. We stand a good likelihood of bringing that to reality. We've got to begin to narrate a future like we want it. And part of it is turning again to the God who has never forsaken us, never forsaken us, promised in his word. If you go do my work, preach, teach, baptize, make disciples of all nations... What was the promise? Lo, I am with you 'til the close of the age. Do we believe the promises of God? I mean, I don't have time to run down Route 66 and hit your favorite promise. I just want you to know that God...God...God is faithful. That's why half of you wanted to start crying this morning when...when...when Brother... Brother...Brother Chuck started messing on that flute with "Great is thy Faithfulness." And he got to the part and ripped a little bit on ALL we have needed God has provided because there's enough. I came by tonight to testify that God's promises are sure. God will keep God's word.

I used to hear a disc jockey in Philadelphia, he would sign off. This may have happened on your urban radio station as well. He'd say, Now if you're wondering why you're not as close to God as you used to be, he said, don't have any doubt about which one of you has gone astray. This was on an R 'n B station, y'all. God is faithful to God's promises.

So sometimes when I need to re-narrate myself because I can get discouraged. You're not human if you can't. So, I'm not ashamed of that. I'd feel a little guilty if I wallow in discouragement over a protracted period of time. But to have moments where you can't see in the dark and wonder if you're ever gonna see the light again, there is no failure in that. But to persist in it is to deny the promises of God. And it is beginning to narrate yourself out of un-trust of the living God. So sometimes I just sing myself into good spiritual health. And one of my favorites is: 'Tis so sweet to trust in Jesus, just to take him at his word, just to rest upon his promise, and just to know thus saith the Lord. And then I get to the chorus, Jesus, Jesus, how I trust him. How I've proved him. I've come to the intersection in the road and how I've proved him o'er and o'er. And then this part of the chorus that just says, Jesus, Jesus, precious Jesus. Now, this is my prayer. Oh, for grace...oh, for grace...oh, for grace to trust him more. Would you sing one verse with me? And then when we get to that chorus, we're gonna put a quarter in the meter for a minute. Yeah.

'Tis so sweet to trust in Jesus, just to take him at his word, oh just to rest upon his promise, and to know thus saith the Lord. (We're gonna pick up the pace now.) Jesus, Jesus, how I trust him. How I've proved him o'er and o'er. Oh, Jesus, Jesus, precious Jesus. Oh, for grace to trust him more. (Now 3 times, just oh for grace.) Oh, for grace, to trust him more. (One more time) Oh for grace to trust him more. (One more time.) Oh, for grace, to trust him more.

That's what I sing to myself. I invite you to get that tune in your head even if you think you can't sing. And just say, Oh for grace to trust him more. I was flipping through the Book of Acts some months ago and I got to that section about the stoning of Stephen. Oh Paul, or Saul, was holding the cloaks. But it says, Stephen was going down with the stones. Said he lifted his eyes toward heaven, and said, Father, lay not this sin to their charge. I heard a preacher one time say, I wonder how when you've been condemned and you're getting stoned you can pray for the forgiveness of others. And the preacher painted a picture. He said, he believed.... He didn't know this. This is not in the The Book. He said he believed that the risen Jesus who was sitting at the right hand of the Father, stood up and leaned over the balcony of glory and leaned over and just whispered, Give Stephen a little more grace, a little more grace, a little more grace. Oh, for grace to trust him more.

When you think you can't take it anymore just sing 'Oh for grace, to trust him more.' I need that kind of grace. And because I live in a spiritual economy of abundance, I know that it's available to you and to me. So, here's the final words. I'm coming out in the fall.... Anybody get a bookmark tonight when you came in? Say Amen. If you didn't get one, borrow one. This is still in response to the re-narration. And the Holy Ghost said to me, go...go to the people and gave me these words: I believe in the church. That's what I'm coming out to do. I'm going to do a little teaching on ecclesiology, the nature and meaning of the church. There's going to be some testifying from the people in these regional events. And there's going to be some inspirational worship. Those are 3 things I'm promising you—teaching, testifying and inspiration.

I just want to spend 90 minutes with you and you with one another as we affirm our faith together.

Do I believe the church is perfect? I'm not as dumb as I look. But I believe in the church. You've heard me stand on this stage before and say, Tell the pallbearers of church at large and of the United Methodist Church, put away their white gloves and go do something else. Are we gonna have some pains? Yeah. We're gonna do a little ecclesiastical fighting and then try to play nice with each other? Probably so. But I want you to know I'm all in and I believe in the church. I went through the creeds of the church. And in ancient language, the Apostles Creed, Nicaea, in modern Greece, we said it last night. You get to a line after the affirmation of the triune God, creator, redeemer, sanctifier, Father, Son and Holy Spirit, I believe in the church, not because it's perfect. Watch this, then. But because it is of God.

If you go to baptismal covenant three in the United Methodist hymnal it'll begin with the introduction on the part of the presiding officer, the church is of God and shall be preserved 'til the end of time. You tell the pallbearers to stand down. God is not through with the church. Now we're stumbling and grumbling into becoming a new church. We're overcome, almost about to choke on this attic rummage sale material. But there's a new church trying to get out. It's a diverse church. And I'm not going to wait 'til I get to heaven 'because I see a vision right now of the nations of the world, of the languages of the world, of the colorations of the world, of the various topographies of the world, I believe in the church. I believe in the church. I believe in the church. I believe in this church.

[Applause]

I don't plan on going anywhere unless the Lord calls me on the big trip. And then I'm going to still be a part of the church cause our witness is you go from the church militant to the church triumphant. I'm never not gonna be a part of the church. Byron Stone in Boston University School of Theology said in his book on evangelization that the church (watch this) is God's strategy for evangelism. The church, rightly formed, and doing the right thing. And that's what we gotta do, is get more deeply in alignment with each other and with God's spirit so that our witness is a sweet aroma in a funky world...in a funky world.

But I'm coming this fall. I'm expecting in the aggregate to see at least this many people. And you bring all the folks that don't get to come to Lakeside, so we have to put chairs in the aisle for teaching, testimony and inspiration because together we're gonna affirm our faith. I believe in the church. And I'm gonna work like God has purpose for the church and get rid of the narratives of death and pull back from old school and ancient spiritual where my forebears said, I keep so busy working for the kingdom, I ain't got time to die. I keep so busy working for Jesus I ain't got time to die or to be around a dead church. I keep so busy working for the master I ain't got time to die. Well, why don't you have time? Cause it takes all of my time to praise my Jesus. And it takes all of my time to praise my Lord. And if I don't praise him the very rocks are gonna cry out. Glory and honor, glory and honor. Ain't got time to die. Come on and help us. When we sing, I'm done. Let the church say. Amen.

[Singing]

Lord, I keep so to praise my Jesus. Keep so busy praising my Jesus. Keep so busy praising my Jesus. Ain't got time to die. When I'm healing the sick, I'm praising my Jesus, healing the sick, praising my Jesus. Healing the sick, I'm praising my Jesus. Ain't got time to die. Cause it takes all of my time, all of my time to praise my Lord. If I don't praise him the rocks are gonna cry out. Glory and honor. Glory and honor. Ain't got time to die. Lord, I keep so busy working for Jesus, keep so busy working for the master, keep so busy working for the kingdom, ain't got time to die. When I'm feeding the poor (praising my Jesus), feeding the poor, (working for the kingdom) feeding the poor, (working for the kingdom) ain't got time to die. 'Cause it takes all of my time to praise my Jesus, all of my time to praise my Lord. If I don't praise him the rocks are gonna cry out. Glory and honor, glory and honor, ain't got time to die.

And now may the God of hope fill you with all joy and peace in believing so that you may abound in hope by the power of the Holy Spirit. And may the blessing of God, Creator, Redeemer and Sanctifier be with you now and always. Amen. Go in peace.

B. BOARD OF PENSION & HEALTH BENEFITS

Bishop, members of the cabinet and Members of this Annual Conference, I'm pleased to report on the work of your Board of Pension & Health Benefits and present our recommendation.

Please know that I am NOT trying to circumvent the authority of the current board chair, Barry DeShetler. After presenting a wonderfully light-hearted report last year, even though he gave it under great personal anxiety, Barry did not want to spoil his retirement celebration by having to (according to his own wife) "Suck it up!" again this year. So, here I am. And yes, this report will be brief.

While staying true to the theme of this Annual Conference Session, Be Not Afraid – There Is Enough, I am well aware as a husband, a father, and a pastor that there are two things that can weigh heavy on the minds of many people – the increasing cost of health care AND will I outlive the money I have set aside for retirement. These are REAL concerns for all of us.

However, these are both situations where working together is paramount. Your Conference Board of Pension and Health Benefits will watch out for you as best as we can. Still, you continue to be your own best advocate. We are way past the idealistic state where we blindly act like someone will take care of all of our needs medically or financially. The good news is this – there are more resources now than ever before to assist you in making informed decisions for both your healthcare and your financial future.

The recommendation from the Board is found on pages 259 to 262.

HEALTH CARE PLANS

The Board continues to review the healthcare plans for both retired and active clergy annually. At this time, there are no anticipated changes for either the retired clergy or active clergy healthcare plans. The latest medical claims data will be reviewed in August in preparation for setting 2019 premiums. When that data is available and released I would remind everyone that it is imperative that our premiums cover the costs of our self-insured active plan as well as keeping our long-term healthcare liability in check for the retiree plan. One hopeful sign is that so far this year, our actual healthcare claims are below our expectations.

PERSONAL RESPONSIBILITY

I do wish to continue the theme that Barry DeShetler brought to this Annual Conference last year – "You are your own best advocate." Perhaps, like I have, you have been with a hospitalized parishioner whose family members are distraught with the multitude of medical decisions that must be made. There are some who have simply turned to me asking, "What do we do next?"

We as clergy are not immune to this conundrum. And I know that some of you, like me, have experienced the overwhelming sense of angst in not knowing what to do and who to listen to regarding important medical decisions. I would encourage all of you to take advantage of educational opportunities regarding healthcare and healthcare case management.

However, even before you get to a critical healthcare situation, we all need to be reminded that we have a personal responsibility to God, our families, our local churches, and ourselves to take the best possible care of ourselves that we can. The stabilization of our healthcare costs will only happen when, individually, we take better care of us.

Your Board will continue to provide incentives through programs like Virgin Pulse and a financial incentive for getting an annual physical. I don't know about you, but I sure smiled when I received a \$100 check for completing my annual physical – which was FULLY COVERED under our healthcare program.

Another opportunity for active clergy is participation in the Health Savings Account Plan. Just by signing up, the Conference will deposit money on January 1 and July 1 into your account that can be used for any medical procedure, and prescriptions that can also cover over-the-counter medications and materials. Those enrolled are also encouraged to contribute as much as you can so that you can make the most of the tax-deferred benefit of this savings plan. The best thing is – THIS IS YOUR MONEY! The unused money in your account rolls over from year to year so that you can use this for healthcare expenses when YOU need it.

PENSION

Now, let me shift your attention to the pension side of things. As with healthcare, there are reliable resources at the Conference office to help you navigate the pension process. Mike Kremnitzer, Director of Benefits and Human Resources, and Sandi George, Benefits Coordinator, are there to help you and answer questions you may have around YOUR pension.

I do want to highlight some specific items of note in this year's recommendation.

The past service rate or PSR for the Pre-82 plan effective in 2019 is increasing to \$611 per service year and that this yearly rate may not be decreased.

As I have mentioned, you are your own best advocate. Yet, you are not the only advocate. The Conference Board of Pension and Health Benefits walks this journey with you and seeks new ways to help you become "retirement ready." With that objective in mind,

the Conference is offering a strategic two-step approach.

First, beginning January 1, 2019, all eligible clergy will be auto-enrolled in the United Methodist Personal Investment Plan (or UMPIP) for a pre-tax contribution at a rate of 3% of his or her plan compensation (which is cash salary plus 25% for housing if living in a parsonage or the amount of any cash housing allowance where provided).

Now, let me clarify this a bit.

If you are already enrolled in UMPIP and are currently contributing at least 3% of your plan compensation, there will be no change. If for any reason you prefer not to contribute at least 3% of plan compensation beginning January 1, 2019, you can opt out by completing the Contribution Election form from Wespath.

Then, beginning January 1, 2020, all eligible clergy will see an auto-escalation in their pre-tax UMPIP contribution at a rate of 1% per year until a maximum of 10% is reached. This is the second step.

If you are already enrolled in UMPIP and contributing more than 3% of your plan compensation, you will see the auto-escalation in 2020 UNLESS you are contributing 10% or more of your plan compensation or opt out by completing the Contribution Election form from Wespath. In any case, personal contributions will be billed to the local church by Wespath and paid from payroll deduction by the local church. Please understand that these actions are being taken to assist every eligible clergy in reaching your financial retirement goals.

While I am not trying to preach to my colleagues, I do know that preparing for retirement IS a big deal – no matter what your age or position. There is no denying the fact that on the whole, we are living longer and longer. And, I do not believe that any of us want to become a financial burden to our children or grandchildren while still maintaining the best quality of life that we can.

What can you do? Participate in retirement funding to the maximum level you can. Continue to or begin taking advantage of retirement seminars. I know that for some of you, retirement is really low on your list of priorities. Still, it is NEVER too early to be considering how you are preparing for that day in the future when you walk across the stage and shake the Bishop's hand.

Bishop, members of the cabinet, and members of this annual conference I want to thank Barry DeShetler, chair of this board, Mike Kremnitzer our Conference Benefits Officer, Sandi George our Conference Benefits Coordinator, and Bill Brownson, CFO and Director of Administration for their leadership and the work they have done this past year. They all are superb assets to our Conference. With that, I move the adoption of recommendation number two.

Ken Woode, Member

C. BOARD OF TRUSTEES

Thank you, Bishop Palmer. I move that this session of the Annual Conference be adjourned and that the Corporate Session of the West Ohio Annual Conference of The United Methodist Church be convened.

Bishop Palmer and members of Annual Conference:

The board of Trustees has met five times since the last Annual Conference and conducted substantial work on behalf of the conference.

The Affiliated Organizations Committee has reviewed relationships statements with all conference-affiliated United Methodist organizations. Part of this process included engagement with leadership of these organizations and the development of a template covenant statement that we'll use going forward.

Ann Hartmann, thank you for leading this committee.

Under the oversight of the Trustees, the Conference Investment Policy Committee oversees the investment management of over \$80 million. Marlen Yost chairs this committee, which ensures that local church endowment funds, assets set aside for clergy benefits, conference reserves and the Trustees own endowment are appropriately invested. Investment performance in 2017 was strong. Most assets are invested in balanced strategies, which returned about 13%, which was in line with benchmarks.

The committee also initiated a conversation with the makers legislation from the 2011 Annual Conference session involving investment policy related to the Israeli-Palestinian conflict. You'll learn more about that when Recommendation #5 comes before you.

Thank you, Marlen, for leading the Investment Committee

Much of the Trustees' work the past year involved real estate. I've asked Dr. Julie Hurtig who chairs the real estate committee to share their work.

- Acquisition of 32 Wesley building that serves as the Conference Center was completed December 28 and renovation began a few weeks later.
 - o Both the acquisition from UMCH Family Services and the renovation were first authorized by the Annual Conference in June 2014 and together included a \$5 million price tag.
 - This project is overseen by a Building Committee that includes Ann Baird and me from the Board of Trustees, two members of the Council on Finance and Administration, Bishop Palmer, Chancellor Chris Hogan and CFO Bill Brownson.
 - The net total cost to the Conference will be slightly over \$5 million due primarily to construction inflation over a four-year period and a heating and air conditioning decision that while costlier up front, will save \$500,000 over the life of the equipment.
 - The delay did benefit us in one way: we paid for the property from the Trustee's Capital Fund. Investment returns have been strong since July of 2014 and that means our current investment fund is larger than it would have been had we divested earlier.
 - All in all, we believe we're being good stewards of your resources and honoring earlier recommendations.
 - o We continue to collaborate with Camps and Retreats Ministries and the numerous needs that arise with operating three camps and on the screens you'll see some of the things we've been working on.
 - o A new Health Center that will also hold the Director's Office is being assembled at Camp Otterbein. This is a \$130,000 project.
 - o The roof at Camp Widewater's retreat center recently met its end and fully replacing it over a two-year period will cost just under \$100,000.
 - o A new log cabin at Camp Wesley started last fall is nearly finished as well, representing a nearly \$60,000 investment.
 - o These major projects along with the Camp Otterbein Kitchen renovation that was completed in 2015 at a cost of \$350,000 brings us to \$640,000 in major capital investments in our Camps and Retreats Ministry in recent years.
- While the real estate committee and the rest of the board of trustees realize that capital projects at our camps is a cost of being in this ministry, we are all looking forward to the completion of the conference center renovation and the chance to focus our time on other ministry areas.

It's my pleasure to introduce Chris Hogan, our Conference Chancellor, who will provide an update on legal matters:

- Intent to incorporate CBOPHB
- Legal Forum

Thank you, Chris.

At the 2016 Annual Conference, the Conference Commission on Archives and History came under the oversight of the Trustees. Rev. Tom Slack was asked to chair the revamped committee and we are grateful for his leadership.

- Next month on July 9-12, United Theological Seminary will host the annual North Central Jurisdiction Archives and History Convocation.
- Concurrently, the Historical Society of the United Methodist Church will hold a conference titled “Merging the Streams” commemorating the 50th anniversary of the United Methodist Church History. If you are interested in either or both of these events, please check the conference website.

Finally, the Trustees have the responsibility for property of closed local churches. This comes about after a District Superintendent recommends closure or reports abandonment, and Cabinet concurs. Since our last Annual Conference, the following churches were closed:

- o In the Capitol Area North District
 - Embrace at Easton Community, October 31
- o In the Capitol Area South District,
 - New Salem, March 20
- o In the Foothills District:
 - Brownsville, March 8
 - Maxville, March 9
 - Murray City, September 15
- o In the Miami Valley District
 - Springfield Faith, November 15
 - Pymont, March 31
- o In the Shawnee Valley District
 - Bethel in Lawrence County, May 1

Bishop Palmer and members of Annual Conference, this concludes our report.

Bishop, if you are ready, I move this Trustee Report be adopted, including the recommendations for church closures.

Bishop, I now move that the Corporate Session be adjourned and that the Annual Conference Session be reconvened.

D. CONFERENCE COUNCIL ON FINANCE AND ADMINISTRATION

Good Afternoon Bishop Palmer and Members of Annual Conference. I am pleased to be with you today to bring a report that will give an update on our financial state from the Council on Finance and administration and also to update the annual conference on progress made with the 2015 resolution referred to as "Recommendation 6" – the review of West Ohio Conference Financial and Apportionment Strategies and Administration.

Recommendation 6 Update

In 2015, the West Ohio Conference considered and passed a resolution called the Review of West Ohio Conference Financial and apportionment strategies. This is my third update to you regarding progress that has been made toward the action components of that resolution:

- Explore meaningful opportunities to increase efficiencies of institutional and administrative functions,
- Recommend an intentional strategy of stewardship education across the conference, and
- Examine the current apportionment formula and identify strategies that target meaningful reductions to total connectional giving.

Last year we announced a stewardship education program to be spear-headed by George Cooper, Director of the Council on Development. The stewardship education program kicked off in November with four sessions held throughout the West Ohio Conference. The initial sessions were intended for the church leaders, pastors and key lay leaders of churches who participated in connectional giving at 50% or less of the apportioned commitment. Important components of the sessions included reflections on the value of our Covenantal Connection to one another – in faith, ministry and mission, and sharing how our connectional dollars are at work throughout the West Ohio Conference. Because not all church financial circumstances are the same, break-out sessions were offered to cover the topics such as Debt Reduction, and Stewardship Leadership. Feedback about these initial sessions has been positive, and this is a first step to providing comprehensive stewardship education.

The driving component to Recommendation 6 is the development of a conference financial plan that seeks to maximize the resources available for mission and ministry through our local congregations. You – local church leaders from throughout the conference have delivered this message: effective and transforming ministry begins in the local church. Your Council on Finance and Administration has heard this message and we agree with you. To help you increase the missional capacity at the local church, the CFA set a high bar for the formulation of the 2019 budget:

- Reduce the total connectional giving burden on local churches by 10% from 2018, AND
- Continue to support the general church at the 100% level.

All areas of our conference and districts took this challenge seriously, because to meet the goals, reductions need to come from our conference and district ministries. In the 2019 budget presented to you:

- Every district is requesting less in connectional giving support. The result is a 12% overall reduction in the districts' connectional giving requests.
- Every conference ministry area spends less and relies less on apportioned connectional giving in 2019 over 2018.
- We continue to identify non-apportionment sources of financial support to fund our mission and ministry.

What does this mean to the local church? It means that in 2019 total apportioned connectional giving falls 10% or almost \$2.25 million dollars. And, that means you will have more capacity to fulfill your local missional and connectional giving priorities.

As president of your Council on Finance and Administration, I would like to take this moment to offer thanks on behalf of the council to:

- District Superintendents and all members of the Extended Cabinet. Thank you for thoughtful work.
- Our CFO, Bill Brownson. Thank you for challenging all of us and providing us with the information and insight we needed to identify this opportunity.
- Bishop Palmer. Thank you Bishop, for your leadership and encouraging flexibility and creativity in meeting these goals.

There is more to do going forward. The churches that pay 100% of their apportioned connectional giving feel the pressure from the churches that do not. We would like to see every church in the West Ohio Conference contribute some support toward the broader United Methodist Church. We could potentially reduce apportioned connectional giving more if we can find ways to have more churches participate at a higher level.

The members of your CFA believe that we must be committed to meeting our General Church obligations if we ask our local churches to meet their connectional giving commitments. The 2019 budget continues our practice of funding 100% of our General Church apportioned giving to continue our support of global church priorities.

Before our Conference CFO Bill Brownson brings us a more detailed narrative about the Annual Conference's 2018 financial position and plans for 2019, I'd like to share a few items:

- Receipts on apportioned connectional giving for 2017 came in at 74%, not 76% as budgeted.
 - o 561 churches participated fully by contributing 100% of their apportioned connectional giving level. We are grateful for this commitment.
- The West Ohio Conference once again maintained our commitment to our United Methodist connection by paying 100% of our General Church apportionments.
- Planned conference programming took place as budgeted.

The Audit Committee continues to work on our behalf to ensure that our sound financial position is supported by a successful audit. We continue to work with Clark Schaefer Hackett as our auditing partner. Typically, we've conducted the audit in the Spring and reported on the results during our annual conference meeting. This year the annual audit will take place during the Summer. Although later than usual, we don't see any issues that will prevent our audit report's completion by Summer's end. We'll post the complete audited financial statements to the West Ohio Conference website, as we always do.

After CFO Brownson brings us a more detailed review of our financial position, we will introduce Recommendation 1 –the “Council on Finance and Administration Recommendations” for Calendar Year 2019.

Recommendation 1 will be our shared financial commitment to provide for the Mission and Ministry of the West Ohio Conference and our districts. This is a statement about our missional priorities, and is the backbone and support of our work together in 2019. A few highlights to consider:

- The total amount apportioned is \$20.1 million with \$17.1 million apportioned for conference and general church programming and \$3 million for district programming.
 - o We are expecting a 75.3% apportioned connectional giving receipt rate for conference and general church programming
- Full support of the Connection through 100% participation in General Church and Jurisdictional apportioned connectional giving. 2019 may be the sixth consecutive year as a 100% conference.

The Council on Finance & Administration works closely throughout the year with a number of Conference staff members. We thank you and appreciate you. We work most closely with our CFO Bill Brownson and we appreciate his availability, counsel and time. We rely on Bill and the rest of the financial staff to provide us, and you, the financial information we need when we need it.

As a past church treasurer, I understand the commitment and sacrifice that is made at the local church to participate financially in our conference and district mission. Your support turns our missional aspirations into realities. Thank you for your faithfulness. Thank you for your commitment to the mission of the United Methodist Church – in your community, in our Conference and throughout the world.

E. 2017 STATISTICIAN'S REPORT

West Ohio Conference of the United Methodist Church

The Statistician's reports were mailed to each local church in December of 2017. We then collected the 2017 data from the local churches during the first three months of 2018. As we have in the past, we used the GCFA Statistical Website (Ezra) to collect our church data. This provides for a better management of our data at the General Church and Conference levels. This year, with help from the District Offices we were able to collect 95% of the reports from our 1,023 churches. Unfortunately, there were 5% or 48 churches that have not completed their reports to give a true statistical picture of the West Ohio Conference. Three districts had all of their churches complete their yearend reports. Those districts were Capitol Area North, Capitol Area South, Maumee Watershed. We again allowed churches to enter their data using the online entry method or by sending the information to the Conference Office to be manually entered.

At the close of 2017, the membership of the West Ohio Conference stood at 155,691 members. A total of 5,975 members were added to the membership across our conference in 2017. That meant that every day last year, 16 members either joined a congregation or restored their affirmation in our conference. Like the previous years the largest increase was received on profession of faith, a total of 3,039 members. That number decreased by 259 from 2016. In 2016, a total of 212 churches held confirmation classes, representing 21% of our churches. In 2017 that number has decreased from the previous year to 182 as 18% of our churches held confirmation classes.

At the close of 2017, the West Ohio Conference membership was down from what was reported at the end of 2016. The total loss of members in all statistical categories was 13,120. Unfortunately, that meant that every day last year 36 people were leaving congregations in the conference. Like the trend over the last few years the largest loss was removed by charge conference action, a total of 4,341 members. This number increased from what was recorded for the year in 2016. The net loss from the new members minus the members lost shown below is 7,145 members. The West Ohio Conference membership has been reduced by 32,368 members over the last 5 years. The membership loss in 2017 of 7,145 is the largest loss since 1978. The average annual loss for our conference over the last ten years has been 6,474 members per year.

Starting Membership 2017	162,836
Those received during 2017 – Add	5,975
Those removed during 2017 – Subtract	-13,120
Ending Membership 2017	155,691

Every Sunday the West Ohio Conference had an average of 97,989 members participating in worship across the conference. Of that amount is a new category for this year of online worship. Online worship had 4,272 members participating. This represents 63% of conference membership in worship every Sunday morning. With online worship added, the average attendance in principal worship services increased by 1,060 members from what was reported in 2016. We also baptized 2,960 individuals during 2017. The number of baptisms decreased by 48 from the totals reported in 2016. A total of 546 churches or 53% of the congregations in our conference reported at least 1 baptism in during 2017.

The Total number of Christian Formation Participants for 2017 was 101,349 participants. Three of the four categories Children, Young Adults & Other Adults showed decreased numbers in 2017. The Youth had an increase of less than 1% in their numbers. Overall the West Ohio Conference experienced a 3% decrease in the number of participants from 2016 to 2017. The Average Attendance at Sunday School increased from that of 2016 by 1,929 members. There were 35,834 participants involved in Vacation Bible School in our churches during 2017. This was a decrease from those participating in 2016 of 1,124 or 3%.

The UMW showed a decrease in their membership in 2017 from 2016. Their membership decreased by 1,625 members to 13,059 members. The UMM showed a decrease in their membership in 2017 from 2016. Their membership decreased by 343 members to 2,488 members. The combined effort of money paid to projects by both groups was \$1,229,154. The UMW with a membership of 13,059 members paid \$1,075,487 on projects. That was a decrease of \$33,929 from 2016. The UMM, with a membership of 2,488 members paid \$153,667 on projects. That was an increase of \$15,172 from 2016.

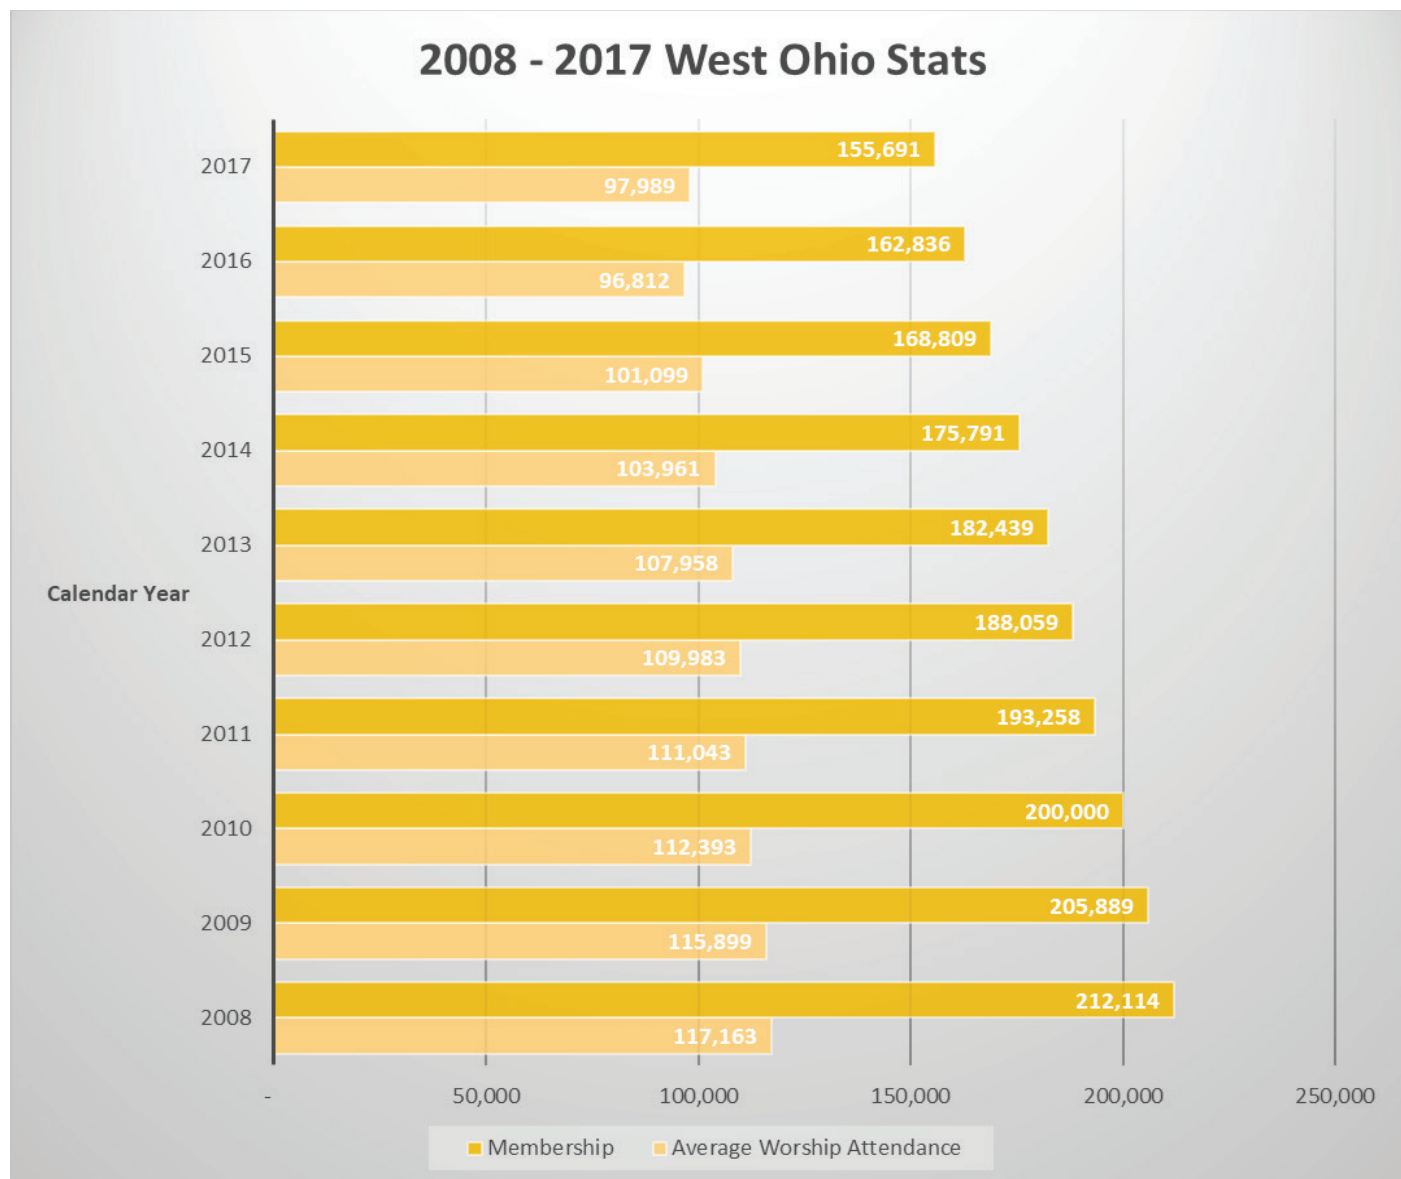

There were 153 UMVIM teams sent out from local churches in 2017. That was a decrease from 2016 of 31 mission teams. That accounted for 1,595 participants in UMVIM teams which was an increase of 47 participants. We also have several churches that are involved in community ministries for outreach, justice, mercy, and daycare. The number of persons engaged in mission in the local churches was 50,578 serving 2,397,613 people in those communities. There were 726 or 71% of our congregations that had persons engaged in mission.

The West Ohio Conference recorded an increase in total paid in 2017. The conference received \$200,587,725 which was an increase of \$8,916,252 compared to 2016. That breaks out to a cost of \$1,288 per member as compared to \$1,177 per member in 2016. Almost 56% or 559 of the churches in our conference paid their apportionments at 100% or more in 2017. That number has decreased from what was reported in 2016 by 15 churches. General Advance Special giving for specific, designated ministries and projects showed an increase of \$222,769 in 2017. Total giving to General Advance Specials was \$1,082,121. The West Ohio Advance Specials in 2017 collected a total of \$101,210 in gifts. That was an increase of \$90,334 from what was reported in 2016.

Other ministries in the conference that are not recorded in the Statistical Data include: Groups and gatherings of people using the churches of the West Ohio Conference for worship, Emmaus Walks, Chrysalis, food pantries, after school programs, Boy Scouts, Girl Scouts, 4H, kindergarten, pre-school, and many other civic functions. Some ethnic congregations are using West Ohio Conference churches for worship services. In situations like those mentioned above, vital ministries are taking place to help establish or re-establish the United Methodist Church as an integral part of their communities. The West Ohio Conference appreciates those churches for providing this outreach.

In conclusion, please be aware that this report covers only part of the Statistician's entire Report. Please review your church's records in the conference journal and compare how your church measures up against others in your district and across the conference.

F. RECOMMENDATIONS

PROPOSED CONSTITUTIONAL AMENDMENT I CORRECTED BALLOT

On May 16, 2016, at a session of the General Conference of The United Methodist Church held in Portland, Oregon, the following Constitutional Amendment was adopted by a recorded vote of 746 Yes, 56 No (Calendar Item 121, DCA p. 2106). The text of this amendment as distributed to the annual conferences in 2016 was found to be in error. The corrected text is now presented to the annual conferences for vote.

In the *2012 Book of Discipline*, Division One, add a new paragraph between current ¶¶ 5 and 6:

As the Holy Scripture reveals, both men and women are made in the image of God and, therefore, men and women are of equal value in the eyes of God. The United Methodist Church acknowledges the long history of discrimination against women and girls. The United Methodist Church shall confront and seek to eliminate discrimination against women and girls, whether in organizations or in individuals, in every facet of its life and in society at large. The United Methodist Church shall work collaboratively with others to address concerns that threaten women's and girls' equality and well-being.

If voted and so declared by the Council of Bishops, this would become the new ¶6, and the current ¶¶ 6-61 would be renumbered as ¶¶ 7-62.

Rationale for Proposed Constitutional Amendment I The United Methodist Church Voted General Conference May 2016

I. (New ¶ 6) The Constitution contains a paragraph on racial justice but not one on gender justice. The language of this petition is parallel to the language of Article 5 on racial justice already in our Constitution. It is an affirmation that, as part of our core foundational beliefs, this church will forever stand against any actions, organizations or individuals that discriminate or dehumanize women and girls anywhere on this planet.

2019 Budget Narrative for Recommendation #1

Each year the Annual Conference adopts a Mission and Ministry Funding Plan, also known as a budget. The approved plan sets the Connectional Giving (apportionments) for each of our major areas: General Church, Retiree Health and Other Benefits and Conference Ministries.

The Council on Finance and Administration (CFA) set out two challenges to this year's budget development process:

1. Reduce the overall amount of apportioned connectional giving by 10%, and
2. Provide 100% support to the general church.

This request was in keeping with legislation and dialogue from past Annual Conferences that requested we find ways to ensure more resources remain with the local church by reducing apportionment levels.

All areas of the conference and all districts took up this significant challenge. The 2019 recommended budget requests \$20,065,646, nearly \$2.25 million less than in 2018, a 10% reduction. Every conference budget area and district will rely on less support from apportionments in 2019 than this year.

Even with these reductions, key ministry and program areas remain funded, although at lower levels in some cases. However, you might notice differences in how some programming and local church support is done.

The accompanying Recommendation #1 is the result of conversations and meetings that began in September 2017.

As you review the 2019 plan, please note the following:

- Total recommended apportioned Conference Connectional Giving falls to \$17.1 million from \$19.0 million. In addition, districts will cumulatively apportion just under \$3 million, 12% less than for 2018.
- West Ohio intends to continue being among the Annual Conferences that participate at the 100% level of General Church support, as it has since 2013.
- Total 2019 Conference Ministries support from connectional giving falls \$0.9 million or 11%.
- Projected connectional giving support for Clergy Benefits drops by 33% to \$1 million. The reliance on apportionments to

fund clergy benefits has dropped dramatically since 2011.

- Staff realignment, particularly at the senior level, contributes to expense reductions.
- 2019 will be the first full year of operating a completely renovated conference center. The associated budgeted expenses, including depreciation, are based on estimates.
- Questions about this recommendation and Conference finances in general can be directed to Bill Brownson, Conference CFO, at bbrownson@wocumc.org or by calling 614 505 7440.

Funding Plan Discussion by Section

General Church (line numbers 22-49 on page 25)

The General Church helps West Ohio Conference churches make a difference in our conference, our nation and around the world. The infrastructure of the General Church allows UMCOR to be among the most effective disaster relief organizations in the world. Through the Ministerial Education Fund (MEF), the 13 United Methodist Seminaries, Annual Conferences and individuals receive support for undergraduate, seminary and continuing education opportunities. Episcopal leadership for the West Ohio Area and all over the world is paid with General Church Connectional Giving. These examples only begin to scratch the surface on all the ministries that happen through, with and because of the General Church. Together, we are stronger.

The 2019 plan apportions nearly \$6.8 million to generate the \$4.9 million needed to resource at 100% the seven General Church funds and agencies (lines 27-33) and the North Central Jurisdiction. The assumed collection rate for this fund is 71.4%. Amounts paid toward this fund are prorated and passed through to each fund. If our goal of 100% participation is not met through receipts from local churches, in January 2020 the CFA will determine how much, if any, will be paid to the General Church to reach a 100% participation level.

Retiree Pension, Health and Other Benefits (line numbers 50-90 beginning on page 26)

Highlights:

- Apportioned connectional giving request drops 34% to \$1,235,000
- Wespath's deferral of 2019 Clergy Protection Plan (CPP) premiums saves \$1.1 million
- \$76,000 in income from the Clergy Benefits Fund balances the budget

This section requires the largest amount of total resources – \$17.4 million – more than the other two combined. Yet among the three apportioned Connectional Giving funds, it utilizes the least amount of apportioned resources. With \$1,235,000 apportioned and an assumed collection rate of 81%, Connectional Giving provides \$1.0 million toward total expenses of \$17.4 million. The other sources of income are directly billed pension and health insurance costs and individual donations through the Council on Development.

The Conference has been accumulating assets in the Retired Clergy Benefits Fund for many years. As of December 31, 2017, \$52.9 million was designated for clergy benefits. It won't be known until the fall whether the assets held here and at Wespath fully cover the benefit liabilities. Given the strong 2017 investment market, it is expected to do so. Because the CPP premium is unlikely to be waived in 2020, steps needed to keep this budget balanced in 2020 may include taking more income from the Retired Clergy Benefit Fund, apportioning more or modifying benefits to reduce costs.

The next section (lines 56-62) shows the income and expense associated with health care for retirees. Retirees contribute toward the cost of insurance based on years of service at retirement. In the aggregate, 31% of this expense is covered by retirees. Connectional giving, Council on Development donors and the CPP 2019 premium waiver provide for the remaining expense in this section.

Active Healthcare and Related (lines 64-69) is intended to break even, excluding benefits administration. The Conference now self-funds its active health insurance plan. That means the Conference pays for claims as presented. To cover the cost of the plan for a full year, the Conference bills local churches a fixed monthly amount for those enrolled. The expenses are a projection and will change as the Conference Board of Pension and Health Benefits goes through its annual review and adopts a 2019 plan. Final local church premiums will be calculated to match estimated 2019 expenses. The Conference Board of Pension & Health Benefits has taken steps to narrow the focus of the active health insurance plan to better manage premium expenses, which it knows are significant for local churches.

The final subsection of the Benefits budget (lines 71-83) addresses clergy pensions and other non-health care retiree activities. The 2019 pension payment due will be \$3.4 million. In addition to covering the CRSP-DB liability payment, the amounts directly billed to local churches – projected to be \$5.7 million (line 72) – cover the defined contribution portion of the plan (CRSP-DC) and

the Comprehensive Protection Plan (CPP), which provides for death benefits and income during medical leave. Although the CPP premium has been waived for 2019 as is in 2018, the practice is to directly bill for all benefits in a consistent manner.

Altogether, clergy benefit costs are expected to be \$17.4 million (line 86).

Missional Church Development (lines 140-150)

Missional Church Development equips clergy and lay leaders committed to revitalizing existing churches and with starting new churches and worshipping communities. Programming for credentialing includes a summer internship program for undergraduates exploring a call to ministry, local pastor licensing school, Candidacy Summit for clergy candidates, and Crucible for clergy in their provisional years. West Ohio hosts students and generates income from other annual conferences, particularly East Ohio. Credentialing education expenses are offset by tuition and registration fees.

The Office of Ministry and Clergy Leadership expects \$655,000 in 2019 expenses of which \$250,000 is covered by tuition and donor-restricted income, and \$405,000 is provided by apportioned connectional giving. Twenty-five percent of what's received toward the Ministerial Education Fund stays at the Conference and is applied by the Office and Board of Ministry to its area of responsibility.

Introduction to Board of Pension and Health Benefits

This year's recommendation from the Conference Board of Pension and Health Benefits is largely consistent with those of past years. However, changes have been made regarding UMPIP personal contributions and health care for retirees under 65.

Specific items of note in this year's recommendation, which become effective in January 2019, unless otherwise noted, include:

- In addition to full-time appointments, West Ohio will continue to include clergy serving ½ and ¾ time in the Clergy Retirement Security Plan (CRSP), the denomination's pension plan for clergy. (see Clergy Pension and Disability Income Plans #2)
- Beginning 1/1/19, all eligible clergy will be auto-enrolled in UMPIP at a rate of 3%. (see Clergy Pension and Disability Income Plans #9)
- Beginning 1/1/20, all eligible clergy will see an auto-escalation in their UMPIP at a rate of 1% per year until a maximum of 10% is reached. (see Clergy Pension and Disability Income Plans #9)
- For the Pre-82 clergy pension plan, the past service rate (PSR) will increase to \$611. (see Clergy Pension and Disability Income Plans #7)
- Local churches will continue to be billed directly for clergy pension costs. The billing rate will remain at 11% of plan compensation (cash salary and housing) for the CRSP defined benefit portion of the plan, capped at DAC (Denominational Average Compensation). (see Clergy Pension and Disability Income Plans #5)
- Retiree housing allowance exclusion will remain unchanged.

Questions about this recommendation can be directed to Mike Kremnitzer, Conference Benefits Officer, at mikremnitzer@wocumc.org or at 614-844-6200.

RECOMMENDATION #2

2019 Board of Pension and Health Benefits

Adopted**Clergy Pension and Disability Income Plans**

1. The General Conference of The United Methodist Church gives authority to Wespath Benefits and Investments (Wespath) to establish and maintain a pension program for the benefit of the ordained ministers and their families, other church workers, and lay employees (§1501). As a part of those plans (as approved by the General Conference) participation by full-time ordained clergy is required. The Discipline does not give permission for a local church to deny payment of the pension benefits for any pastor appointed to that charge. Such payments are part of the total obligations of receiving the appointment of a pastor.
2. The 2012 General Conference made Clergy Retirement Security Program (CRSP) eligibility optional for Annual Conferences for those clergy with less than full-time appointments. Upon a thorough review, the Conference Board of Pension and Health Benefits approved the continued CRSP eligibility of three-quarter and one-half time appointments effective January 1, 2014. The Board affirms this recommendation for 2019.
3. Licensed local pastors (not the local church) may waive participation in the pension program if the pastor is appointed less than full time and is receiving, or is eligible to receive, a pension from other employment. Provisional elders and deacons and full elders and deacons (not the local church) may waive participation in the pension program if they are appointed half time and are receiving, or eligible to receive, a pension from other employment. To waive participation, the pastor must complete, have notarized, and return a "Waiver of Participation," which is supplied by the Conference Benefits Office.

4. The Plan Compensation shall include salary plus 25% for housing where the minister lives in a parsonage or the amount of any cash housing allowance where provided.
5. The contribution rate for funding the Comprehensive Retirement Security Program (CRSP) will be billed in two parts; the Defined Benefit (DB) portion shall not exceed 11% of the participant's actual Plan Compensation up to the Denominational Average Compensation (DAC)¹. The DAC for 2019 is \$71,361. The rate for funding of the Defined Contribution (DC) portion shall not exceed 3% of the participant's actual Plan Compensation. (The participant must be enrolled and making a minimum of 1% United Methodist Personal Investment Plan (UMPIP) contribution to have the full 3% credit to CRSP-DC.) Billing begins at the time of participant's eligibility for, not enrollment in, the program.
6. The contribution rate for the Comprehensive Protection Plan (CPP) shall not exceed 3% of the participant's actual Plan Compensation for all full-time or three-quarter time appointments for Full, Provisional, or Associate members and full-time local pastors. Contributions will be paid monthly by each charge for their pastor or pastors. The West Ohio Conference, acting as an agent of Wespath, shall be responsible for the collection of these funds. Because each full-time or three-quarter time appointment for Full, Provisional, or Associate members and Full-Time Local Pastors must be part of the CPP, it is the obligation of each local church to pay this cost. Billing begins at the time of participant's eligibility for, not enrollment in, the program.
7. The base annuity rate for 2019 on Pre-82 pensions will increase to \$611 under the plan. The yearly PSR may not be decreased.
8. Annuity rates for surviving spouses shall be 70% of the base rate on Pre-82 pension.
9. Each eligible clergy member and local pastor will contribute at least 3% of his or her plan compensation to the UMPIP beginning 1/1/19 unless opting out of the auto-enrollment feature. Beginning 1/1/20, each eligible clergy member and local pastor will have their UMPIP contribution increased 1% until a maximum of 10% is reached unless opting out of the auto-escalation feature. Participants may contribute more than the 10% max, if desired. Personal contributions will be billed to the local church by Wespath and paid from payroll deduction by the local church.
10. Medical Leave and Death Benefits: Eligible clergy also have CPP as part of the benefit package. CPP provides disability income, death, and other supplemental benefits. Complete policy information can be found on the Wespath website at www.wespath.org. Clergy whose health condition may indicate a need for medical leave should contact his or her District Superintendent.
11. Death Benefit of \$50,000 is part of CPP for active clergy. An additional death benefit of \$50,000 is provided by the Conference for eligible active appointments. The cost is included in the Clergy Benefit billing for full-time or three-quarter time appointments of Full, Provisional or Associate Members and fulltime licensed local clergypersons.

Health Care Benefits

1. Active Pastors: Eligibility

 - i. Should a church provide compensation to pastors who opt out of the Conference plan, care should be taken not to violate employer payment plan rules, the violation of which could subject the church to financial penalties. Clergy opting out of The West Ohio Conference health insurance plan for any other reason must do so in writing and the decision is irrevocable: he or she will be prohibited from accessing a West Ohio Conference active or retiree health plan in the future.
- c. A pastor who has opted out of the Conference health insurance plan may be approved for medical leave, but he or she will not have access to a West Ohio Conference health insurance plan.

 - f. Surviving spouses and qualified dependents of deceased active clergy previously serving in an appointment will pay 25% of the premium cost of the policy in use for the 24 months following the clergy's date of death. Thereafter, access will be based on years of service consistent with the premium sharing available to retirees.
 - g. Annual premium levels will be set by the Conference Board of Pension and Health Benefits.
- 2. Retired Pastors, Surviving Spouses, Medical Leave participants**
Eligibility: When a pastor retires under ¶358.1, ¶358.2b or ¶358.2c health insurance is available to the pastor, spouse, and eligible dependents.
- a. Beginning 7/1/2019, a stipend will be provided to each retiree under age 65 to purchase an individual policy or to remain on the Conference plan. The amount of this stipend will be a fixed dollar amount consistent with the amount toward post age 65 retirees, which is based on years of service.
 - b. Upon retirement at age 65 or thereafter, the pastor and spouse (at age 65) are responsible for enrolling in Part A and B of Medicare. Those having opted out of Social Security will not have access to West Ohio Conference retiree (over 65 years) insurance.
 - c. Surviving spouses of retired pastors will pay a portion of their premiums based on the number of years of service for the deceased clergy member. Premiums will be applied to type of policy used.
 - i. Retired clergy or surviving spouses who remarry will not have access to Conference insurance for a new dependent.
 - d. Premium contributions shall be collected monthly by Automated Clearing House (ACH) transaction from a bank account designated by the retiree.
 - e. Pastors who transfer from an Episcopal appointment in another United Methodist Conference to an Episcopal appointment in The West Ohio Conference where the Conference has pension responsibility will be granted years of service from previous conferences.
- 3. Other Health Care Provisions**
- a. All full-time (at least 30 hours per week) lay employees of The West Ohio Conference and its District Offices will have access to health insurance under the same provisions as active and retired clergy.
 - b. Any participant who terminates employment may continue their health insurance for up to 12 months at his or her own expense. The participant's payment for insurance will continue through the former local church to the Conference until coverage is terminated or 12 months pass, whichever occurs first.
 - c. The Conference Board of Pension and Health Benefits shall be empowered to select the carrier, set the premium rate, and adjust benefits and method of funding the total health insurance program in a manner that is deemed appropriate and equitable for both local churches and participants in the program.
 - d. The Conference Board of Pension and Health Benefits shall extend an invitation to the Board of Ministry to review and comment on material changes in the Board of Pension and Health Benefits recommendation to Annual Conference at least 30 days prior to Annual Conference.

General

1. **A moving reimbursement (receipt(s) of cost) of up to \$3,500 is paid to each full-time and three-quarter time clergy household of the retiring class and each member accepting CPP disability leave and the families of active full-time members in the event of the death of the member, provided they have not previously had a move reimbursed and provided they have been a participating member in the Conference Pension Program for the last five years prior to retirement.**
2. **The total requested apportioned expense presented to CFA for 2019 is \$1,234,568. Final apportioned expense is subject to the budget adopted by Annual Conference. Resolutions Relating to Rental/Housing Allowances for Retired or Disabled Clergypersons of the West Ohio Conference

WEST OHIO CONFERENCE - 2018

The West Ohio Conference (the "Conference") adopts the following resolutions relating to rental/housing allowances for retired or disabled clergypersons of the Conference:

Whereas, the religious denomination known as The United Methodist Church (the "Church"), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church ("Clergy"), and

Whereas, the practice of the Church and of this Conference was and is to provide active Clergy with a parsonage or a rental/housing allowance as part of their gross compensation, and

Whereas, pensions or other amounts paid to retired and disabled Clergy are considered to be deferred compensation and are paid to retired and disabled Clergy in consideration of previous active service, and

Whereas, the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a rental/housing allowance for retired and disabled Clergy who are or were members of this Conference;

Therefore, be it resolved that an amount equal to 100% of the pension or disability payments received from plans authorized under *The Book of Discipline* of The United Methodist Church (the "Discipline"), which includes all such payments from Wespath Benefits and Investments (Wespath) during the year 2019 by each retired or disabled Clergy who is or was a member of the Conference or its predecessors, be and is hereby designated as a rental/housing allowance for each such Clergy; and

Therefore, be it resolved that pension or disability payments to which rental/housing allowance applies will be any pension or disability payments from plans and/or annuities from funds authorized under the Discipline. This may include payments from Wespath and from a commercial annuity company that provides an annuity arising from benefits accrued under a Wespath plan, annuity, or fund authorized under the Discipline. Those payments may result from any service a Clergy rendered to this Conference or that a retired or disabled Clergy of this Conference rendered to:

- any local church
- Annual Conference of the Church
- general agency of the Church
- other institution of the Church
- former denomination that is now a part of the Church

Note:

The rental/housing allowance that may be excluded from a Clergy's gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107(2) and regulations there under to the least of (1) the amount of the rental/housing allowance designated by the Clergy's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the Clergy to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

RECOMMENDATION #3**Commission on Equitable Compensation****Adopted as amended**

Ministry is traditionally supported by the body of Christ, especially in the local community where ministry happens. The United Methodist expression of the body of Christ is the connectional system. Through it, we share in the missional ministries of the West Ohio Conference. United Methodist clergy are called and sent by God to serve in a variety of ministry settings.

Through the distribution of designated Conference funds, the Equitable Compensation Commission seeks to support the Annual Conference through the Cabinet's appointment of transformational leadership in strategic appointments to further the mission of Christ.

Guidelines and Recommendations

The Commission presents the following guidelines and recommendations for calendar year 2018 with consideration of the projected General Board of Pensions Conference Average Compensation (C.A.C.) of \$62,537 (which includes salary plus 25% for housing where the minister lives in a parsonage, or the housing allowance where such is provided).

A. Minimum Salary

Recommended Minimum Salaries	2019**	2018*
Elder in full-time appointment; Full-member deacon in full-time appointment in a local church	\$41,720	\$40,900
Provisional on elder track in full-time appointment; Provisional on deacon track in full-time appointment in a local church; Associate member in full-time appointment	\$37,820	\$37,075
Licensed local pastor in full-time appointment who has completed the Course of Study or equivalent	\$36,470	\$35,750
Licensed local pastor in full-time appointment	\$34,530	\$33,850

*Average increase 1%. ** Average increase 2%

1. Each elder in full connection who is in good standing and who is appointed by the bishop to less than full-time service under the provisions of paragraph 338.2 of the 2016 Book of Discipline shall have a claim upon the conference Equitable Compensation Fund in one-quarter increments (Paragraph 342.2).

B. Definition of Eligibility**1. MINIMUM SALARY SUPPORT**

- a. Elders, provisional members on the elder-track, deacons in full connection serving in local churches, provisional members on the deacon-track serving in local churches, associate members, and licensed local pastors serving full-time appointments in local churches are eligible for minimum salary support.
- b. Retired members, retired local pastors, full-member deacons appointed beyond the local church, provisional members on the deacon-track appointed beyond the local church, student pastors, and members in extension ministries have no claim to minimum salary support.
- c. Support from all church sources (District, Conference, and General Church) in addition to local sources will be used in computing claims.
- d. The commission will continue to work with the Cabinet in providing minimum compensation, sensitive to such variable factors as unique situations needing special skills, missional priorities, and ethnic/racial considerations.
- e. When a church withdraws from a charge to a station, its pastor shall not be eligible for minimum salary support for at least five years.
- f. A charge with more than 300 members shall have no claim to minimum salary support.
- g. Any situations limiting full itineracy of pastors will be taken under consideration, prior to approving equitable compensation amounts.

2. KEY LEADERSHIP SALARY SUPPORT

Developing/redeveloping Ministries: Situations where new congregations should be developing or where existing congregations are facing circumstances that enhance the potential for unusual growth. These churches have the potential of becoming viable and self-supporting within five years.

3. KEY MISSIONAL SALARY SUPPORT

Situations where churches/parishes have an unusually large or complex program of missional ministries and require pastoral leadership for expanded ministries. This also includes Ethnic Churches where support is necessary in getting the ministry established.

4. SPECIAL SALARY SUPPORT

This category provides pastoral support on a short-term basis to meet a temporary situation. Funding under this category shall not continue beyond the appointive year in which it began.

C. The goal of the commission is to eliminate the need for long-term minimum salary support by:

1. Agreeing that any new Equitable Compensation grants for Minimum Salary Support or Key Leadership Salary Support shall not exceed 25% of the total cash salary received by the pastor of the church or charge. The 25% rule shall not apply to Key Missional or Special Salary Support.
 2. Limiting the maximum number years of eligibility for all Equitable Compensation grants to five years per pastor or church. Grants will be decreased by 20% of the original amount each year.
 3. Asking for greater accountability of the local churches in the process of applications for funds through the District Superintendents, providing information on budgeted receipts and expenditures, having a stewardship plan, detailing how they are living within the CORE process, and an apportionment plan.
 4. Being aware that churches or charges which reach the total grant or grant term limitations described above, and which are unable to maintain support for a full-time appointment will be assisted by the District Superintendent to move to a part-time pastor, or to realign the charge.
 5. Being open to knowing that there may be special circumstances that would warrant an exception to these guidelines which can be made with the approval of the cabinet and the Equitable Compensation Executive team.
- D. The commission reminds the members of the Conference, local church Pastor-Parish Relations Committees, and pastors, that total ministerial support includes items beyond cash salary, such as accountable reimbursements, housing, utilities, pension benefits and health insurance.
- E. It is the responsibility of the pastor of any church not receiving agreed upon compensation from the church during a calendar year to contact their District Superintendent by the earlier of March 15th of the next year; one year from the date of the initial arrearage; or at the time of an appointment change. Failure to submit such notice of arrearage will end the statute of limitation for filing a claim from the Annual Conference for such funds (under Discipline ¶ 342.4 once an appointment ends the Pastor no longer has claim on the local church for compensation funds) and/or may cause an administrative complaint to be filed against such pastor.
- F. The commission recognizes that clergy compensation contributes to pastoral morale and encourages openness in financial matters among all persons, boards, and agencies who share the concern for the well being of churches and pastors.

RECOMMENDATION #4**Clergy Vacation Policy****Adopted as amended**

In accordance with the action of the 2017 Annual Conference, the Equitable Compensation Committee reviewed and considered the Clergy Procedures of the Rules of the Annual Conference in conjunction to the Vacation Policy.

Consideration of prior year discussion, needs of boundaries of pastors and other conference policies were considered. We recommend Rules under section D: Clergy Procedures 4 be amended to read:

a. Vacation Policy

Time for vacation, continuing education, Sabbath and formational renewal are extremely important to every person involved in professional ministry. There must be times of recreation, study and re-centering in each clergy's life. The West Ohio Conference adopts these guidelines for clergy and churches as a way of encouraging clergy to live a balanced life in ministry.

The guidelines that are listed below are the minimum of all clergy under appointment. A charge and the appointed clergy in consultation with the District Superintendent may negotiate mutually agreeable changes to fit unusual circumstances in line with the spirit of this section.

Details and agreements regarding vacation, sick time, continuing education, days off, formational and spiritual growth leave, and connectional responsibilities should be established at the time of the appointment and reviewed annually as part of the annual pastor evaluation with the charge's Committee on Staff/Pastor-Parish Relations (SPRC).

All clergy shall have at least, but not limited to, the equivalent of four weeks (based on estimated weekly workdays), plus two days. These days may be taken individually. This shall include a maximum of four Sundays. The following table shows minimum paid vacation days by nature of appointment.

MINIMUM VACATION STANDARDS**

Appointment Level	Estimated Weekly Workdays	Total Vacation Days including 4 Sundays
Full Time Appointment	6	26 (6 x 4 = 24) + 2
¾ Time	4	20 (4.5 x 4 = 18) + 2
½ Time	3	14 (3 x 4 = 12) + 2
¼ Time	1.5	8 (1.5 x 4 = 6) + 2

****Clergy do not need to take a vacation day for regularly scheduled weekly day(s) off**

Vacation shall be granted on the annual conference year (July 1 through June 30). In order to establish proper healthy boundaries, pastors and other clergy persons under appointment are expected and encouraged to take all vacation days annually. Vacation is not cumulative and cannot be carried over to the succeeding year. It is expected that the pastor will make arrangements in advance with the SPRC and consult with them in obtaining vacation supply coverage. Vacation leave for appointment beyond the local church (deacons) or extension ministry (elders and local pastors) is determined by that employer.

b. Continuing Education and Spiritual Growth

In accordance with *The Book of Discipline* ¶350.2, clergy members continuing education and spiritual growth program shall include professional formation leaves at least one week each year and may include at least one month during one year of every quadrennium. Such leaves shall not be considered vacation time and should be coordinated through your SPRC committee.

More extended time for renewal leave is a healthy part of the rhythms of vocational ministry. In accordance with *The Book of Discipline* ¶350.3, clergy members who have held full-time appointment for at least six years may request a formational and spiritual growth leave of up to six months while continuing to hold an appointment in the local church.

c. Sabbath and Weekly Days Off

It is important for clergy to have regular time away each week. Clergy members are strongly encouraged to establish a schedule that includes at least one day of Sabbath and one day away from ministerial responsibilities each week. Experiencing and modeling the rhythm of weekly Sabbath rest is vital to the work of vocational ministry. This day is included as a part of the six-day workweek for full time appointment in the chart above. Such days should be communicated so that congregation and staff will know when such days are to occur, so as to allow a time of refreshment. These are not vacation days.

d. Connectional and Community Responsibilities

All clergy are expected to attend all sessions of the Annual Conference. In addition, clergy have other connectional responsibilities. Time spent on these responsibilities shall not be counted as vacation or as continuing education. Clergy will inform the SPRC of time needed for these responsibilities.

Clergy are also often involved in various community groups. Such involvement provides an opportunity to build a bridge between the community and the church. These involvements shall not be considered vacation or continuing education. Clergy are encouraged to use good judgement in determining the commitment accepted beyond the primary appointment. Consultation with the SPRC should take place before accepting such responsibilities.

RECOMMENDATION #5

Investment Management

Adopted

Whereas, the 2009 West Ohio Annual Conference authorized a diverse task force to examine a request by Palestinian Christian leaders that churches around the world take non-violent action to oppose the occupation of the Palestine territories, and

Whereas, this task force faithfully examined this request including visits to the Holy Land and unanimously recommended that The West Ohio Conference divest from and be prohibited from making any additional direct investments in General Electric, Hewlett Packard and Caterpillar based on these firms' involvement in sustaining the occupation of the Palestinian territories, and

Whereas, the 2011 Annual Conference adopted the task force's recommendation (#5) that prohibits the Conference from investing in the common equity (stock) of General Electric, Caterpillar and Hewlett Packard, and

Whereas, the 2011 Annual Conference also adopted the task force's recommendation to call on the General Church and other General Church agencies to consider similar actions, and

Whereas, since 2011, the General Church agency known as Wespath (formerly General Board of Pension & Health Benefits) has invested time and resources in understanding the Israeli-Palestinian conflict, including visits by their senior staff, and has now excluded from its investments five Israeli banks and a construction company based on an assessment of their human rights-related impact and risk associated with the occupation of Palestinian territories, and

Whereas, Wespath, in response to legislation from Annual Conferences, has introduced the new Social Values Choice group of funds that includes the Social Values Choice Bond Fund, Equity Social Values Plus Fund and the US Treasury Inflation Protection Fund that exclude investments in Hewlett Packard and Caterpillar, among other companies, and

Whereas, The West Ohio Conference Investment Policy Committee has faithfully adhered to the 2011 recommendation since its passage and has since been unable to invest in Wespath's competitively performing flagship fund, and

Whereas, The West Ohio Conference Investment Policy is to adhere to Wespath's investment screens and exclusions but for General Electric, Hewlett Packard and Caterpillar.

Therefore, be it resolved that the 2018 West Ohio Annual Conference affirm and acknowledge the 2009 Task Force's initial work and their ongoing engagement that has contributed to changes in Wespath's investing,

Be it further resolved that The West Ohio Conference affirms the actions taken by Wespath as consistent with the spirit of the 2011 West Ohio recommendation prohibiting investment in companies that sustain the occupation,

Be it further resolved that eligible individual and corporate investors within The West Ohio Conference be encouraged to consider investing in the aforementioned Social Values Choice group of funds,

Be it further resolved that the specific restrictions on corporate investments by The West Ohio Conference put in place by the 2011 session of The West Ohio Annual Conference be rescinded,

Be it further resolved that The West Ohio Annual Conference calls on all United Methodist investors to use human rights records as an important basis for evaluating investment in a company and consider removing from investments any company that derives 10% or more of its revenues from participation in the occupation of Palestine,

Be it further resolved that The West Ohio Annual Conference maintains its call for continued monitoring of matters of justice involving the occupation of Palestine, particularly for companies such as GE, Caterpillar, Hewlett Packard, and when appropriate to avoid investing in such companies,

Be it further resolved that The West Ohio Conference supports the right of churches to use human rights as criteria for investing and opposes governmental efforts to suppress such rights.

RECOMMENDATION #6

There Is Enough for the Stranger

Adopted

Whereas, Jesus identifies himself as being one with the stranger in the land, (Matthew 25:35), and

Whereas, the people of God are called to regard the sojourner as “one of your citizens” and to love them as we do ourselves, (Leviticus 19:33-34), and

Whereas, the Methodist movement, in its participation in the Civil Rights movement and the Underground Railroad, has a cherished tradition of providing both counsel and safe haven to individuals and families oppressed by unjust laws, and

Whereas, the 2017 session of The West Ohio Annual Conference affirmed the “human rights of all migrants, immigrants, refugees and foreign students and others on extended visas to the United States,” and that “through its offices and congregations will seek to

provide opportunities for such persons to attain legal status if they so desire,” (Resolution 5, 2017 West Ohio Annual Conference), and

Whereas, The United Methodist *Book of Discipline* calls on United Methodists to “oppose immigration policies that separate family members from each other or that include detention of families with children,” (2016 *Book of Discipline*, Social Principles ¶162.H), and

Whereas, the 2016 United Methodist *Book of Resolutions* calls on United Methodists to “strengthen their resolve to be faithful to respond to the needs of others, particularly as we face laws whose primary intent is to discourage Christians from fulfilling their mission to love and help the neighbor,” (2016 *Book of Resolutions* #3284), and

Whereas, the 2016 United Methodist *Book of Resolutions* calls on United Methodists to “provide wherever possible pastoral care and crisis intervention to refugees and newly arrived migrants, identifying and responding compassionately to their spiritual, material, and legal needs.”(2016 *Book of Resolutions* #3281), and

Whereas, the 2016 United Methodist *Book of Resolutions* calls on United Methodists to “support those churches that prayerfully choose to offer sanctuary to undocumented migrants facing deportation,” (2016 *Book of Resolutions* #3379), and

Whereas, harboring is defined as conduct that tends to substantially facilitate remaining in the United States AND that the conduct prevented immigration authorities from detecting the person’s presence. (pursuant to the Sixth Circuit precedent case *Susnjar v. U.S.*), and

Whereas, openly and publicly offering refuge to an immigrant is a public witness and testimony of our faith and in addition does not prevent the Immigration authorities from detecting the person’s presence and therefore is not an act of harboring, and

Whereas, the 2016 United Methodist *Book of Resolutions* warns that “migrants are being arrested and held in prisons in a growing network of detention centers, many of them now private for-profit institutions” and that “more than 5,000 migrant parents have permanently lost custody of their children as detention court and family court policies collide” (2016 *Book of Resolutions*, #3379), and

Whereas, more restrictive and more aggressive implementation of directives regarding the treatment of immigrants, refugees, ethnic minorities and religious minorities testifies to an unwillingness and hostility to exercise mercy or discretion, and threatens those we choose to call neighbors by posing unique legal hurdles for pursuing citizenship and permanent residency,

Therefore, be it resolved that the clergy and congregations of The West Ohio Conference of The United Methodist Church be asked to support* United Methodists within the boundaries of our Annual Conference who organize to provide material, legal and spiritual services to the refugees and immigrants among us.

Be it further resolved that the clergy and congregations of The West Ohio Conference of The United Methodist Church be asked to support* those congregations within the boundaries of the Annual Conference choosing to offer temporary sanctuary to individuals or families who are:

- A. pursuing legal solutions to their immigration status;
- B. attempting to keep parents and children from being separated while they pursue legal options for unification or reunification;
- C. facing life-threatening situations if removed to their country of origin; and/or
- D. seeking discretion and mercy from immigration officials as they seek legal solutions.

Be it further resolved that special offerings to provide the aforementioned support* may be authorized by the Bishop and the cabinet.

Be it further resolved that the 2019 session of The West Ohio Annual Conference receives a report on specific efforts to seek justice for our immigrant and refugee neighbors over the course of the preceding year.

VIII. FINANCIAL REPORTS

A. CFO REPORT

Monday Afternoon, June 4, approximately 3:40 PM
 Follows CFA Chair, Christine Clough

Thank you, Chris, for the introduction.

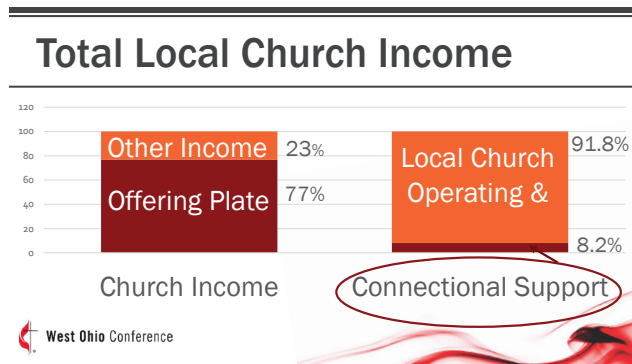

I would normally start my update with results from 2017. For those of who read the fine print in the Book of Reports, you'll note we did not include 2017 results because of a billing systems and general ledger conversions. I had hoped to share bottom line information but alas it's not quite ready. With confidence, I can share this:

- Investments performed well, which means more resources for our ministries.
- Receipts on apportioned connectional giving came in around 74%, about 1% less than budget – more on that later
- Through September 30, Conference Ministries (excluding clergy benefits) was in surplus.
- Our balance sheet remains strong.

The audit is planned for July and that means 2017 will be closed and final reporting available. As we always do, we'll post 2017 results on the website along with the audited financial statements. System and personnel changes have made this a difficult project. I know some of you – or at least your finance folks -- have been frustrated as has the district and conference finance staff, for which I'm very sorry. I want to thank all conference and district financial staff for their patience, endurance and continued commitment to providing timely, complete and accurate financial information so we can stay focused on our mission.

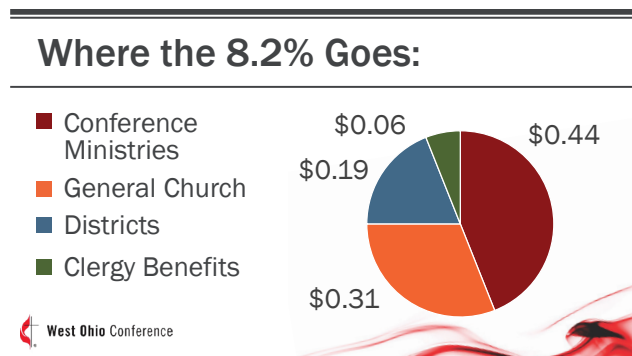

Moving on –

One of the more frequent questions I get is “where do our connectional giving – or apportionment – dollars go?” It makes sense to start answering this question by sharing how much all West Ohio churches – in the aggregate – spend in support of the connectional church.

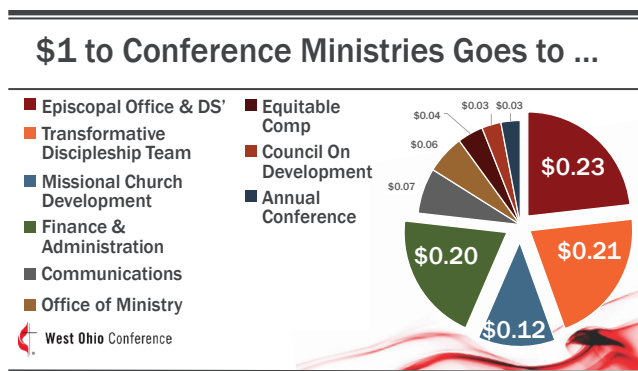

Of total church income about 77% comes through regular offerings – this is according to your annual statistics. The other 23% comes all other sources – program income, bequests, memorials, rentals, and so on.

Where does it go? Over 90% of local church income supports local churches and local church direct missions. 8.2% of income supports the connectional church. Now I know some of you are thinking, “only 8.2%? That can't be right.” – hold on to that thought – I'll circle back to it in a moment.

So where does the 8.2% go? Using the 2019 proposed budget for the next few slides you can see that the biggest share supports the Conference Ministries Fund (\$0.44 of every dollar), followed by General Church support, Districts and Clergy Benefits which is

just \$0.06 of every dollar.

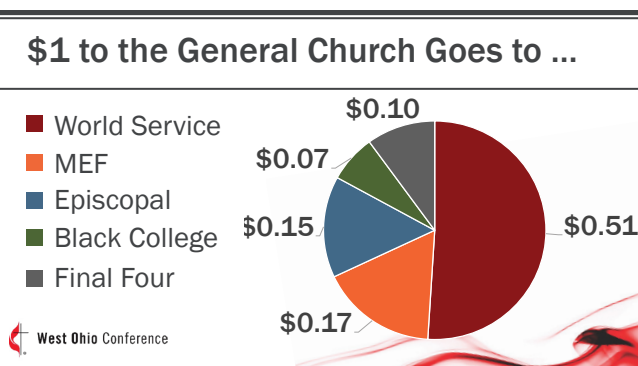

Let's take a closer look at how \$1 to Conference Ministries is allocated – that's 44% of all apportionments paid by all churches. At 23% of the pie or \$0.23 of every dollar received toward the Conference Ministries Fund, the Episcopal Office and District Superintendents is the largest slice of the (pie/loaf). This is mostly salary and benefits of District Superintendents and Episcopal Office Staff, but not our Bishop.

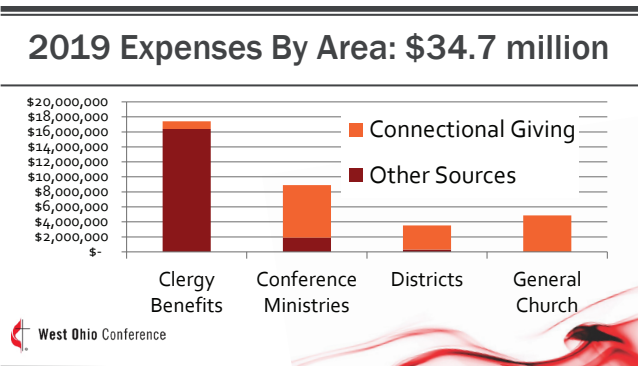

The next two slices combined - the orange one is Transformative Discipleship Team and the navy blue one is Missional Church Development – utilize 1/3 of apportionment receipts for this fund or \$0.33 of every dollar received. Though separated for leadership and reporting purposes, together they represent what has historically been referred to as Connectional Ministries.

The next slice, at 20% or \$0.20 of every dollar, is Finance & Administration, which includes building matters, IT, finance staff, and things not directly programmatic.

All remaining slices – Communications, Office of Ministry, Equitable Compensation, Council on Development and Annual Conference – make up under ¼ of the pie. \$0.23 of every apportionment dollar that comes in for this fund supports these areas.

You'll recall that \$0.31 of every apportionment dollar received goes to the General Church. So for every General Church apportionment dollar, half goes to World Service, which includes UMCOR and it's the reason that 100% of your gifts to UMCOR in response to disasters provide direct support. \$0.17 goes to the Ministerial Education Fund (1/4 of which comes back to us). The Episcopal Fund, which pays for all Bishops both active and retired, is at \$0.15 and the Black College Fund is \$0.07. The four remaining are just \$0.10 of every general church apportionment dollar.

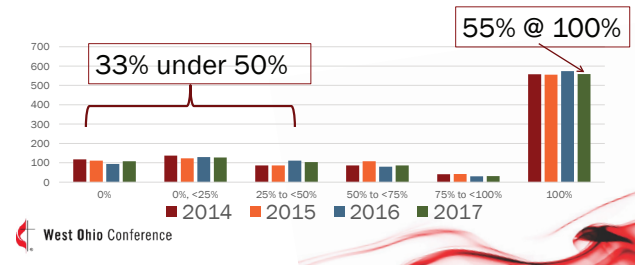

While we've been talking about apportioned connectional giving, that's not the only source of support. Under half of the 2019 budget is supported by apportioned connectional giving. As you can see in this slide, only a small portion of clergy benefit expenses are supported by apportionments with the rest being directly billed. A little more than 20% of Conference Ministries are supported with resources other than apportioned connectional giving.

Now for some acknowledgements and I will get back to that 8.2% number as promised.

- If you're from Shawnee Valley, led by Superintendent Brent Watson, please stand up. Your district paid 100% of your district apportionments – 100%! – and paid the 2nd highest percent toward Conference Ministries and the General Church. Thank you!
- If you're from the Capital Area North District led by Superintendent Linda Middelberg, please stand up. Your district paid the highest percent toward Conference and General Church ministries, just like last year. Thank you!

Connectional Giving Results

If your church paid 100% of its apportionments in 2017, please stand and remain standing. You represent 55% of our churches. Thank you.

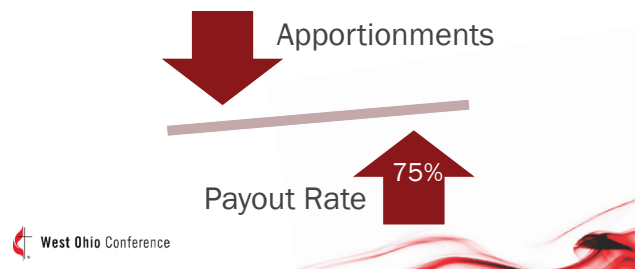

Some of you might be among those who earlier in my presentation thought, "8.2% is all that goes toward apportioned connectional giving? That can't be right." And you are probably correct. Your individual churches pay a higher share because you're among the 100%-ers. Thank you again. You may be seated.

- 10% Reduction in Apportioned Connectional Giving!
- \$2.25 Million!

As has been said already, in 2019, we'll reduce the total amount apportioned by 10% or nearly \$2.25 million. Every Conference Department and District worked together to make this possible. While this is a total figure, some churches may see more than a 10% reduction and others will see less. Nevertheless, consistent with our Annual Conference Theme, "Be Not Afraid, There is Enough," there is indeed enough, and we should not be afraid.

We Still Can Do Better!

I will leave you with this. We can still do better. If a year from now, more of you can stand because your church paid 100%, we could apportion even less. I look forward to working on your behalf and with you to make that possible.

This concludes my report, Bishop. Thank you.

B. 2019 MISSION & MINISTRY FUNDING PLAN

The West Ohio Annual Conference Budget will significantly rely on receipts from Connectional Giving apportioned to three funds. This is the second year for this after many when 12 funds were apportioned. All General Agency and other General Church funds and the North Central Jurisdiction are combined into the General Church Ministries. Retiree Health & Other Benefits is its own fund. Connectional Ministries and Conference Operations are combined into the Conference Ministries Fund.

Although fewer funds will be apportioned, receipts on those funds will be allocated proportionally according to the detailed budget. General Church funds cannot be used by the Annual Conference for any purpose and will be forwarded pro rata to the General Church within 30 days of receipt. The Board of Pension and Health Benefits directs its funds toward clergy benefits and related missional needs. The Conference Ministries Fund supports Connectional Ministries and Conference Operations, both of which will be used at the direction of The West Ohio Annual Conference under the oversight of its various boards, committees, and management.

The detailed budget and past results format presented by the Conference Council on Finance and Administration shows all resources in a unified format, including those expected from apportioned Connectional Giving. This budget continues our practice of full transparency and completeness of information.

The total amount of apportioned Connectional Giving in 2019 will be \$17.1 million – a 10% reduction from 2018. This amount is allocated among the three funds as summarized below. The detailed conference budget can be found on pages 274 to 280.

District apportionments total \$2,965,646, a 12% reduction from 2018. A summary of each district's budget is on page 281.

INDEPENDENT AUDITORS' REPORT

To the Council on Finance and Administration and Board of Trustees
West Ohio Annual Conference of The United Methodist Church and Affiliates
Columbus, Ohio

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of the West Ohio Annual Conference of the United Methodist Church and Affiliates (a not-for-profit organization), which comprise the consolidated statement of financial position as of December 31, 2017, and the related consolidated statement of activities and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of the accounting policies used, and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the West Ohio Annual Conference of The United Methodist Church and Affiliates as of December 31, 2017, and the changes in their net assets and their cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating information on pages 22 to 27 is presented for the purposes of additional analysis and it is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The consolidating information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the consolidating information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of activities

The West Ohio Annual Conference of The United Methodist Church and Affiliates (the "Conference") is a religious not-for-profit organization that was established to provide organizational structure and support to its member churches. The Conference provides management of conference-wide programs for missional, ministerial, and charitable giving purposes. The Conference also operates retirement and healthcare programs for eligible lay and clergy employees and retirees of the Conference and member churches.

Conference and Affiliates

The more than 1,000 member churches are organized into eight districts. The Conference is legally the sole member of each of the eight districts included in these consolidated financial statements. The eight districts are:

- Capitol Area North (CAN)
- Capitol Area South (CAS)
- Foothills (FTH)
- Maumee Watershed (MWD)
- Miami Valley (MIV)
- Northwest Plains (NWP)
- Ohio River Valley (ORV)
- Shawnee Valley (SHV)

Because of the control exercised by the Conference over the Community Ministries of the Capitol Area (CAM), that entity is included in the consolidated financial statements.

Basis of presentation

The Conference's consolidated financial statement presentation is in accordance with accounting principles generally accepted in the United States of America (GAAP). Under GAAP, the Conference's consolidated financial statements are prepared on the accrual basis of accounting, and the Conference reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Accordingly, the net assets of the Conference, and changes therein, are classified and reported as follows:

Unrestricted net assets- Net assets that are not subject to donor-imposed restrictions and are available for use in the Conference's ongoing operations.

Temporarily restricted net assets- Net assets that are limited as to use by donor-imposed restrictions that can be fulfilled by either the actions of the Conference, or the passage of time.

Permanently restricted net assets- Net assets that are limited as to use by donor-imposed restrictions that permanently restrict the use of the funds by the Conference, with the exception of the investment earnings.

Generally, if the corpus of a contribution will, at some future time, become available for spending, it is recorded as temporarily restricted. In addition, contributions that are promised to be given in a future period are presented as temporarily restricted. If the corpus never becomes available for spending, it will be reported as permanently restricted. Permanently restricted net assets represent the fair value of the original gift as of the gift date and the original value of subsequent gifts to donor-restricted endowment funds.

Unrestricted net assets include unrestricted resources, including donations, gifts, and bequests available for the use of the Conference, over which the Board of Trustees has discretionary control. The Conference reviewed all endowment funds, and no reclassification to net assets was required.

Use of estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenue and expenses during the reporting periods. Accordingly, actual results could differ from those estimates.

Cash and cash equivalents

For purposes of reporting cash flows, cash includes all cash on hand, demand deposits, and highly liquid investments with original maturities of three months or less. Cash and cash equivalents excludes the cash components of investments.

The Conference and Affiliates maintain financial relationships with financial institutions subject to FDIC or NCUA membership. Under FDIC and NCUA guidelines, all depository accounts are insured up to \$250,000. Throughout the year, the Conference's and certain Affiliates' deposits exceeded these limitations for deposits held at certain financial institutions. To mitigate the risk associated with deposits in excess of insured limits, management has certain deposit balances swept nightly into a short-term government obligations fund. Deposits in excess of insured limits were approximately \$3.1 million at December 31, 2017.

Accounts receivable and revenue

Apportionments - Apportionment revenue represents amounts paid by member churches to fund Conference initiatives and operating expenses. Requests for apportionment contributions are sent in the early part of each year, and additional requests are sent throughout the year. The Conference records revenue during the year based on actual funds received. Final revenue and receivables for the current year are recorded at year-end, based on subsequent receipts collected in January that relate to the prior year. Accordingly, there is no need to consider or record an allowance for uncollectible apportionments. Receivables are never considered delinquent and no interest is charged on receivables. Apportionment revenue does not include amounts collected from member churches to be passed on to the general United Methodist Church. These amounts are recorded as liabilities until transferred.

Medical Coverage Insurance - The Conference operates a medical coverage plan covering eligible lay employees, eligible clergy employees, eligible retired clergy of the Conference, and member churches. Medical coverage premiums are collected from member churches and retirees monthly. Revenue is recognized upon receipt of payment. As such, no receivables are recorded, and there is no need to consider or record an allowance for uncollectible accounts. To the extent that premium costs exceed funding provided by a member church, the Conference pays for the coverage.

Camp Operations - The Conference operates several camps throughout its region. Camp sessions primarily occur in the summer. Revenue is recorded in the month that registrations and payments are received in advance of the camp session. As such, no receivables are recorded. Any revenue collected in the current year pertaining to a camp session for the next year is recognized as deferred revenue.

Program Fee Income - At times, the Conference also requests a fee for events (other than camps) to defray a portion of program costs. These programs may be educational sessions or mission trips. Fees are recorded as revenue when received and are due in advance of the session or trip. Any revenue collected during the current year that pertains to a future event is recorded as deferred revenue.

Miscellaneous Revenue - Non-operational and ancillary income is reflected as miscellaneous revenue in the consolidated statement of activities. Miscellaneous revenue consists primarily of revenue generated from rental income, and random monetary or property gifts received from donors.

Investments

Investments are recorded at fair value based on quoted market values. Unrealized and realized gains or losses are included in the consolidated statement of activities. See Notes 4 and 6.

Property and equipment

Property and equipment are stated at cost and depreciated over their estimated useful lives using the straight-line method. Routine repairs and maintenance are charged to expense when incurred, and improvements and additions are capitalized. The carrying value of long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate the amount of assets may not be recoverable. Management has determined there was no asset impairment on depreciable assets in 2017.

The Conference holds approximately 1,200 acres of land related to its camps that were donated or otherwise acquired in prior years. As the fair market value of this land could not be reasonably determined at the time of its donation, it is not recorded in the consolidated financial statements. In addition, the Conference is holding 12 properties for resale at December 31, 2017. These properties have been recorded at their estimated fair values.

Endowment investment and spending policies

The Conference has adopted investment policies for all investment assets for which it is accountable, including certain endowment assets. The investment policy acknowledges and accommodates objectives unique to each fund, pool, or donor. In some cases, the investment policy is designed to produce an income stream to meet conference obligations to annuitants; in other cases, the policy is designed to preserve the real purchasing power of the assets and produce increasing income over time. In all cases, the policy provides a governance framework and guidance on investment management practices that are prudent and respectful of The United Methodist Church's social principles and underlying investment objectives.

Where not restricted by donor intent, the Conference relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). Spending and disbursements from each fund are set by donor agreement or the investing body (e.g., Board of Pensions and Health Benefits, Trustees, or Council on Development). Certain affiliated churches that have placed investment assets with the Conference, be they endowed or otherwise, may request a distribution of some or all of their balances at any time. The liability for funds held for the benefit of these churches is included in amounts held for distribution on the consolidated statement of financial position.

Each district or mission board within the Conference that has investable assets, separately maintains an investment policy statement designed to meet their respective needs and objectives.

Contributions

The Conference accounts for contributions in accordance with generally accepted accounting principles. Donor contributions are recognized as revenue when the contribution is pledged or received and are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence or nature of any donor restrictions. When a restriction is satisfied, temporarily restricted net assets are released to unrestricted net assets and reported in the statement of activities as satisfaction of donor restrictions. Any temporarily restricted contributions that are received and fulfilled in the same year are recorded as temporarily restricted net assets originally, and then released to unrestricted net assets in the same year. Contributions of marketable securities and property and equipment are recorded at their fair market value at the date of the gift.

Income and property taxes

The Conference is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code, except for unrelated business income as defined by the Internal Revenue Code. The Conference did not have any unrelated business income during 2017. Accordingly, no provision for federal, state, and local income taxes is included in the consolidated financial statements.

As a religious organization, the Conference is not required to file tax returns if it has no unrelated business income. Based on its review, management does not believe the Conference has taken any material uncertain tax positions, including any position that would place the Conference's exempt status in jeopardy for 2017.

Life annuity gifts

The Council on Development (COD) receives funds from donors classified as life annuity gifts. The donors contribute an irrevocable remainder interest in the donated funds and establish an interest that requires monthly or quarterly payments of a specified amount to the donor annuitant or another annuitant. Payments must be made for the remaining life of the specified annuitant.

Upon the death of the donor, other identified party or annuitant, the remainder interest becomes available for the final beneficiary, which is either the Conference, or other organizations generally associated with The United Methodist Church. The final beneficiary is designated in the life annuity contracts; however, the Conference enables the donor to change the final beneficiary up until the time of death, with the stipulation that the donor must either change the final beneficiary to the Conference or to another organization associated with The United Methodist Church. Since the final beneficiary is not determinable until the date of death, the Conference records all original gifts as liabilities and includes them in amounts held for distribution in the consolidated statement of financial position.

Upon the death of the donor, identified party or annuitant, if the Conference is named as the final beneficiary, then the Conference records contribution revenue for the remaining portion of the gift in the year of death. If another organization is named as the final beneficiary, then a liability is recorded to that organization by the Conference for the remaining portion of the gift. When the remaining portion of the gift is paid to the other organization, the liability is released.

Subsequent events

In preparing these consolidated financial statements, the Conference has evaluated events and transactions for potential recognition or disclosure through December 21, 2018, the date the consolidated financial statements were available to be issued.

2. PLEDGE CAMPAIGN RECEIVABLES

The Conference conducts fundraising activities on an ongoing basis and some of those efforts result in multi-year promises to give. Pledges are recorded at their estimated fair value using discount rate of 6.17%. Pledge campaign receivables at December 31, 2017:

Pledges due in:		
Less than one year	\$	8,750
One to five years		35,000
More than five years		<u>210,000</u>
		253,750
Less discount to present value		<u>(156,479)</u>
	\$	<u>97,271</u>

3. NOTES RECEIVABLE

The Conference and Districts provide loans to member churches for purposes of providing a source of funds to pay for renovation projects or new construction. Payments are due either on a monthly or quarterly basis, or in a lump sum upon completion of project construction. Interest charged may be at a rate of Prime (4.5% at December 31, 2017) plus 2.00%, the London Interbank Offered Rate (LIBOR) (2.0491% at December 31, 2017) plus 0.90%, a fixed rate ranging from 2.25% to 4.25%, or be interest free. The payment terms range from due upon project completion up to 17 years.

Notes receivable are considered delinquent if required payments are not made; however, loans are not charged incremental interest or penalty fees provided foreclosure of property does not occur. Based on this practice, despite loans made to churches closely related to the Conference, there is a certain level of credit risk that may become significant.

Management assesses the collectability of notes receivable at year-end. Based on collection activity and known financial status of the church, an allowance may be recorded. The allowance for uncollectible notes receivable was \$27,865 at December 31, 2017.

Maturities of notes receivable over the subsequent five years and thereafter are as follows:

	<u>Year ending December 31</u>	
	2018	\$ 57,934
	2019	63,993
	2020	56,147
	2021	24,997
	2022	13,205
	Thereafter	<u>10,379</u>
		<u>\$ 226,655</u>

4. INVESTMENTS

Marketable securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain marketable securities, it is at least reasonably possible that changes in the value will occur in the near term, and such changes could be material. Investments consisted of the following at December 31, 2017:

Money market	\$	1,681,789
Government obligations		3,603,548
Corporate securities		8,429,991
Common stock		29,676,886
Mutual funds		47,095,424
Certificates of deposit		<u>3,048,620</u>
	\$	<u>93,536,258</u>

5. BENEFICIAL INTEREST IN PERPETUAL TRUSTS

ORV is the beneficiary of two perpetual trusts. The trusts' assets are not in possession of the District and are administered by the Board of Trustees of The United Methodist Church. Under the terms of the trusts, ORV has the irrevocable right to receive income earned on the endowment assets in perpetuity. ORV has recorded an asset titled "beneficial interest in perpetual trusts" equivalent to the present value of the expected future cash flows from the trusts, approximated by the estimated fair market value of the trusts' assets.

6. FAIR VALUE MEASUREMENTS

Generally accepted accounting principles define fair value, establish a framework for measuring fair value, and establish a fair value hierarchy that prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Conference has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017.

Money market and certificates of deposit: Valued based on the contractual terms of the underlying money market or cash equivalent account.

Common stock, corporate securities and government obligations: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds: Valued at the net asset value of shares held by the Conference at year-end.

Property held for sale: Valued at fair market value based upon real estate appraisals.

Beneficial interest in perpetual trusts: Valuation is determined by the underlying interest in funds held by the custodian, which are primarily invested in marketable securities with quoted market prices.

The following table summarizes the valuation of financial instruments measured at fair value on a recurring basis in the consolidated statements of financial position as of December 31, 2017:

	2017			
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Assets				
Beneficial interest in perpetual trusts	\$ 599,073	-	-	599,073

Property held for sale is measured at fair value on a nonrecurring basis in the consolidated statements of financial positions as of December 31, 2017. Property held for sale is valued at \$1,629,218 as a Level 3 input.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Conference believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Changes in the fair value of properties held for sale and beneficial interest in perpetual trusts, which are measured on a recurring and nonrecurring basis using significant unobservable (Level 3) inputs, for 2017:

	Recurring Beneficial Interest in Perpetual Trust	Nonrecurring Property Held for Sale
Balance as of December 31, 2016	\$ 591,632	333,322
Fair market value of churches acquired	-	1,560,567
Sale of property held for resale	-	(11,671)
Assets placed in use, subject to depreciation	-	(253,000)
Change in beneficial interest in perpetual trust, held at year end	7,441	-
Balance as of December 31, 2017	<u>\$ 599,073</u>	<u>1,629,218</u>

Several districts have acquired church properties from former congregations that have ceased to be associated with the Conference. These properties are recorded at their estimated fair value when the relevant district determines it will be held for resale. The Conference is committed to selling these properties as soon as possible.

7. LINE OF CREDIT AND LOAN GUARANTEE

ORV maintains a \$1,500,000 revolving line of credit with a financial institution due on demand. The line of credit bears interest at a rate determined by the size of the District's assets that are under management of the financial institution (3.00% at December 31, 2017). The assets of the District are pledged as collateral.

ORV is guarantor on the commercial loan of a local church in that district. At December 31, 2017, the outstanding balance on the loan was approximately \$1.3 million, for which ORV may be immediately liable if the church defaults on the loan or files a bankruptcy petition. The loan balance is due before March 1, 2023, and ORV may be released from the guarantee prior to that time, provided certain terms of the guarantee are met. The local church was current on the loan at December 31, 2017, and management does not expect to be required to perform on the guarantee. Accordingly, no related liability is recorded in these consolidated financial statements.

8. PROPERTY AND EQUIPMENT

Property and equipment consisted of the following as of December 31, 2017:

Land and improvements	\$ 3,102,634
Buildings and building improvements	9,312,070

	10,594,097
Property held for sale	<u>1,629,218</u>
	<u>\$ 12,223,315</u>

9. OPERATING LEASES

The Conference leases administrative office space under a 15-year non-cancelable operating lease, which was set to expire in September 2025 from UMCH Family Services, a related party. The lease requires monthly payments of approximately \$20,000 for the remaining lease term. There was no amount due to this related party at December 31, 2017. The lease includes an option to purchase the land and building at a fixed price, which the Conference elected to exercise on December 27, 2016. Management completed the purchase on December 28, 2017 with a net purchase price of \$2,379,687.

ORV leases office space as a result of a grant and leaseback transaction as an operating lease that expired in January 2017 from a local church. This lease continued on a month by month basis through the end of December 2017. ORV leases office space as an operating lease commencing in January 2018 from a local church. Annual payment of \$1 is due in January 2018. In addition, as compensation to the Lessor, Lessee will pay for repairs and remediation to the property as set out in Exhibit B to the lease. As of December 31, 2017, ORV has paid \$141,638 towards the repairs and remediation of the property. CAN, CAS and CAM lease administrative office space under a five-year lease, which expires in October 2021. The lease requires monthly payments of approximately \$5,000 for the remaining lease term.

The Conference leases certain other office equipment under non-cancelable operating leases, which expire at various times over the next five years. Total lease expenditures in 2017 were \$386,747. Future minimum lease payments are as follows:

<u>Year ending December 31</u>	
2018	\$ 77,928
2019	78,809
2020	65,822
2021	<u>49,910</u>
	<u>\$ 272,469</u>

10. TEMPORARILY AND PERMANENTLY RESTRICTED NET ASSETS

The temporarily restricted net asset class includes assets and trust obligations of the Conference related to gifts with explicit donor-imposed restrictions that have not been met. Temporarily restricted net assets at December 31, 2017, are restricted to the following uses:

Church buildings	\$ 2,451,207
District operations	1,009,120
Clergy development	1,791,649
New church starts	411,451
Local churches	1,681,926
World mission projects	1,474,487
Retired clergy housing	477,810
Parsonages	260,987
Camps	454,578
Other	<u>1,573,973</u>
	<u>\$ 11,587,188</u>

The permanently restricted net asset class includes assets of the Conference related to gifts with explicit donor-imposed restrictions that permanently restrict the use of the corpus of the original gift. See Note 5 regarding beneficial interest in perpetual trusts. Permanently restricted net assets at December 31, 2017 are restricted to the following:

Beneficial interest in perpetual trusts	\$ 599,073
Local churches	176,057
Church buildings	68,696
Cemeteries	<u>22,726</u>
	<u>\$ 866,552</u>

11. FUNDS HELD IN TRUST BY OTHERS

The COD is named as the remainder beneficiary of certain trusts held by others. These trusts are not included in the consolidated financial statements as the funds are neither in the possession of nor under the control of the COD. Total estimated fair value of the COD's interest in these funds at December 31, 2017, is not available.

12. EPISCOPAL FUND

The Conference receives funds from the Episcopal Fund established by the General Council on Finance and Administration (GCFA) of The United Methodist Church. This fund is one of the general church funds to be used for administrative expenses of annual conferences.

The GCFA requires certain comparative information to be disclosed as a part of the annual audit of the Conference for the years ended December 31:

	2017	2016
Revenue		
GCFA Episcopal Fund receipts	\$ 104,560	92,900
Expenses		
Salaries	286,074	269,747
Payroll taxes and benefits	99,114	88,589
Travel	574	19,870
Episcopal initiatives	18,273	91,979
Occupancy and office expenses	21,776	24,883
	425,811	495,068
	\$ (321,251)	(402,168)

Episcopal related expenses exceed funding received annually; accordingly, there is no beginning or ending cash balances as funds are fully utilized by the year-end. Other operational or contribution funding is effectively utilized to pay for Episcopal expenditures greater than the funds provided from the Episcopal Fund. None of the Episcopal Funds were used for property and equipment purchases in 2017 or 2016.

13. ENDOWMENT FUNDS AND UPMIFA

Management has determined that certain Conference assets meet the definition of endowments under the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA). The Conference has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Conference classifies as permanently restricted net assets (a) the original value of gifts donated to permanent endowments, (b) the original value of subsequent gifts to permanent endowments, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

The remaining portion of the donor-restricted endowment fund that is not classified as permanently restricted net assets is classified as temporarily restricted net assets, until those amounts are appropriated for expenditures in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Conference considers these factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund;
- (2) The purposes of the Conference and the donor-restricted endowment fund;
- (3) General economic conditions;
- (4) The possible effect of inflation and deflation;
- (5) The expected total return from income and the appreciation of investments;
- (6) Other resources of the organization; and
- (7) The investment policies of the organization.

Summary of changes in endowment net assets for 2017:

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Balance as of December 31, 2016	\$ -	1,064,345	267,479	1,331,824
Net investment income (realized and unrealized)	-	379,099	-	379,099

Summary of all Conference net assets as of December 31, 2017:

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Endowment funds	\$ -	1,423,444	267,479	1,690,923

	<u>\$ 30,652,910</u>	<u>11,587,188</u>	<u>866,552</u>	<u>43,106,650</u>

14. HEALTHCARE POST-RETIREMENT BENEFIT OBLIGATIONS

The Conference sponsors a defined benefit post-retirement healthcare plan covering substantially all employees, and is a participant in a denomination-sponsored defined benefit pension plan as described in Note 15. GAAP requires an employer to recognize the over-funded or under-funded status of a defined benefit plan, or post-retirement benefits plan, as an asset or liability in its consolidated statement of financial position.

For pension plans, the asset or liability is determined by comparing plan assets to the projected benefit obligation. Pension plans recognize changes in the funded status in the year in which the changes occur through unrestricted revenue or expense. For post-retirement plans other than pension plans, the asset and liability is determined by comparing plan assets to the accumulated benefit obligation.

The size of the post-retirement healthcare obligation and related expense is based upon the plan benefit levels approved each year by the Conference Board of Pension and Health Benefits. The Conference had assets designated for this liability totaling approximately \$51.5 million at December 31, 2017, in the Retired Clergy Benefits Fund.

Further information about the healthcare plan as of December 31, 2017:

Fair value of plan assets	\$ -
Benefit obligations	<u>(55,378,497)</u>
Funded status	<u>\$ (55,378,497)</u>

Reconciliation of accrued healthcare post-retirement benefit obligations:

Healthcare post-retirement benefit obligations - beginning of year	<u>\$ (51,160,200)</u>
Service cost	(815,298)
Interest cost	(2,152,742)
Actuarial loss	(3,443,118)
Net expected benefit payments	<u>2,192,861</u>
Change in healthcare post-retirement benefit obligations	<u>(4,218,297)</u>
Healthcare post-retirement benefit obligations - end of year	<u>\$ (55,378,497)</u>

The discount rate used to determine the benefit obligation at year-end was 3.75% for 2017. For measurement purposes, the rate of increase in the per capita cost of covered healthcare benefits has been assumed to be 6.0% for 2018, 5.5% for 2019, 5.0% for 2020, and 4.5% for 2021 and thereafter.

Contribution ranges are dependent on years of service at retirement and apply to the retiree and his or her spouse. Plan premium is paid by the Conference upon presentment of invoice by the insurer for payment toward coverage of healthcare plan benefits and thus equals benefits paid. These payments are recorded to medical coverage expense on the consolidated statement of activities.

Projected benefit payments, before reduction for participant contributions:

<u>Year ending December 31</u>	
2018	\$ 1,816,477
2019	2,007,477
2020	2,200,878
2021	2,305,017
2022	2,382,048
2023 - 2027	<u>13,166,076</u>
	<u>\$ 23,877,973</u>

15. RETIREMENT PLANS

The Pre-82 Plan

The Conference participates in a multi-employer defined benefit pension plan (the Plan), administered by the General Board of Pension and Health Benefits (GBPHB) of The United Methodist Church, covering all clergy with Pre-82 pension credit service. The benefits are based on the greater of the past service pension rate multiplied by the number of the clergy's Pre-82 years of service in the Plan, or the service annuity benefit specified by the Plan.

Annual contributions by the Conference are determined within certain guidelines established by the GBPHB. Contributions made by the Conference are held in a general pool with the contributions of other conferences, and are generally available to pay the beneficiaries of all employers in the Plan. The Conference's account within the Plan was over-funded as of the January 1, 2017 valuation. The Conference was not required and did not make any contributions for 2017.

The GBPHB prepares actuarial valuations annually as of January 1 and generally issues its report each September. The most recent valuation reflects the Plan asset values and liability funding status as of January 1, 2017.

Plan information and assumptions at January 1, 2017:

Assets and funding:	
Fair value of plan assets	\$ 75,933,114
Less pension benefit obligation	<u>(72,853,051)</u>
Funded past service liability	<u>\$ 3,080,063</u>
Assumptions:	
Interest rate	<u>6.625%</u>
Past service rate (PSR) increase	<u>2.00%</u>
Mortality table	RP-14 (MP-14)

All Plan assets are invested in the Multiple Asset Fund (MAF) of the GBPHB. The investment objective of the MAF is to maximize long-term investment returns, including current income and capital appreciation, while reducing short-term risk by investing in a broad mix of investments. Weighted-average asset allocations of Plan investments as of December 31, 2017:

	<u>Policy Target</u>		<u>Actual</u>
	Range		
US Equity Fund	32%	38%	35.4%
International Equity Fund	27%	33%	32.2%
Fixed Income Fund	22%	28%	23.0%
Inflation Protection Fund	7%	13%	9.1%
Cash	0%	2%	0.3%

Ministerial Pension Plan 1982- 2006 (MPP)

The Conference participates in a 403(b) defined contribution plan, the MPP for clergy employees. Eligible employees are 100% vested in their contributions. When the Plan was active, the Conference made a matching contribution equal to 12% of Denomination Average Compensation (DAC) for clergy employees. This Plan was closed to new contributions at December 31, 2006.

Clergy Retirement Security Program (CRSP)

Effective January 1, 2007, the GBPHB amended its pension plan, creating the CRSP, which has both a defined benefit and defined contribution component. The defined contribution component of the CRSP is capped at 3% of eligible compensation. The defined benefit component provides annual income based on years of service and a percentage of DAC (1.25% for service years 2007 through 2013 and 1.00% thereafter).

The terms of the plan permit the Conference to use an over-funded position in the Pre-82 Plan to fund the defined benefit component of the CRSP. Although a surplus was available, the Conference made a full contribution of \$3,441,011 in 2017. The Conference bills its churches at a percentage of eligible compensation regardless of whether the surplus is utilized. When amounts collected exceed the amount remitted to GBPHB, the excess funds are used to build a reserve for the post-retirement healthcare liability or other clergy benefits, as designated by the Conference Board of Pension and Health Benefits.

United Methodist Personal Investment Plan

The Conference sponsors a 403(b) defined contribution plan for clergy and full-time lay employees of the Conference and Districts. Participants are 100% vested in their contributions. The Conference and Districts make matching contributions subject to their respective adoption agreements with the GBPHB. Matching contributions for the 403(b) defined contribution plan are immediately vested. Matching contributions for 2017 totaled approximately \$136,778.

Note: Prior year audit and supplemental information is available by calling the conference Treasurer's Office.

We strongly recommend that the Committee on Staff/Pastor-Parish Relations and newly appointed pastors meet monthly for the first six months and at least quarterly thereafter for the purpose of developing a supportive relationship.
- 4. VACATION
 - a. **Vacation Policy**

Time for vacation, continuing education, Sabbath and formational renewal are extremely important to every person involved in professional ministry. There must be times of recreation, study and re-centering in each clergy's life. The West Ohio Conference adopts these guidelines for clergy and churches as a way of encouraging clergy to live a balanced life in ministry.

The guidelines that are listed below are the minimum of all clergy under appointment. A charge and the appointed clergy in consultation with the District Superintendent may negotiate mutually agreeable changes to fit unusual circumstances in line with the spirit of this section.

Details and agreements regarding vacation, sick time, continuing education, days off, formational and spiritual growth leave, and connectional responsibilities should be established at the time of the appointment and reviewed annually as part of the annual pastor evaluation with the charge's Committee on Staff/Pastor-Parish Relations (SPRC).

All clergy shall have at least, but not limited to, the equivalent of four weeks (based on estimated weekly workdays),

plus two days. These days may be taken individually. This shall include a maximum of four Sundays. The following table shows minimum paid vacation days by nature of appointment.

MINIMUM VACATION STANDARDS**

Appointment Level	Estimated Weekly Workdays	Total Vacation Days including 4 Sundays
Full Time Appointment	6	26 (6 x 4 = 24) + 2
¾ Time	4.5	20 (4.5 x 4 = 18) + 2
½ Time	3	14 (3 x 4 = 12) + 2
¼ Time	1.5	8 (1.5 x 4 = 6) + 2

****Clergy do not need to take a vacation day for regularly scheduled weekly day(s) off**

Vacation shall be granted on the annual conference year (July 1 through June 30). In order to establish proper healthy boundaries, pastors and other clergy persons under appointment are expected and encouraged to take all vacation days annually. Vacation is not cumulative and cannot be carried over to the succeeding year. It is expected that the pastor will make arrangements in advance with the SPRC and consult with them in obtaining vacation supply coverage. Vacation leave for appointment beyond the local church (deacons) or extension ministry (elders and local pastors) is determined by that employer.

b. Continuing Education and Spiritual Growth

In accordance with *The Book of Discipline* ¶350.2, clergy members continuing education and spiritual growth program shall include professional formation leaves at least one week each year and may include at least one month during one year of every quadrennium. Such leaves shall not be considered vacation time and should be coordinated through your SPRC committee.

More extended time for renewal leave is a healthy part of the rhythms of vocational ministry. In accordance with *The Book of Discipline* ¶350.3, clergy members who have held full-time appointment for at least six years may request a formational and spiritual growth leave of up to six months while continuing to hold an appointment in the local church.

c. Sabbath and Weekly Day Off

It is important for clergy to have regular time away each week. Clergy members are strongly encouraged to establish a schedule that includes at least one day of Sabbath and one day away from ministerial responsibilities each week. Experiencing and modeling the rhythm of weekly Sabbath rest is vital to the work of vocational ministry. This day is included as a part of the six-day workweek for full time appointment in the chart above. Such days should be communicated so that congregation and staff will know when such days are to occur, so as to allow a time of refreshment. These are not vacation days.

d. Connectional and Community Responsibilities

All clergy are expected to attend all sessions of the Annual Conference. In addition, clergy may have other connectional responsibilities. Time spent on these responsibilities shall not be counted as vacation or as continuing education. Clergy will inform the SPRC of time needed for these responsibilities.

Clergy are also often involved in various community groups. Such involvement provides an opportunity to build a bridge between the community and the church. These involvements shall not be considered vacation or continuing education. Clergy are encouraged to use good judgement in determining the commitment accepted beyond the primary appointment. Consultation with the SPRC should take place before accepting such responsibilities.

- k. Inquiries of any kind

5. WHEN MOTIONS AND RESOLUTIONS ARE TO BE WRITTEN

All motions and resolutions shall be reduced to writing if so directed by the presiding officer or by a majority vote of the conference.

6. WHEN A MOTION OR RESOLUTION IS IN POSSESSION OF THE CONFERENCE

When a motion or resolution is made and seconded or stated by the presiding officer, it shall be in the possession of the conference. By conference consent, any motion or resolution may be withdrawn by the mover at any time before its amendment or decision.

7. ALTERATION OF REPORTS

When a committee report has been published in the *Book of Reports* to the members of the conference, it is in possession of the conference and cannot be altered except by action of the conference.

8. MOTIONS IN ORDER WHEN A MAIN MOTION IS BEING CONSIDERED

When a question is under debate, any subsidiary motion applying thereto may be made. This includes the following motions listed in order of their precedence: Lay on the Table, Previous Questions, Limit or Extend Limits of Debate, Postpone to a Certain Time, Commit or Refer, Amend, Substitute, Postpone indefinitely. Privileged motions are always in order, limited only by such restrictions, Roberts Rules of Order.

The motion to adjourn cannot be made when a member has the floor or when it interrupts voting or verifying a vote.

9. AMENDMENTS AND SUBSTITUTIONS

Only one amendment to an amendment shall be in order. However, it is in order to move a substitute for the main motion. In such case the chair shall proceed to perfect the original motion. The previous question when voted under these conditions shall merely stop debate but does not permit a vote on the main motion. When the main motion has been perfected, the chair shall proceed to perfect the substitute. When the substitute has been perfected, the chair shall call for a vote on the substitute. If the substitute is carried, it shall replace the original main motion and become the main motion. The chair will then call for a vote on the (new) main motion. The new main motion can be amended only by addition. If the substitute does not carry, without further debate, the chair shall call for a vote on the original main motion as it has been perfected.

10. DIVISION OF QUESTION

Before a vote is taken, any member has the right to call for the division of any question, if it is subject to such division as he/she indicates. If no member objects, the division shall be made, but if there is objection, the chair, not waiting for a second, shall put the question of division to vote.

11. TABLING RELATED MOTIONS

No motion which adheres to another motion, or has another motion adhering to it, can be laid on the table by itself. Such motions, if laid on the table, carry with them the motions to which they respectively adhere or which adhere to them.

12. SPEAKERS FOR AND AGAINST

- a. When a recommendation is under consideration, it shall be the duty of the chair to ascertain, when recognizing a member of the conference, on which side the member proposes to speak; the chair shall not assign the floor to any member proposing to speak on the same side of the pending question as the speaker immediately preceding if any member desires to speak on the other side thereof.
- b. Except for undebatable motions (Rule 2), no recommendation shall be adopted or question relating to the same decided without opportunity having been given for at least two speeches for and two against the same recommendation. After three speeches for and three against and provided no secondary motions come before the floor, the question shall be put automatically.

13. LIMITATIONS ON DEBATE

No member shall speak more than once on the same question until all who desire to speak have spoken. Speeches shall be no more than two minutes without leave of the conference. The chair and/or duly authorized member or members presenting the recommendation shall be entitled to two minutes to close the discussion. The motion to limit or extend the limits of debate is in order any time, except when a member has the floor.

14. SPEAKING ONLY AFTER A MOTION

No member of the conference shall be permitted to speak on a question unless it has been properly presented to the conference in the form of a motion.

15. MOTIONS AFTER SPEAKING ON A PENDING QUESTION

No member who has spoken on a pending question shall at the close of his/her speech have the right to call for the previous question or move to lay the motion on the table.

16. WHO MAY VOTE

Every member who is within the bar of the conference at the time the question is put has the right to vote. A member who is not within the bar of the conference at the time the question is put by the chair shall not be permitted to vote except such member is necessarily absent in the work of the conference.

17. PREVIOUS QUESTION

When any member moves the previous question (that is, that the vote be now taken on the motion or motions pending) he/she shall indicate to what he/she intends it to apply if any secondary motion or motions are pending. If he/she does not so indicate, the chair may regard it as applying only to the immediate pending question. This vote shall be taken without debate and, if in the judgment of the chair, two-thirds of those present vote for its adoption, the vote shall be taken on the motion or motions to which it applies.

18. INTERRUPTING THE SPEAKER

No member who has the floor shall be interrupted except for a breach of order, or a misrepresentation, or to direct the attention of the conference that the time has arrived for a special order of the day, or to raise a very urgent question of high privilege.

19. RECONSIDERATION OF A QUESTION

A motion to reconsider an action of the conference shall be in order any time if offered by a member who voted on the prevailing side. If the motion it is proposed to reconsider is nondebateable, the motion to reconsider may not be debated.

20. SUSPENSION OF RULES

The application of any of the provisions of these Rules of Order may be suspended at any time by a two-thirds vote of the conference.

21. ROBERTS RULES OF ORDER, SUPPLEMENTARY AUTHORITY

In any parliamentary situation not covered in these Rules of Order, the conference shall be governed in its action by the appropriate provisions of Roberts Rules of Order.

22. BISHOP'S RIGHT TO SPEAK ON ISSUES

The bishop is not, and by discipline cannot be, a member of the body with whose presidency he/she is charged. But he/she is the head of the area, vitally concerned with the decisions of this body. Therefore, the bishop shall have the right to speak on the issues before this conference, providing he/she surrenders the chair to someone of his/her appointing at any time that he/she feels he/she should apprise the conference on matters pertaining to the issue before the house.

MICHAEL DONNALLY

Michael Donnally, aged 64, died at home on August 17, 2017, after a two-year battle with prostate cancer. Michael (Mike) Donnally was born on February 8, 1953, in Columbus, Ohio, son of Ralph William (Bill) and Patricia (Patty) Rector Donnally.

Mike had a wonderful childhood near grandparents and cousins, whether playing in the ravine near his house or playing tennis and baseball at Whetstone High School. He graduated with a degree in botany from Miami University, where he met his wife, Rebecca (Becca) Rosser, whom he married following her graduation in 1974.

After college Mike answered his call to ministry, becoming a United Methodist pastor and serving ten churches over his 39 years in West Ohio Conference. During his ministry Mike challenged his churches to pursue mission passionately, to connect meaningfully with Christ, and to practice worship in diverse ways by bringing expanded technology into the worship service. Mike was also a talented preacher and committed counselor, making meaning of both life and scripture and spending countless hours with those in need.

Ever-committed to his wife and daughters and despite the demands of full time ministry, Mike found a way to be present for volleyball games, dance performances, orchestra concerts, and anywhere else his children needed him. Later in life he found immense joy in the time spent with his three grandchildren. In whatever time he had for himself, Mike was an avid reader, athlete (he could drive a golf ball a mile), and hobbyist (he even picked up drone flying in his last two months of life).

As Mike's favorite theologian, Charles Schulz, said, "All his life he tried to be a good person. Many times, however, he failed. For after all, he was only human. He wasn't a dog." and "There are moments in life when you miss someone so much that you just want to pick them from your dreams and hug them for real."

Mike is survived by his wife, Becca Donnally; daughters, Shannon Spasova, Erin (Bill) Drake, Eileen Cooper; mother, Patty Donnally; grandchildren, Desmond Drake, Rollin Cooper, and Ketricken Cooper; brother, Timothy Donnally.

EDWIN MARTIN

On Monday, September 18, 2017, the world lost a truly generous and caring spirit with the passing of Reverend Edwin L. Martin. Born August 23, 1940, his life was defined by his love for others and service to all. The son of Reverend E. Laurence and Doris Martin, Edwin was raised by his maternal grandparents. His grandfather, Frank, served as the bedrock of Edwin's values, as well as the moral code by which he later lived his life. Frank, a brilliant man in his own right, also provided Edwin the wisdom and work ethic that could come only from a grade-school dropout that went to work in the coal mines at the age of 10.

When Edwin graduated from high school in 1958, he joined the United States Navy and began his first career in service as a hospital corpsman supporting his fellow sailors. In 1965, he was assigned to a Marine Corp platoon in Southeast Asia. One tragic night, while on patrol, his unit came under attack and 11 of his fellow Marines lost their lives. Although tragic, it was the night Edwin received his calling, committed his life to Christ, and marked the beginning for his second career in service, the United Methodist ministry.

When Edwin returned from overseas, he began his divinity studies at the United Methodist Church in Pittston, Pennsylvania, where he met the love of his life, Mary Mullarkey. On July 23, 1966, Edwin and Mary were married by a group of five United Methodist ministers. Together they lived their lives serving 13 congregations and concluded their ordained ministry in Harrisburg, Ohio. At every moment of those 50 years, Edwin and Mary walked side by side as examples of God's love and compassion. They were together as Edwin baptized, married, and provided pastoral care to thousands and thousands of individuals in the communities they served.

Edwin lived his life with compassion and integrity and without regret. For those of us privileged to have had Edwin touch our lives, we know that his love for us and for his God was unmatched. He was unique in the very best sense of the word and we'll not soon, if ever, see his equal.

SUSAN BRAUN

Susan Nell (Hagan) Braun entered new life on May 8, 2018. She was 63 years old. Susan was born in Owensboro, Kentucky, on March 1, 1955. She was the third daughter of Paul Hagan and Mary Louise (Sutton) Hagan. When she was five the family moved to Middletown, Ohio, and that is where she grew up and went to school. From a young age she began working playing the organ for her church when she was 12. When she was 17 she told her father she was smart enough to quit school and she did. She went south and worked in restaurants and a rubber-tube company in Muscle Shoals, Alabama. Five years later she returned to Ohio with a GED, a divorce, and a daughter, Veronica. She raised a beautiful, caring daughter by herself, working mostly at make-up counters in stores like Macy's. She enjoyed her work making women feel better about their looks and gaining self-esteem for themselves. She worked hard all her life and never complained about it.

When her parents fell ill with cancer she took time off from work with no pay to care for them. That was the kind of person she was. She soon realized that she needed more job training so she took secretarial courses and became a secretary. Her first job as a secretary was at Otterbein-Homes Retirement Community where she worked with the Human Resource Department and the Chaplain's Department. That is where she met her husband, Roger. They were married on February 14, 1998.

She soon became indispensable to the Human Resource Department and was promoted to Director. She was supervisor for over 1,200 employees and was responsible for hiring, dismissing, assisting, and recruiting. She later earned her Bachelor of Science Degree in Management and Leadership from Kennedy-Western University and became director of a program called "Partners in Caring" for all the five Otterbein Homes in Ohio. In this capacity she created a program of retaining quality personnel along with making the workplace a place of caring for one another.

Her marriage to Roger was ideal. It came easy - she lived for him and he lived for her. Everything she did she did with her husband in mind. They never had an argument and had only love for one another. She was kind, funny, loving, joyful, and confident. Her husband thinks she was the most self-aware, self-actualized, Christ-like person he had ever met. She was a lover of Jesus. Her self-assurance came from her faith in a God who never forgot her and her heart was always near to Christ Jesus. Her much used Bible is a testament to her faithfulness.

She is survived by her husband, Roger; her daughter, Veronica Sterling and son-in-law Kyle; three step children, Russell Braun, Nancy Fields, and Stephen Braun; two sisters, Kathy Walters, and Michelle Wilson; two brothers, Casper Hagan and Marty Hagan. She was preceded in death by her parents and three siblings, Paula Jenson, Janet Carter, and Greg Hagan.

She now rests in God who mercifully took her home where she wanted to be. "Blessed are the saints who die in the Lord." (Psalms) All praise and glory to God who gave us Susan to know and love.

MARJORIE JO CULBERTSON

Marjorie Jo Culbertson, 73, lost her battle with Lymphoma on Wednesday, February 21, 2018. She was born in Decatur, Indiana, to the late Glen H. and Modjeska A. Neuenschwander. Marjorie was a member of the Wallen Baptist Church and Bethel United Methodist Church. Don Roth, Marjorie's home pastor and longtime friend, wrote: Marjorie was an amazing person. She was energetic, creative, loving, and passionate. She honored her parents, loved her husband, valued her siblings, and delighted in her family. She was superb in every one of her relationships. Above all else, she was wholly committed to her Savior and Lord, Jesus Christ. In short, she excelled in loving, serving, and relating! Her maturity, commitment, and spontaneity endeared her to all of us. She truly exemplified and glorified her Savior and Lord Jesus Christ. Never one to know a stranger, I can easily imagine her talking to and laughing with Billy Graham (who died the same day as Marjorie). That is classic Marjorie. She is now "safe in the arms of Jesus." Marjorie had a Masters Degree in Nursing and Education. She was a member of Sigma Theta Tau, an international Honor Society of Nursing. She worked with Visiting Nurse, Logan Psychiatric Hospital, and many other hospitals and universities. Marjorie sang in the choir for the Bach Collegiam and played the piano and clarinet. Marjorie played tennis up to four times a week. She was Captain of the Senior Women's Tennis Team. She was very competitive and excelled in a number of activities. She and her husband traveled extensively, going to Hawaii, England, Ireland, Alaska, Europe, and returning to Africa for the 50th Anniversary of the hospital where she had taught many years ago. The nursing students she had taught were the heads of the various departments. She spoke fluent French and Tshiluba (an African dialect) and had a burden to help international women. Her passion was working with women from all over the world at International House, a place where women could learn English, sewing, and knitting. The family wants to thank the personnel at Visiting Nurse Hospice and Dupont Hospital for the excellent care and concern they gave Marjorie, her family, and friends. They made a very difficult time more palatable.

Surviving is her husband of 31 years, Daniel Culbertson, sons; David (Marta) and Ryan (Savannah) Culbertson, grandchildren; Garrett, Grant, Ryan Jr., Stella Rose; siblings; Carol (Jerry) Wisler, Ron (Brenda) Neuenschwander, and step brother, Terry (Lisa Miliczky).

Carson Newman, 79, of Prosperity Road, Waverly, Ohio, passed away on Thursday, August 3, 2017. Carson was born March 6, 1938, in Floyd County, Kentucky. His family moved to Ohio in 1954, and he and Frances Whitworth became childhood sweethearts. Carson gave Frances an engagement ring for a graduation gift from Piketon High School in 1956.

Carson was a track and basketball star in high school and Frances was a cheerleader. Carson served our country in the United States Army from 1957 to 1960. Carson flew home from Germany in 1958 and married his childhood sweetheart, Frances. Carson and Frances have two children, Carmen Schneider, retired respiratory therapist, and Bradley Newman, a veterinarian in Florida.

Carson was hired as a patrolman in the Waverly Police Department in 1963. In 1968 Carson was sworn in as Chief of Police. In 1969 he was recognized as an Outstanding Young Man in America as he was the youngest Chief of Police in Ohio at the age of 31. Carson, though strict, was fair, and was loved and respected by all who knew him.

Carson was a member of Bear Creek United Methodist Church where Frances serves. Frances also serves at McDermott United Methodist Church. Both churches are in Scioto County, Ohio.

He quietly supported Frances as she attended colleges and served her churches, while taking no credit for helping. A quiet man, but quite a man.

BARBARA PETERSON

Barbara Peterson died on March 3, 2018. She was the widow of Edward (Ted) C Peterson, an elder in The United Methodist Church. They were the parents of four daughters, Kari (Matt) Reed, Kristin (Russ) Spencer, Wendy (Cameron) Ware, and Marty (Bob) Barnhard; ten grandchildren.

During their marriage, they served appointments in the larger church with the General Board of Education in Nashville, and several pastorates in The West Ohio Conference. While in Nashville, Ted was a designer, author, and editor of United Methodist Curriculum, including "The Young Reader's Bible." Barbara and their beautiful children appeared in many illustrations in the curriculum in those years. When Ted was on the staff at Christ United Methodist Church in Kettering, Barbara was an ideal pastor's wife, teaching Sunday School and active in United Methodist Women. She was a gracious hostess and made a mean seafood Newberg.

After retirement, they eventually settled in Helena, Montana, where they loved the mountain scenery. At the time of her death, Barbara was living in Fort Worth, Texas, to be near one of the daughters.

MARY LOU POWELL

Mary Lou Powell died on March 29, 2018. Born in Martins Ferry, she graduated from The Ohio State University in 1947, with a degree in Home Economics/Education. She met Floyd while singing in the choir at the Methodist Church near campus and they married in August after her graduation. Mary Lou joined him in Summit, New Jersey, where he was in his second year at Drew Theological Seminary.

They served six churches in the West Ohio Conference before going on the District in Lancaster under Bishop Dwight E Loder. Mary Lou did graduate work at Ohio University before teaching home economics in Marietta and Reynoldsburg. Both in class and at home, she elevated homemaking to an art.

After retirement, she and Floyd moved to Gulf Shores, Alabama, where she became a blue ribbon quilter, active in quilt guilds as a leader and teacher. She never lost her love for travel, even venturing to Iona, Scotland, in her 80's. She was also a voracious reader. Mary Lou always had a book in hand - or on her Ipad. She was generous to those in need and had a passion for the marginalized.

After Floyd's death in 2002, she volunteered at the Public Library and did financial counseling for Habitat for Humanity with persons needing a home. She also tutored those who were learning English as a second language with the Laubach Literary Society. (Her favorite textbook was a Spanish/English Dictionary!) Her greatest love, though, was answering the telephone at Gulf Shores United Methodist Church, where she worked until 3 weeks before her death. Besides volunteering, she loved to grocery shop - especially at Costco!

She leaves four children (Lesley Cooper, Lynn "Wes" Powell, Hallie Stones, and Matt Powell), their spouses, 10 "perfect" grandchildren and five and a half great-grandchildren.

She is survived by her son, Loyd M (Paula) Rife, Jr; grandchildren: Debbi (Mo) Roberts, Barbara (Dave) Matchack, David (Tobie) Rife, Dean Eblin, and Paul Eblin; eleven great-grandchildren; four great-great grandchildren.

She met her minister-to-be-husband in Coalton, Ohio, when she was playing the piano for a revival. Over their life together, they served Junction City, Bloomville, Mt Carmel, Bloomdale, Findlay Bethlehem, Sidney, Lindsey Trinity, Brookville Community, and Casstown. Elizabeth always played piano and enjoyed her family and friends.

At the time of her death at age ninety-nine on the Ides of March 2018, she was a member of Stonybrook United Methodist Church.

ODELL WRIGHT

Odell Gatewood Saulter Wright was born January 16, 1926, the second of three daughters, to Alice Gatewood in Belzoni, Mississippi. She died at St Dominic Hospital in Jackson, Mississippi, on January 8, 2018, just eight years short of her ninety-second birthday. In addition to her mother, she was preceded in death by her son, Harvey, in 2010. She is survived by her son, Benjamin Saulter; daughter-in-law, Sheri Saulter; son, David Saulter; sisters, Mary Alice Moman and Evelyn Banks; a host of grandchildren, great-grandchildren, other relatives, and friends.

Odell spent her early years with her mother and sisters enjoying activities such as learning to cook, making jellies, baking cakes, sewing, playing cards, drawing pictures, reading, and writing stories. Odell and her sisters attended church regularly and joined their friends in other outdoor activities. At the age of fifteen, Odell joined her older sister, Mary Alice, at Tougaloo Preparatory School for the purpose of completing her high school education. After high school, it was expected that Odell would attend and graduate from Tougaloo College. After completing her freshman year there, she decided to enroll in Tennessee State University in Nashville for her sophomore year. While there, she met and married Benjamin Saulter of Cincinnati, Ohio. After graduation, they moved to Cleveland in the Mississippi Delta, where Ben became the band director at a local high school; Odell was a homemaker.

After a number of years, Ben and Odell moved to Cincinnati where they settled and started their family: three boys, Benjamin, Harvey, and David. After a long and happy marriage, Ben died of sickle cell anemia in 1970. Many years later, Odell met and married Samuel Wright, a pastor in the West Ohio Conference who served at Mount Zion and New Vision United Methodist Churches in Cincinnati. Sam retired in 1982. They enjoyed many happy years prior to his death on April 27, 1989.

Odell's sisters encouraged her to return to Mississippi, to escape the some times brutal weather of the north. She did, moving in with Mary Alice for three years. She moved to an assisted living facility, Harmony Court, where she was always in the lobby, welcoming guests and talking with friends. It is said that she never met a stranger. Odell lived there for over two years.

A celebration of her life was held on January 17, 2018, at the Aldersgate United Methodist Church in Jackson, Mississippi, with Dwight D. Prowell officiating.

XII HISTORICAL STATEMENT

The hardy pioneer itinerants who blazed their way through the uncharted Indian wilderness were people of giant hearts, stalwart frames and steadfast convictions. Surely these faithful pioneers, always ready for any hardship and toil the Church and its elders might demand, would be most happy that the Church militant has achieved such a historical time line as is evidenced in the continued health and aspirations of this, the oldest original Conference in the Northwest Territory.

The east and west borders of the Western Conference were that portion of Ohio bordering the Ohio River on the east to the "shores of the setting sun" on the west. At the annual meeting of the Western Conference in Cincinnati on October 1, 1811, both Bishop Frances Asbury and Bishop William McKendree were in attendance. At that time it was decided that, if the General Conference voted to divide the Western Conference, the "lower conference" would next meet at Fountain Head, Tennessee, and the "upper conference" – to be called the Ohio Conference – would be held in Chillicothe, Ohio, on October 1, 1812.

Our present West Ohio Conference, therefore, reflects the unions of the former Cincinnati (1913), Central Ohio (1913), old West Ohio (1927), part of the former Central German (1936), and part of the Lexington (1964), Conferences of the Methodist Episcopal Church, the Ohio (1939) and the Muskingum (1918) Conferences of the Methodist Protestant Church, and the Ohio Miami (1968), Ohio Sandusky (1968), and Ohio Southeast (1968) Conference of the Evangelical United Brethren Church.

On June 10, 1970, a Special Session of Six Annual Conferences of The United Methodist Church, within the Ohio West and Ohio East areas, was held in Veterans' Memorial Auditorium, Columbus, Ohio, for the purpose of uniting the six conferences into two. The former Ohio Methodist, Ohio Sandusky Evangelical United Brethren, Ohio Miami Evangelical United Brethren, and Ohio Southeast Evangelical United Brethren Conferences were united to become the West Ohio Conference of The United Methodist Church. The former North East Ohio Methodist, the East Ohio Evangelical United Brethren and a designated number of churches in the former Ohio Sandusky and Ohio Southeast Conferences were united to become The East Ohio Conference of The United Methodist Church.

West Ohio, State of Ohio: counties of Adams, Allen, Athens, Auglaize, Brown, Butler, Champaign, Clark Clermont, Clinton, Darke, Defiance, Fairfield, Fayette, Franklin, Fulton, Gallia, Greene, Hamilton, Hancock, Hardin, Henry, Highland, Hocking, Jackson, Lawrence, Licking (excluding the towns of Homer and Utica), Logan, Lucas, Madison, Meigs, Mercer, Miami, Montgomery, Paulding, Perry, Pickaway, Pike, Preble, Putnam, Ross, Scioto, Shelby, Union, Van Wert, Vinton, Warren, Williams, and Wood; west of the Muskingum River in the counties of Morgan, Muskingum (including the city of Zanesville), and Washington (including the city of Marietta); west of Route 23, north of Route 37, and west of Route 71, south of Route 37 in Delaware County and west of Sandusky Street (excluding Asbury United Methodist Church) in the city of Delaware; west of Route 23 in the counties of Marion and Wyandot (including the city of Upper Sandusky); west of the 83rd longitude in Ottawa County; and west of the Sandusky River through the counties of Sandusky (including the city of Fremont) and Seneca.

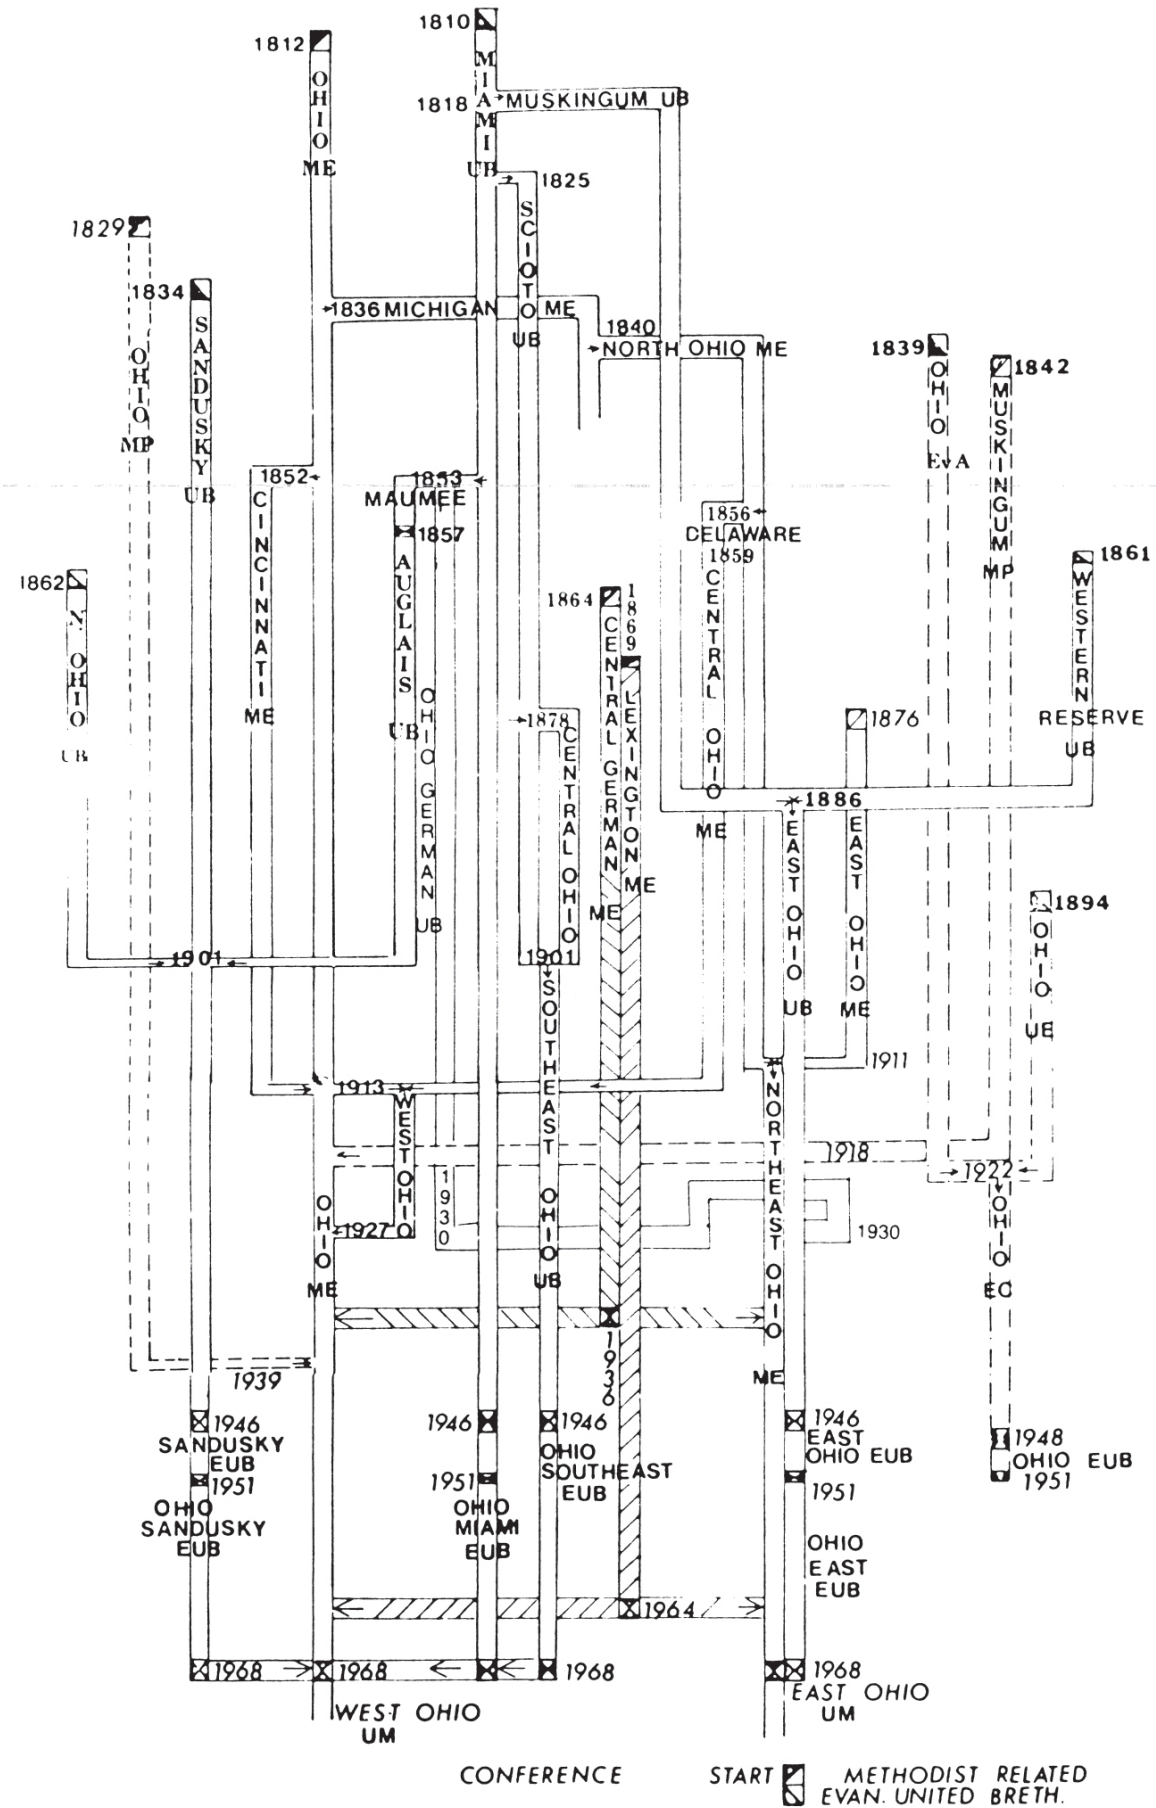

This is the 221st year of organized Methodism in Ohio. It also marks the 207th Conference Session within the territory covered by the West and East Ohio Conferences.

The strategic initiatives of the Council on development include:

Stewardship 101-Growing Generous Givers which focuses on how to develop a holistic understanding of stewardship in the local church, a basic theological foundation for stewardship, ideas to assist churches in development of an intentional year round stewardship strategy and next steps. (14 new funds for an increase in value \$7.7 million)

In 2017 the Light the Way Campaign was officially launched at Annual Conference. At the 2013 Annual Conference, A Conference Advance Special Trial was established. There are many critical mission and ministries within the West Ohio Conference that do not qualify for General Board of Global Ministries designation. With additional funding and volunteer resourcing, these ministries could expand their mission and ministry serving people in our communities and regions. Since Annual Conference rules require approval for conference wide appeals, a Special Task force has been created to develop a trial Conference Advance Special, which will allow approved mission and ministries to implement plans for conference wide appeals to churches and individuals. Criteria and evaluative standards for application are available with the application package which can be found on the West Ohio Conference Website at <http://www.westohioumc.org/conference/annual-conference-advance-special-trial>.

Currently the approved Conference Advance Specials include the following:

1. Charitable Pharmacy of Central Ohio, Inc.: WOC004
2. Greater Hilltop Area Shalom Zone: WOC002
3. Horizon Prison Initiative: WOC001
4. St. Paul United Methodist Church, Dayton, OH: WOC003

CONNECTIONAL MINISTRIES

JUST MISSION LEAD TEAM

Goals & Expectations for 2017

To develop resources for churches to better engage their communities, to update resources and strategy for helping churches engage in local and global mission, to sustain mission partnerships and those called into mission, and to develop a network of congregations and leaders invested in mission and justice in their local context.

Accomplishments for 2017

Missionaries: During Annual Conference 2017 Elizabeth Heft was commissioned as a missionary through Global Ministries.

Mission: The Volunteers in Mission manual was recreated to better prepare mission volunteers for diverse locations and people locally and globally. A team of 5 VIM Trainers led 3 trainings throughout the Conference.

Community Engagement: The Just-Mission Lead Team developed content appropriate to help congregations better engage in their communities utilizing aspects of Holy Currencies, asset-mapping, appreciative inquiry, cultural competence, and community conversations.

All In Community/Restorative Justice: 33 people from 15 congregations were trained through the Healing Communities process. 300 people participated in All In Community trainings throughout the conference. 17 churches are now engaged in building relationships with an inmate in order to welcome that person as a neighbor upon his or her release from prison.

Freedom Schools: Monies retained by the conference through the Peace with Justice Special Offering were used to support nine United Methodist Freedom Schools located in urban and rural communities across our conference. 708 scholars (children and youth) were served at 15 different sites.

Immigration: Following the passage of We are All God's Children recommendation by members of the 2017 annual conference, a leadership team was created to implement the recommendation. The foundation was established so that an immigration clinic, Eclipse, could be established in Hamilton during 2018. A Bible Study resource was created for congregations to use during Lent or another season throughout the year.

Mission Partnerships: West Ohio remains in covenantal partnership with mission partnerships ratified by members of the annual conference. Because of congregations and people across West Ohio, the following represent some of the highlights of how Christ's love is being shared.

- Ranvall Baraka, a young man who grew up in the Kamina Children's Home, graduated from Africa University. West Ohio provided the scholarship funds for his education.
- West Ohio and the Oriental Conference in Mexico deepened our mutuality in partnership to serve people who have been deported to Mexico.
- Wings of the Morning in the North Katanga Conference built and opened a 10-room guest house and clinic to serve patients upon discharge from the hospital for rehabilitation prior to their return home. OhioHealth provided the necessary funds to support the salary of the medical doctor.
- In Laos, the United Methodist Church continues to grow. We are now present in 8 of the 17 provinces with over 4000 souls receiving new life in Christ.
- In Vietnam, the church provided Bibles and backpacks to 326 children and distributed 311 health kits. As a result, one church welcomed 14 new families into their church.

Disaster Response: West Ohio extended extravagant generosity to neighbors across the United States after several severe disasters. 3134 Flood Buckets were shipped to the Midwest Distribution Center. 4360 volunteer hours were recorded in 2017, and 70 new people were trained as Early Response Team Members.

TRANSFORMATIVE DISCIPLESHIP TEAM

I am honored to report the significant progress of the Transformative Discipleship Team since our annual conference last gathered. Here is a brief listing of our team's accomplishments and a vision for our continued work of KIN-DOM building in and through Connectional Ministries.

1. Aligned with the bishop's and conference vision to equip congregations to connect with their diverse neighbors, we identified cultural competency as a strategic priority for all connectional ministry teams and our leadership within the conference. Team members completed the Intercultural Development Inventory to assess our current capacity to work across differences and to learn how to grow in our ability to adapt our leadership in the midst of cultural differences. We intend to support the expansion of this vital work in the season before us.
2. Connecting with youth and young adults was named as a priority for the conference. A group of diverse youth met with the team to share from their perspective what it means for the church to build relationships of mutuality with youth and to provide space for youth to lead. A mentoring initiative is being developed to help equip congregations to journey with youth in life transforming ways.
3. As a team, we hold all connectional ministry lead teams accountable around identifying and maximizing opportunities for collaboration, resulting in shared resourcing and leadership across ministry areas. This work of bringing down "silos" in

favor of “bridge building” across work areas continues to be a focus of our work.

4. Launched Connection Blueprint, an innovative journey of congregations and community vitality with 18 congregations participating, representing all 8 districts.
5. Informed by our current contextual realities, opportunities and challenges, we identified strategic priorities for funding.
 - A. Community Engagement--assist congregations to connect relationally with their neighbors sharing the love and way of Jesus in concrete ways and inviting people into the full life of the church where they can experience the transformation of God’s grace.
 - B. Cultural Competency Development--Learning to love our neighbors and seeing diversity as a gift instead of a problem.
 - C. New Church Starts--Trusting and following the power of the Holy Spirit to create new and innovative communities of faith that share the love of Christ.

As we move into 2018 and 2019, we are committed to pursuing alignment of vision and resources to maximize our impact in alignment with the conference vision. We are also excited to developing effective systems of evaluation to insure faithful stewardship of resources and the mission of disciple-making.

Respectfully Submitted,

Rev. Dr. Douglas Damron
Chair, Transformative Discipleship Team

UNITED METHODIST WOMEN

On March 23, 1869, eight women gathered at Tremont Methodist Episcopal Church in Boston to organize the Women’s Foreign Missionary Society, which would eventually become United Methodist Women. Those eight women raised money to send a doctor, Clara Swain, and a teacher, Isabella Thoburn, to India, to serve as missionaries to the women of that country.

In 2019, United Methodist Women will celebrate that amazing legacy of 150 years. We are now the world’s largest faith-based service and advocacy organization, providing life-changing opportunities for women, children and youth around the world. United Methodist Women is the mission organization of the United Methodist Church. Its programs continue to promote spiritual growth, leadership development, transformative education, service, and advocacy.

United Methodist Women’s four mission priorities for 2016-2020 are Criminalization of Communities of Color, Economic Inequality, Climate Justice, and Maternal and Child Health. Each of these priorities aligns with one of the Social Principles in the Book of Discipline, and our programming focuses on these issues with the goal of broadening the understanding of our members and the general public. These emphases also are directly related to the work of the four National Mission Institutions located in West Ohio: Friendly Center, Toledo; Wesley Community Center, Dayton; Wesley Education Center, Cincinnati; and Community Development for All People, Columbus.

West Ohio United Methodist Women are instrumental in helping provide an outstanding mission education event each year which is open to the entire conference – Mission U, held at Ohio Northern University in July. We provide finances, leadership, and scholarships, to help this event continue as one of the largest and most effective in the country.

In addition, we plan a leadership development event and our Annual Celebration each year. Our Celebration held in October, 2017 at Faith Community in Xenia featured remarks from Bishop Palmer as well as an address from Sally Vonner, the Assistant General Secretary for Membership and Leadership Development for United Methodist Women’s National Office. We also welcomed representatives from each of our National Mission Organizations, and recognized Regional Missionaries.

United Methodist Women is a community of women organized for growth, with flexible structures leading to effective witness and action. Most United Methodist churches have a UMW group which provides church leadership as well as mission support to the local community and to the world. We work for justice for all, through compassionate service and advocacy, to challenge and change unfair policies and systems. We provide educational experiences, leadership training, and fellowship opportunities. Mission giving is central to our mission. Through mission pledges and offerings from local, district, and conference groups, West Ohio United Methodist Women gave a total of \$405,425.78 to mission in 2017.

West Ohio was privileged to host the United Methodist Women Assembly in May of 2018. Thousands of women from all over the world gathered for worship, fellowship, learning, advocacy, and to hear internationally known speakers. The event included a rally at the Ohio statehouse in support of a living wage for all.

BOARD OF ORDAINED MINISTRY

During our fall meeting, the Board of Ministry began to prepare for the annual credentialing interviews in January by providing training time, as well as studying and approving a policy about intellectual integrity that helps candidates understand what is considered plagiarism in a candidate's written materials.

The Board updated the DCOM handbook to reflect the requirements of the 2016 Book of Discipline. This handbook is a rich resource for our DCOM teams to make the work of the board more consistent across the eight districts. The Executive Committee of the Board met with Bishop Palmer and the West Ohio Appointive Cabinet to discuss ways we can improve the process of credentialing and deployment.

Key members of the Board and others from around the conference attended a General Board of Higher Education and Ministry training around the 8-year assessment process found in ¶349 of the 2016 BOD. This is a new process that is required for every local pastor and ordained clergy. This is not meant to be punitive but centered around wellness. This is to be implemented by January 2020.

The Board, in collaboration with the Episcopal Office, worked to develop the 2018 conference Clergy Ethics training. This training is vitally important to the covenant between clergy and the local church. This training will not simply focus on the topic of sexual boundaries, but will also address self-care, social media and technology boundaries.

We continue to partner with the East Ohio Conference in the Candidacy Summit, an event for all ministry candidates, as well as the Crucible trainings for provisional members.

The Board of Ministry is committed to our work to credential those called to set apart ministry within The United Methodist Church and the West Ohio Conference. The Board of Ordained Ministry is appreciative of your prayers and support.

Respectfully submitted by Rev. Dr. Brian Law, Chair, Board of Ordained Ministry

EPISCOPACY COMMITTEE

Bishop Gregory and Mrs. Cynthia Palmer are well into their second quadrennium with the Ohio West Episcopal Area. The Episcopacy Committee continues to support the Episcopal Family in any way that it can.

As the Conference Center remains under construction, Bishop Palmer continues to lead West Ohio without missing a beat! The Book of Discipline (BOD) describes his many responsibilities which are found in paragraph ¶403. Here is a brief description:

Bishop Palmer serves as a general superintendent for the church, assigned to the Ohio West Episcopal Area which is part of the North Central Jurisdiction (NCJ). Bishop Palmer gives general oversight to the worldly and spiritual interests of the church. Bishop Palmer also has the responsibility to see that the rules and regulations developed by General Conference are carried out in the West Ohio Conference. Bishop Palmer sets all clergy appointments in West Ohio.

In addition to the duties as outlined in the BOD, Bishop Palmer also serves on the United Methodist Publishing House Board, Past president of the Council of Bishops, a member of The Commission on the Way Forward, Co-Chair of the Standing Committee on Central Conference Matters, Member of the Leadership team on Faith and Order, Member of the Leadership Team on Leadership Development, Member of the New Bishops Orientation Team, Chair of the Leadership Team on Ecumenical and Interreligious Relations, Member of the NCJ College of Bishops, NCJ Mission Council and the NCJ Quadrennial Conference.

Bishop Palmer continues to play an important leadership role in ordering the life of the church and helping set the direction to fulfill its mission in the world. All bishops share in teaching, equipping, and encouraging mission and service. They serve as shepherds of the entire church, providing a prophetic witness for justice and unity.

<http://www.umc.org/who-we-are/council-of-bishops>

The Episcopacy Committee remains supportive of Bishop and Mrs. Palmer's family and we invite the West Ohio Conference to hold the Bishop, his family, and his ministry in our prayers.

"Before I formed you in the womb I knew you, before you were born I set you apart; I appointed you as a prophet to the nations."

COLLEGES AND UNIVERSITIES

OHIO WESLEYAN UNIVERSITY

By no accident, theological or historical, our middle name is Wesleyan. Two hundred years ago, the village of Delaware, Ohio formed a faith community called the William Street Methodist Church. In 1840, their first full-time pastor was an itinerate circuit rider named Adam Poe, distant cousin of the famed poet Edgar Allen Poe, but well-known as a fierce pioneer, patriot, and a bit of a poet in his own right. Although weary of body, Poe was vibrantly alive in spirit, and he had a vision! The hotel next to the famed Sulphur Springs was up for sale, and he intended to raise the funds to buy it and donate it to the Methodist Church of Ohio. As his personal journal attests, he “walked the muddy ruts of Winter Street to raise the \$10,000 necessary” to purchase what he called “that whiskey-sotted hotel on the hill” (now the elegant old Elliott Hall at the center of our campus). By 1842, Poe had raised the funds and dedicated the entire grounds to the Methodist Church for “a university to be established on the most liberal of principles, to provide the highest quality of scholarship and leadership for the enrichment of all faiths and society in general.”

I am pleased to report to you who are the successors of this sacred history of Methodism in Ohio that the powerful vision and commitment of Rev. Adam Poe lives on in many vibrant ways. Here are just a few examples:

- Our Religion Department continues to provide graduates to some of the finest seminaries in our nation.
- Our partnership with the Lilly Endowment, Inc. provides a summer High School Christian Theological Institute that has received national attention.
- Our Spring Break Mission and Interfaith Service Week continue to touch the lives of hundreds of students, staff, faculty, and alumni.
- Our Christian Wilderness Ministry program develops strong student leaders and alumni who serve local churches and missionary positions world-wide.

John Wesley beckoned us: “The World is (our) parish.” Adam Poe called us to be a “bright light of learning on this hill.” We at Ohio Wesleyan continued to heed those calls to sacred service, and we invite you to come visit us to see what this sacred mission is all about at Ohio Wesleyan University.

OTTERBEIN UNIVERSITY

www.otterbein.edu

Otterbein University continues to thrive in an often challenging landscape of higher education. In 2017 enrollment remained consistent, with a total enrollment of 2,936 full- and part-time undergraduate and graduate students. Two significant facilities projects are underway. The Point (our STEAM innovation center) is in its final phase of construction. It houses several resident companies and Otterbein academic departments, with lab space available for businesses and the broader community. Our Campus Center will soon be under a major renovation to modernize the facility and make it more accessible and to provide better space for student engagement and lifelong learning. An architectural firm has been hired and the first phase of construction will begin in 2019 with completion expected for fall of 2020.

There are several important initiatives and programs that illustrate the ways that Otterbein continues to aspire to serve the common good and exemplify our mission as a United Methodist affiliated institution.

- The Promise House is a food pantry for students who experience food insecurity, and is staffed year round by student volunteers. It is supported by members of the Otterbein University and by local churches and businesses. Church of the Master UMC has taken a vital role in providing needed resources for students.
- Our Community Garden provides green space for education for Otterbein students and local school children. It also provides food for the Westerville Area Resource Ministry (WARM). Community members along with faculty and staff at Otterbein cultivate their own garden beds and donate a portion of their harvest to WARM. There are twice weekly volunteer opportunities through the summer.
- Our Center for Community Engagement continues to provide service opportunities for our students with more than a dozen weekly service partnerships in the area. These include several partnerships with local elementary, middle and high schools for tutoring and mentoring programs; weekly visits with residents at Friendship Village; volunteering at a local animal shelter; sustainability and environmental programs and civic engagement and voter registration organizations. Otterbein University students provide more than 70,000 hours of volunteer service each year.
- Our education programs with Marion Correctional Institution and Ohio Reformatory for Women provide incarcerated persons credit bearing college courses, taught by Otterbein faculty that include Otterbein students in the classroom. Courses include memoir writing, theatre for social change, philosophy and history courses.

- *Kindness Matters* is part of a community wide effort to cultivate kindness on campus and in the wider community. With the support of the Kind Columbus Initiative through the Columbus Foundation, there has been widespread discussion, research and events designed to help us live out our values as a model community to make Kindness contagious. AFRICA UNIVERSITY

Africa University enjoyed a banner year in 2017, thanks to United Methodists in the West Ohio Conference and throughout the connection who spearheaded special celebration events marking Africa University's 25th anniversary. These efforts brought Africa University's ministry contributions to the forefront, allowing congregations to reaffirm their commitment to the institution's mission.

Africa University is deeply grateful to the West Ohio Conference for investing in the Africa University Fund (AUF) apportionment at 100 percent in 2017. West Ohio's interest in and support for global mission is vital. Thank you, West Ohio United Methodists, for leading by example, and for your generosity and faithfulness to Africa University.

Institutional Update:

- Africa University hosts a campus community of 1,417 full-time students and faculty and staff from 31 African nations. In addition, 392 students are pursuing degree programs on a part-time basis.
- Africa University's annual operating budget of just-under \$10.5 million prioritizes student access and retention, with more than \$2.2 million in scholarships and financial aid awards disbursed in 2017.
- A new academic structure—which includes the Institute of Theology and Religious Studies—is encouraging innovation and enhancing Africa University's relevance to The United Methodist Church and to sub-Saharan Africa.
- Through teaching and research, Africa University is also making trailblazing, regional contributions in migrant and refugee protection, child rights, and in Africa's efforts to eradicate malaria and other insect-borne diseases.
- More than 8,000 graduates are leading efforts to make disciples, alleviate poverty, improve global health, and better the quality of life in communities across sub-Saharan Africa.
- By 2020, an innovation hub that was launched on campus in 2017 is expected to be delivering commercially-viable products and services that have been developed in partnership with students and African investors.

Through its engagement with Africa University, the West Ohio Conference asserts that there is indeed enough to offer hope and transformation for young women and men who are answering the call to meaningful discipleship.

As the West Ohio Annual Conference session concludes on June 6th, more than 600 young men and women will be preparing for graduation day at Africa University—June 9th. These new graduates will be returning to their home countries equipped to make a difference. Some will work to improve food security, public health, and economic opportunity. Others will serve in pastoral ministry and contribute to peacebuilding efforts. Thanks to their contributions, West Ohio United Methodists can be confident of a global legacy and witness.

Thank you, West Ohio Conference, for being a part of this incredible year of blessings. Thank you for affirming the power of faithfully sowing and working together in ministry with Africa University. May God bless and keep you always in an abundance of grace and mercy.

CANDLER SCHOOL OF THEOLOGY

For more than 100 years, **Candler School of Theology at Emory University** has prepared *real* people to make a *real* difference in the *real* world. Since our founding in 1914, more than 10,000 students have graduated from Candler, where they have been shaped as thoughtful, principled, and courageous Christian leaders dedicated to transforming the world in the name of Jesus Christ.

One of 13 official seminaries of The United Methodist Church, Candler has been included on a list of “Seminaries that Change the World” for five years running, and was recently named a “Bright Spot in Theological Education” by Auburn Seminary.

Candler is also one of seven graduate professional schools of Emory University, a top-tier research institution offering extensive resources and a demonstrated commitment to service. Our location in Atlanta provides a hands-on learning environment rich with opportunity: The General Board of Global Ministries is headquartered here, as are numerous public health, international development, and social service organizations. Simply put, there is no better place to prepare for ministry that engages our major denominational priorities: developing leaders, starting and growing churches, ministry with the poor, and improving global health.

In order to keep pace with the needs of the church and the world, Candler offers 16 degrees: six single degrees and ten dual degrees pairing theology with bioethics, business, international development, law, public health, or social work. One of our newest degrees is a Doctor of Ministry that is 90 percent online, so students can remain in their places of ministry as they study and immediately apply to their context what they learn in class. Our Teaching Parish program allows eligible United Methodist students to serve as pastors in local churches while they’re enrolled—they earn a salary as they earn course credit and pastoral experience, plus they are mentored by an experienced United Methodist elder.

Candler’s student body continues to reflect the diversity and breadth of the Christian faithful, with an enrollment of 455, reflecting 49 percent women, 35 percent people of color (U.S.), and a median age of 30. Students represent 39 denominations, with half coming from the Methodist family. 82 percent of students are seeking a degree to prepare them as ministry professionals.

Candler has a deep commitment to alleviating student debt and employs a multi-pronged approach to tackle this issue. In 2017-2018, we awarded \$5.3 million in Candler scholarships, with 97 percent of MDiv students receiving aid and the average scholarship covering 75 percent of tuition. Plus, our comprehensive “Faith & Finance” program teaches money management skills that serve our students now and will continue to serve them—and the churches they lead—well into the future.

Half of Candler’s faculty are United Methodist and 58% come from traditions within the larger Methodist family. This year, we welcomed fellow United Methodist Helen Jin Kim to the faculty as Assistant Professor of American Religious History, and we sent best wishes along with our colleague Mary Lou Greenwood Boice as she retired after 25 years of remarkable service to Candler.

Candler draws considerable strength and inspiration from its relationship with The United Methodist Church. Our ability to fulfill our mission of educating faithful and creative leaders for the church’s ministries throughout the world depends upon your support, gifts, and prayers. Thank you for the countless ways you advance this vital ministry in the life of our denomination. Visit us in person in Atlanta or online at candler.emory.edu to see firsthand how Candler prepares *real* people to make a *real* difference in the *real* world.

METHODIST THEOLOGICAL SCHOOL IN OHIO

www.mtso.edu

Thank you for this opportunity to bring you news from MTSO. Here are a few highlights from a productive year.

Healthy Congregations Inc. moves in

MTSO entered into a mutually beneficial partnership with Healthy Congregations, an interfaith organization that equips leaders for thinking more clearly about families, relationships and faith communities. The MTSO campus now hosts Healthy Congregations’ staff and offices, as well as many of its events. The relationship affords MTSO’s students, faculty and staff the opportunity to participate in Healthy Congregations events at reduced cost.

MTSO and Ohio State unite around innovative food hub

The Ohio State University Initiative for Food and AgriCultural Transformation (InFACT) awarded MTSO a \$35,000 grant, which will help fund the development and testing of a new food hub model in Franklinton, a low-income Columbus community. This work brings together residents of Franklinton, the Franklinton Farms urban gardens, and faculty, staff and students from Ohio State and MTSO, including the staff of MTSO’s Seminary Hill Farm. To increase Franklinton residents’ access to affordable, local food, the project will use an online food ordering interface – a departure from the traditional brick-and-mortar model of food hubs.

Homiletics events encourage prophetic preaching

The year provided MTSO with two major opportunities to contribute to the craft of preaching. Women from diverse racial and ethnic backgrounds gathered in September for Chloe's Circle, presented by MTSO's Theological Commons and WomanPreach! Inc., an organization founded by MTSO Interim Academic Dean Valerie Bridgeman to bring preachers into full prophetic voice. Participants explored the ways preachers can share truth in the face of disparity and injustice. In February, the Schooler Institute on Preaching featured lectures and preaching by Wil Gafney, associate professor of Hebrew Bible at Brite Divinity School and author of "Womanist Midrash: A Reintroduction to Women of the Torah and of the Throne."

Students take cross-cultural trip to South Africa

Cross-cultural immersion is a key part of MTSO students' preparation for ministry. Every Master of Divinity student at MTSO takes a cross-cultural immersion trip before graduating. In January, a group of students and faculty visited South Africa for 18 days. Among the stops was Soweto's Regina Mundi Catholic Church, which was central to the anti-Apartheid movement.

UNITED THEOLOGICAL SEMINARY

"NOW TO HIM WHO BY THE POWER OF GOD AT WORK WITHIN US IS ABLE TO ACCOMPLISH ABUNDANTLY FAR MORE THAN ALL WE CAN ASK OR IMAGINE..."
— Ephesians 3:20

United Theological Seminary in Dayton, Ohio, celebrated a 77% increase in new students for the fall of 2017. While 71 new students enrolled in September 2016, 126 new students enrolled in September 2017. This was made possible by increasing student aid opportunities and empowering faculty members, trustees and administrators to personally recommend candidates for a \$5,000 grant toward tuition. United experienced God's provision, trusting what God said through St. Paul: "[God] is able to accomplish abundantly far more than all we can ask or imagine" (Ephesians 3:20).

Many of the seminary's new students are current pastors who want to become more effective leaders for the Church through a Doctor of Ministry degree. United's Doctor of Ministry program has 170 students enrolled this year from 29 states, 2 non-US countries and 27 Christian denominations. The average number of doctoral students in all Association of Theological Schools (ATS) is 60 students, making United one of the largest Doctor of Ministry programs among ATS member schools.

The Doctor of Ministry program provides academic rigor, peer group support, spiritual growth and practical application. Pastors identify a need within their community and, with the support of a peer group, mentor and United faculty, they develop a model of ministry that will resolve the challenge in their congregations or communities.

Rev. Rudy Rasmus, pastor of the 9,000-member St. John's United Methodist Church in downtown Houston is a current doctoral student, who says he has been both challenged and supported in the DMin program.

"The program is rigorous," Rev. Rasmus says. "It is contextual, it is intentional and the professors and staff are at the top of the form."

United also has 212 students enrolled in the Master of Divinity degree program who usually seek to serve as pastors in local congregations. 88% of entering students are ordained or seeking ordination to serve a local congregation compared to 56% in other ATS member schools.

United also provides a two-year Master of Arts in Christian Ministries degree, which many persons serving as Directors of Christian Education or other local church positions pursue.

United provides flexible course options: 90% of students take at least one course online, and courses are also available as traditional on-campus courses, week-long on-campus intensive classes and virtual courses that meet simultaneously on campus and in the cloud via webcast.

If you are interested in pursuing further seminary education, contact United's Office of Admissions at admissions@united.edu or call [800-322-5817](tel:800-322-5817).

HOSPITALS AND HOMES

LIFE ENRICHING COMMUNITIES (LEC)

www.lec.org

Throughout 2017, Life Enriching Communities focused on improving services, amenities and accommodations for residents and associates. Construction continued on the Twin Lakes expansion that includes 45 new independent living apartments with an underground parking garage, the Shirley M. Davies Community Center and a new casual dining venue all due to open in Spring, 2018. Twin Lakes also broke ground for an additional 22 villa homes that will be completed by late 2019. Efforts began to evaluate resident and prospect preferences regarding independent living dining services that will be used in re-designing the dining venues at Twin Towers in 2018.

Realizing that the Associates are most important in assuring resident satisfaction, LEC responded to Associate needs and established several benefit programs in addition to re-engineering the performance appraisal process which will be implemented in Spring, 2018.

Our organization's fiscal strength was acknowledged with an investment grade credit rating for the fourteenth consecutive year as Fitch Ratings affirmed its 'BBB-' (stable outlook). The Fitch rating was utilized for LEC's \$17,410,000 tax-exempt bond issue in July 2017. These bonds were used to fund further expansion of Twin Lakes.

The LEC Foundation secured over \$892,000 in contributions, which included \$202,000 to support benevolent care and \$62,000 for capital improvements.

The total expenditures for Life Enriching Communities (including Twin Towers and Twin Lakes) in Fiscal Year 2017 were \$53,999,000 – 0.7% under budget. 88% of all expenses were related to programs and ministry while 12% represented administrative costs.

Occupancy at Twin Lakes and Twin Towers held steady for 2017 at 97% and 84%, respectively. Twin Lakes currently has a 5 star rating from the Center for Medicare/Medicaid Services for service and care provided to residents in long term care and short term rehabilitation while Twin Towers' rating is a 3 (star). Confident Living, our Continuing Care at Home program, added 40 new members in 2017.

Efforts in 2018 will focus on the completion of the Twin Lakes Expansion and the addition of approximately 80 residents. The Confident Living program will expand its service area to the northern parts of Butler and Warren counties. LEC, Twin Towers, Twin Lakes and Confident Living have aligned goals that focus on expanding resident and customer access to information and services,

eliminating staffing shortages, and operationalizing a fully integrated Compliance/Risk Management/Safety system throughout the organization.

We are thankful for the ongoing support of the West Ohio Conference of the United Methodist Church.

UMCH FAMILY SERVICES

Annual Report for 2017 of UMCH Family Services for 2018 Conference

As Executive Director of UMCH Family Services (formerly, The United Methodist Children’s Home), a Ministry of The West Ohio Conference of The United Methodist Church, I, Sean Reilly, respectfully submit this report for the calendar year 2017.

Mission:

The Mission of the United Methodist Children’s Home is to strengthen our community by providing care, nurture and treatment to strengthen hurting children and families.

Accomplishments for 2017:

Over the past year, we have had monumental growth steps: For the first time in more than 100 years, we have a new home on East Broad Street in downtown Columbus, central to the population we serve. Here, our Outpatient Mental Health, Psychiatric, Treatment Foster Care and Adoption programs are under one roof, in one cutting-edge facility. We designed this facility to be conducive to the needs of children who have experienced significant trauma.

Often these children don’t respond, or don’t respond as well, to traditional treatment methods as trauma changes the brain in a way that makes it important to respect the sensory impact of the environment. To that end, we have begun a partnership with the Occupational Department at The Ohio State University.

From therapy to play therapy to gross motor therapy rooms, multiple spaces throughout our building offer activities for sensory calming to help regulate the arousal system and calm the heightened state of fear traumatized children experience. While our mission continues to be in keeping families together, starting new families and returning children safely to their families or relatives, the move to our new home is already helping and will help the children and families we serve and those who will need our services in the next 100 years to come.

Here are a few additional highlights from 2017:

- We served 1,524 children in 2017.
- We have expanded our ability to serve 18 to 21 year olds aging out of foster care.
- We now have 6 locations, including our newest, which is an expansion of Treatment Foster Care into Southwest Ohio.
- We are opening an office in Middletown Ohio to serve the children and families of southwest Ohio.

UMCH in 2017

The following provides a brief snapshot of 2017 and the services provided by UMCH Family Services. We provided services and support to over 1524 of Ohio’s at-risk children and families through one or more programs in 2016, an almost 60% increase from last year.

- Our 2017 audited financial statements show revenue of \$7,329,234 with expenses of \$5,494,553.
- Over 89% of our expenses were for direct programs to children

Our financial position continues to be strong. \$1,572,531 of 2017 revenue are from proceeds of the sale of the property.

With the support of our generous donors and others, we expect revenues of \$5,994,392 with a surplus of \$176,722 in 2017.

Foster Care Services.

The Foster Care program provided care and treatment to over 171 children in 2017, an increase of over 5%. We continue to be successful in expanding our recruiting for the program in an effort to provide more foster families across the conference and the state. In 2017 we added 24 new homes.

Outpatient Services

During 2017, UMCH Family Services provided outpatient mental health treatment and counseling services to over 1400 children and families. School and agency staff are trained together to better offer services to the children and families we serve. We continue to offer psychiatric services through the internet to children in the Dayton area, thus eliminating a six month wait for some families due to the shortage of services available.

In 2018 we hope to:

- Preserve 80% or more of the families who so desperately need our help
- Return more than 80% of our foster children to home, kin or adoption
- Expand our Foster Care program to more counties in the Conference

In 2017, as always, the churches of the West Ohio Conference have helped us reach more children and families than ever before. With God's help we will continue to provide homes through our foster care program, find homes through our adoption programs and preserve and strengthen homes through our many mental health services.

I continue to be grateful to our wonderful staff, trustees, donors, churches, friends and families who make this ministry of caring for children possible.

Sincerely,
Sean Reilly
Executive Director

OHIO COUNCIL OF CHURCHES

Mission Statement

*The mission of the Ohio Council of Churches is to **make visible the unity of Christ's church**, provide a Christian voice on public issues, and engage in worship, education and service.*

"...so that they may be one, as we are one..." John 17:22b

We are the Body of Christ. Our Biblical mandate is to work towards oneness. We 'gift' one another with our traditions and history. Opportunities are before us each day for us to be an instrument for living and demonstrating oneness. How do we do that?

Building relationships: There are always new bishops and executive leaders to meet, and we pray especially for members going through difficult times. A NW Ohio leaders' groups meets twice a year. We were present at a Roman Catholic and ELCA worship commemoration of the 500th anniversary of the Reformation, taught about ecumenism, and serve on the board of the Bishop Vinton R Anderson Ecumenical Institute at Payne Theological Seminary. Joining the Jain community, we spoke of how we work towards peace. The Roman Catholic Dioceses decided to withdraw their membership, and so building a relationship with the Ohio Catholic Conference will continue.

Witnessing to our Faith: A Legislative Brief goes out monthly with information about current legislative concerns. The Public Policy director often gives testimony and follows issues. Some of the issues addressed were: redistricting, medicaid expansion, the State budget, tax cuts, and the opiate epidemic. We hosted a prayer vigil following the killings in Charlottesville.

Networking and Partnering: We have co-sponsored events with the Hunger Network in Ohio, State of Appalachia Conference, and Faith in Public Life. We have participated on a panel for the Council on American Islamic Relations, and brought greetings to member bodies. Staff serves on the Global Leadership Team for Ohio. A civil discourse group has been working on connecting with congregations to resource them on how to have a civil conversation. The National Institute for Civil Discourse counts Ohio as a key state and has worked with and encouraged us.

CareWorks (our managed care organization) and **CareWorksComp** (worker's compensation) provide lower rates for 650 churches connected with the Council.

Thanks be to God for life together as the Body of Christ known as the Ohio Council of Churches!

Officers: The Rev. Marvin Thomas, President, Christian Methodist Episcopal Church, Second Episcopal District; the Rev. Vanessa Clark, Vice-President, Episcopal Church, Diocese of Ohio; the Rev. Deb Oskin, Church of the Brethren, Southern Ohio District; the Rev. Tim Philabaum, Treasurer, Evangelical Lutheran Church in America, NW Ohio Synod; Rev. Deb Oskin, Chair for Foundation, Board of Trustees; immediate Past-President, The Rev. Raafat Zaki, Synod of the Covenant, Presbyterian Church (USA); The Rev. Rebecca J. Tollefson, Executive Director.

PREACHER'S RELIEF SOCIETY

All active clergy members in the West Ohio Conference licensed by the West Ohio Conference and in good standing are eligible for membership in the Preacher's Relief Society (therein called the Society or P.R.S.)

Recognized as an affiliated Member Organization of the Conference, P.R.S. was first organized in 1837 by clergy to help minister to fellow clergy members and their families with unforeseen catastrophic expenses from health, death, fire, flood, or other circumstances beyond their financial control. This forerunner of our denominational pension and health care network continues to fill a widening gap in medical coverage for dental work and other out of pocket expenses along with other needs mentioned above. To join the Society it costs \$25.00 the first year with annual dues of \$25.00 given every spring. Retirees and those over 72 are ineligible to join. Retiree Society members and deceased members spouses pay no dues for continued membership.

Churches wishing to honor their pastor can sponsor them into membership. For more information or answers to questions contact Membership Secretary, Rev Sharon Hausman 9822 Bradysville Road, Aberdeen, Ohio 45101 or by phone 740-621-0973 or by Email at pastor.sharon62@gmail.com.

Grants are available through treasurer Mark Weatherman for members and their families who are members of P.R.S. Consideration is given according to the amount of need from out of pocket expenses presented on grant application blanks.

In 2017 the Society issued 28 grants to members defraying needs in the amount of \$57,175. In the past three years the Society has given a total in excess of \$150,000 to many different needy clergy. These funds come from interest and dividends in the permanent capital fund. Additional gifts to this fund are tax deductible as a recognized 501-C-3 organization. Our goal as a Society is to be available to help all clergy who are willing to join this long standing organization.

Current P.R.S. membership is 350 clergy and spouses of deceased clergy members.

M. Joseph Miller, Chairperson of P.R.S. > Board of Directors
Harold M. Stockman, Business manager P.R.S.

PROFESSIONAL ASSOCIATION OF UNITED METHODIST CHURCH SECRETARIES (PAUMCS)

The Ohio Chapter of the Professional Association of United Methodist Church Secretaries took a different path as the organization made many changes in 2017- beginning with the name change to PAUMCS – Professional Administrators of the United Methodist Connectional Structure approved by action of National PAUMCS in Chicago, Illinois. The name change better reflects the enhanced skills of members. The Ohio Chapter also approved a restructuring change by approving by-laws that put in place a Governing Board of five elected members to include three Members at Large, a Recording Secretary and a Treasurer with the Chairman of the Governing Board elected from the five board members. Ex-officio members will include an elected Communications Chairman and annually board appointed chairmen for the Spring Workshop and the Fall Conference. The change from the traditional President, Vice President etc organizational structure was in response to the growing time and travel limitations of members who could serve as officers. It was also a way to provide more opportunities for more individuals to serve without a one or two year commitment.

Committed to supporting PAUMCS in East and West Ohio, programming was offered to give hands on opportunities to participate in and review Safe Sanctuaries policies and response, using social media, the need and our response to work place security and crisis. The members met around the conference hearing from Rev Ryan Dunn of the ReThink ministries from Nashville, TN; and conference directors RaNae Street and Kay Panovec with Safe Sanctuaries and Public Information. Mission focus programming was funded by donation of members and PAUMCS matching for National Recovery Month meeting the opioid epidemic and combating Human Trafficking.

The financial resources of Ohio PAUMCS is very secure allowing the members to offer scholarships for registration fees for both the Spring and Fall programming reflective by the numbers attending. All programs met and were approved for continuing education credit for members. It is the chapter's plan to increase membership and educate local church staffs of the need to be connectional and responsive as together we make disciples for Christ.

Vicki Miller, President Ohio PAUMCS
